Cumbow,2002-07-16 An obscure independent filmmaker until Halloween 1978 John Carpenter has been applauded for his classic sense of compositions yet reviled for his B film sensibility This second edition of the first book length analysis finds in Carpenter s films a vision of a profound but unexpected order in the universe The author analyzes Carpenter s early independent work his made for television movies his big Hollywood films The Fog Escape from New York The Thing Stephen King s Christine Starman his more recent independent work Big Trouble in Little China Prince of Darkness They Live and his contributions to films he did not direct This edition fully updates the 1990 edition with attention to the films made since that date With a chronology of Carpenter s career a detailed filmography photos brief plot synopses and a thorough index this volume will be treasured by film scholars and fans alike
