According to the most recent report done by The College Board Annual Survey of Colleges, the average rate of tuition at four-year public universities is \$19,548, and even more shocking, the average four-year tuition rate for private colleges is \$43,921. Tuition costs of course are just the beginning. However, there is good news: There is more financial aid available than ever before, and despite all of these college cost increases, a college education remains an affordable choice for most families. Armed with the information detailed in this comprehensive and updated edition of *How to Go to College on a Shoestring*, you will be privy to the more than 2,200 programs that offer scholarships, internships, or loans to more than 17 million students each year. In addition to scholarships and grants, you will learn hundreds of innovative ways to slash your college cost, such as calculating and reducing your college budget, buying your text books and supplies cheaply, earning college credit on an accelerated basis, combining higher education and course-related employment, performing national and community service, and making use of tuition prepayment plans, federal funds, state aid, and private sector aid. If you want to learn hundreds of innovative ways to save thousands on your college costs, then this book is for you. **My Shoestring House** Sindy Wakeham, 2011-01-05. This book is full of the tactics and spending tricks my family and self have used over the years to stretch those experiences, resources, talents, and things that help to survive financial hardships thrust upon us by recession, government spending cuts, global factors, and even the weather. The book's purpose is to inspire and help you feel that if I can do it, so can you. Have pen and paper ready.
