Saving Sherman:

The Man Who Saved the Union H. W. Brands, 2013-05-28 From the two time Pulitzer Prize finalist bestselling historian and author of *Our First Civil War* a masterful biography of the Civil War general and two term president who saved the Union twice on the battlefield and in the White House A splendidly written biography Brands does justice to one of America's most underrated presidents Dallas Morning News Ulysses Grant emerges in this masterful biography as a genius in battle and a driven president to a divided country who remained fearlessly on the side of right He was a beloved commander in the field who made the sacrifices necessary to win the war even in the face of criticism He worked valiantly to protect the rights of freed men in the South He allowed the American Indians to shape their own fate even as the realities of Manifest Destiny meant the end of their way of life In this sweeping and majestic narrative bestselling author H W Brands now reconsiders Grant's legacy and provides an intimate portrait of a heroic man who saved the Union on the battlefield and consolidated that victory as a resolute and principled political leader Look for H W Brands's other biographies THE FIRST AMERICAN Benjamin Franklin ANDREW JACKSON TRAITOR TO HIS CLASS Franklin Roosevelt and REAGAN

How Capitalism Saved America Thomas J. DiLorenzo,2005-08-23 Here s the real history of our country How Capitalism Saved America explodes the myths spun by Michael Moore the liberal media Hollywood academia and the rest of the anticapitalist establishment Whether it s Michael Moore or the New York Times Hollywood or academia a growing segment in America is waging a war on capitalism We hear that greedy plutocrats exploit the American public that capitalism harms consumers the working class and the environment that the government needs to rein in capitalism and on and on Anticapitalist critiques have only grown more fevered in the wake of corporate scandals like Enron and WorldCom Indeed the 2004 presidential campaign has brought frequent calls to re regulate the American economy But the anticapitalist arguments are pure bunk as Thomas J DiLorenzo reveals in *How Capitalism Saved America* DiLorenzo a professor of economics shows how capitalism has made America the most prosperous nation on earth and how the sort of government regulation that politicians and pundits endorse has hindered economic growth caused higher unemployment raised prices and created many

other problems He propels the reader along with a fresh and compelling look at critical events in American history covering everything from the Pilgrims to Bill Gates And just as he did in his last book *The Real Lincoln* DiLorenzo explodes numerous myths that have become conventional wisdom How *Capitalism Saved America* reveals How the introduction of a capitalist system saved the Pilgrims from starvation How the American Revolution was in large part a revolt against Britain s stifling economic controls How the so called robber barons actually improved the lives of millions of Americans by providing newer and better products at lower prices How the New Deal made the Great Depression worse How deregulation got this country out of the energy crisis of the 1970s and was not the cause of recent blackouts in California and the Northeast And much more How *Capitalism Saved America* is popular history at its explosive best **Gathering to Save a Nation** Stephen D. Engle,2016-09-13 In this rich study of Union governors and their role in the Civil War Stephen D Engle examines how these politicians were pivotal in securing victory In a time of limited federal authority governors were an essential part of the machine that maintained the Union while it mobilized and sustained the war effort Charged with the difficult task of raising soldiers from their home states these governors had to also rally political economic and popular support for the conflict at times against a backdrop of significant local opposition Engle argues that the relationship between these loyal state leaders and Lincoln s administration was far more collaborative than previously thought While providing detailed and engaging portraits of these men their state level actions and their collective cooperation Engle brings into new focus the era s complex political history and shows how the Civil War tested and transformed the relationship between state and federal governments
