McCarthy, 1992 Here is the book lover's literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher **Slow Joy** Stefanie Marlis, 1989 In Slow Joy Stefanie Marlis's first full length collection the poems move across boundaries across worlds difficulties and happinesses The book's persona and concerns consciousness suffering and destruction love and death are not unusual What is it that the collection as a whole breaks through pain and sorrowful histories and is finally uplifting even redemptive in the sense that prayers are redemptive And the poems in their serious strength urge the reader to draw a parallel between poetry and the silent prayers monks believe redeem the world Marlis writes poems that are potentially redemptive at least for the poet The

poems in *Slow Joy* are wrought with animate imagery with story and with long running lines sprung with falling and rising sounds Marlis s poetry translates pain slowly into joy or as the poet has written makes the bearable a gate *The Unbeliever* Lisa Lewis,1994 Lisa Lewis s first collection of poems meditates on people in trouble searching for a way out people whose faith has been tested and found wanting The child who believes in God only on Christmas Eve the teenage girl exploring her sexuality and finding herself forever under male control the young woman struggling in a violent relationship a driver locked in the secure world of her car deliberately swerving close to a traffic cop or using her commuting time to dream of leaving her marriage the men who frequent massage parlors and therapists or threaten to rape the moon all have in common secret skepticism and isolation These poems address with compassion and intensity the wariness of women and men together the distance between them as they attempt to bridge their destructive failures In long lines loaded with the eccentric details of human life the vision of *The Unbeliever* is dark funny and not without hope as it follows the characters through connections sought and set at odds by difference and circumstance **Vital Signs** Ronald Wallace,1989 This anthology includes 179 poets published by university presses in recent years It seeks to provide a rich overview of the best contemporary American poetry irrespective of publisher age of poet aesthetic program or current status in the literary canon to celebrate the work of university presses in discovering and supporting that poetry and to suggest some questions about American poetry its democratization canonization aesthetics politics and sociology The volume includes brief histories of poetry publishing at each press their poetry lists and an essay on the American poetry scene of the last 20 years It features poems by such established poets as John Ashbery Marge Piercy Adrienne Rich and James Wright ISBN 0 299 12160 7 29 95

Level Green Judith Vollmer,1990 *Southern Writers* Joseph M. Flora,Amber Vogel,2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners *Southern Writers* is an indispensable reference book for anyone intrigued by the subject *Acts of Contortion* Anna Meek,2002 In poems that are

by turns witty lush and unflinching *Acts of Contortion* explores the gestures of both hurtfulness and compassion Whether set in a shelter for battered women in the midst of a political demonstration or at the center of an orchestra the poems pursue the place of language in an injurious world The political conscience at work is feminist pacifist and at odds with itself Anna George Meek finds that the brutal and the compassionate are sometimes indistinguishable born of our need to make contact outside of ourselves These gestures of music of touch of poetry appear in the poems as the violin domestic abuse and words to comfort a woman in pain The poems argue difficult yet imperative the attempt to gesture beyond ourselves is an act of contortion

Sweet Ruin Tony Hoagland, 1992-11-01 Tony Hoagland captures the recognizably American landscape of a man of his generation sex friendship rock and roll cars high optimism and disillusion With what Robert Pinsky has called the saving vulgarity of American poetry Hoagland's small biographies of destruction reveal that defeat is a natural prelude to grace and loss a kind of threshold to freedom A remarkable book Without any rhetorical straining with a disarming witty directness these poems manage to transform every subject they touch from love to politics reaching out from the local and the personal to place the largest issues in the context of feeling It's hard to think of a recent book that succeeds with equal grace in fusing the truth telling and the lyric impulse clarity and song in a way that produces such consistent pleasure and surprise Carl Dennis This is wonderful poetry exuberant self assured instinct with wisdom and passion Carolyn Kizer There is a fine strong sense in these poems of real lives being lived in a real world This is something I greatly prize And it is all colored sometimes brightly by the poet's own highly romantic vision of things so that what we may think we already know ends up seeming rich and strange Donald Justice In *Sweet Ruin* we're banging along the Baja of our little American lives spritzing truth from our lapels elbowing our compadres the Seven Deadly Sins Maybe we're unhappy in a less than tragic way but our ruin requires of us a love and understanding and loyalty just as deep and sweet as any tragic hero's And it's all the more poignant in a sad and funny way because the purpose of this forced spiritual march Hoagland seems to be saying is to leave ourselves behind Undoubtedly you will recognize among the body count many of your selves Jack Myers

Salt Renée Ashley, 1991 Renée Ashley describes *Salt* as an attempt in part to mythologize a period of the 1950s and early 1960s in the California Bay Area suburb where she grew up a racially rich economically varied section of town east of El Camino Real the major road and the tracks so to speak that one grew up on the right or wrong side of Many of the poems in the collection explore Ashley's adjustment to the East Coast after a virtual lifetime in that one place They deal with landscape with marriage with the insight distance seems to lend to hindsight with amusement with regret Renée Ashley can tune our ears to the thoughts of a wounded sparrow to the sibilance of snow on stone even to the song rocks make as they thaw in spring She wakes us to an intricate enthralling world behind beneath beyond the one we thought we knew alive with particulars laced with compassion luminous with humor Donald Finkel
