Savings And Investment In The Caribbean Emerging Imperatives:

Savings and Investment in the Caribbean Ramesh Ramsaran,1995 **Caribbean Imperatives** Kenneth O. Hall,Denis Benn,2005 With the launch of the CARICOM Single Market and Economy and the Caribbean Court of Justice the Caribbean Community has taken major steps to promote closer and more intensive forms of economic cooperation among its constituent members This effort requires the adoption of innovative approaches to regional governance and creative regional development strategies aimed at maximizing the exercise of sovereignty within the Community and also optimizing the development possibilities of the region The 30th anniversary of the establishment of the Caribbean Community in 2003 marked an important milestone in the historical evolution of regional integration in the Caribbean Caribbean Imperatives focuses on several important topics relevant to the future of the community by addressing issues such as the conception of the Caribbean Community integration theory the exercise of sovereignty the Single Market and Economy production integration the external relations of the community and the importance of multilateralism for the viability of small states in the international system The analysis contained in the volume is extremely relevant to policy makers in the region in managing the transition to more intensive forms of regional integration aimed at improving the well being of the people of the Caribbean Caribbean Abstracts Koninklijk Instituut voor Taal-, Land- en Volkenkunde (Netherlands). Caraïbische Afdeling,1996 **Current Awareness Bulletin** ,1996 *European Bloc Imperialism* Dennis C. Canterbury,2010 The reinvigorated debate on imperialism in the last two decades focuses on the means by which Euro American capital is currently spread around the globe and the different ways it pillages the wealth of the developing countries The Economic Partnership Agreements being foisted on the Africa Caribbean and Pacific countries by the European Union however has been under the radar of the debate on imperialism This book draws on the experiences of the Caribbean Forum EU EPA to fill that void by bringing into focus the economic partnership agreement as a conduit of European imperialism Dennis C Canterbury Ph D 2000 in Sociology Binghamton University State University of New York is Associate Professor of Sociology at Eastern Connecticut State University He has published extensively on development issues including Neoliberal Democratization and New Authoritarianism Ashgate 2005 **Current Awareness Service** ,1995 **Financial Innovations in the Caribbean** M. Economic Commission for Latin America,1997 **Monthly Bibliography** United Nations Library (Geneva, Switzerland),1997 **Social and Economic Studies** ,1999 International Working Paper Series ,1997 Confronting Challenges, Maximising Opportunities ,2007 Following the conclusion of the Second World War the countries of the Caribbean faced serious challenges that threatened their individual survival Political independence was meaningless without economic independence and the newly independent states of the Caribbean found themselves severely challenges by an international economic system founded on a development paradigm premised on the belief that the accumulation of wealth

was the sole route to prosperity and that creating the conditions for more wealth was the preferred pathway to sustainable development There have been numerous changes to this scenario over the years and *Confronting Challenges Maximising Opportunities* traces the Caribbean's response to the varying challenges Using market access as the point to highlight specific challenges this collection examines Caribbean Diplomacy and paints a picture of the imperatives for social and economic development and the need for a proactive stance to the conditionalities inherent in market access negotiations

Caribbean Political Economy at the Crossroads D. Marshall, 1998-09-23 There are a variety of crisis symptoms confronting the Commonwealth Caribbean as the 21st century dawns Global changes are quickly rendering the region's traditional economic platform obsolete This book suggests however that the expanding NAFTA or the hemispheric turn towards bloc formation can offer a way out for the Caribbean Politics must be brought back into the regionalisation process for each island government is witnessing the narrowing of the range of its state power by powerful TNCs international financial institutions Washington interests and corporate backed WTO commissions
