Sax Rohmers The Drums Of Fu Manchu:

Sax Rohmer's The Drums of Fu Manchu, 1985 *The Drums of Fu Manchu* Sax Rohmer, 1939 Fu-Manchu: The Drums of Fu-Manchu Sax Rohmer, 2014-06-03 Immediately before World War II Fu Manchu decides to kill or control the world's war mongering dictators to pave the way for his own plans The rapid fire action moves from London to Venice to Paris and involves various arcane and scientific forms of torture and death **BONUS FEATURE** The Mark of the Monkey the second of three lost adventures of Nayland Smith It appeared in Collier's in 1931 then in the short story collection Tales of East and West *The Fu Manchu Omnibus* Sax Rohmer, 1999-02 Sax Rohmer's tales of the sinister Dr Fu Manchu and his arch enemy Nayland Smith have fascinated readers and movie goers alike for the best part of this century Now A B is reissuing them all in a series of omnibus editions This is the fourth containing The Drums of Fu Manchu Shadow of Fu Manchu and Emperor Fu Manchu *The Yellow Peril: Dr. Fu Manchu and the Rise of Chinaphobia* Christopher Frayling, 2014-10-14 An entirely new perspective on current scaremongering about China's global ambitions and on the Western media's ignorance of Chinese culture A hundred years ago a character who was to enter the bloodstream of 20th century popular culture made his first appearance in the world of literature In his day he became as well known as Count Dracula or Sherlock Holmes he was the evil genius called Dr Fu Manchu described at the beginning of the first story in which he appeared as the yellow peril incarnate in one man Why did the idea that the Chinese were a threat to Western civilization develop at precisely the time when China was in chaos divided against itself the victim of successive famines and utterly incapable of being a peril to anyone even if it had wanted to be Even the author of the Dr Fu Manchu novels Sax Rohmer acknowledged that China as a nation possess that elusive thing poise And what do the Chinese themselves make of all this Is it any wonder that they remember what we have carelessly forgotten the opium wars the unfair treaties that ceded Hong Kong and the New Territories and the stereotyping of Chinese people in allegedly factual studies Here cultural historian Christopher Frayling takes us to the heart of popular culture in the music hall pulp literature and the mass market press and shows how film amplifies our assumptions **Reports of the Tax Court of the United States** United States. Tax Court, 1950 **China and the Chinese in Popular Film** Jeffrey Richards, 2016-11-09 There's a folk memory of China in which numberless yellow hordes pour out of the mysterious East to overwhelm the vulnerable West accompanied by a stereotype of the Chinese as cruel cunning and depraved Hollywood films played their part in perpetuating these myths and stereotypes that constituted The Yellow Peril Jeffrey Richards examines in detail how and why they did it He shows how the negative image was embodied in recurrent cinematic depictions of opium dens tong wars sadistic dragon ladies and corrupt warlords and how in the 1930s and 1940s a countervailing positive image involved the heroic peasants of The Good Earth and Dragon Seed fighting against Japanese invasion in wartime tributes to the West's ally Nationalist China The cinema's split level response is also traced through the images of the ultimate Oriental villain the sinister Dr Fu Manchu and the

timeless Chinese hero the intelligent and benevolent detective Charlie Chan Filling a longstanding gap in Cinema and Cultural History the book is founded in fresh research into Hollywood's shifting representations of China and its people

The Judge Dee Novels of R.H. van Gulik J.K. Van Dover, 2014-11-26 From 1949 to 1968 author Robert van Gulick wrote 15 novels two novellas and eight short stories featuring Judge Dee a Chinese magistrate and detective from the Tang dynasty In addition to providing the setting for riveting mysteries Dee's world highlighted aspects of traditional Chinese culture through his personal relationships with his wives his lieutenants and the citizens he served with dedication on the emperor's behalf This book gives a synopsis of each Judge Dee story along with commentary on plots characters themes and historical details Exploring van Gulik's influence on Chinese and Western detective fiction and on the image of China in popular 20th century American literature this study brings to light a significant contributor to the development of detective fiction

Hollywood's Melodramatic Imagination Geoff Mayer, 2021-12-22 Melodrama is the foundation of American cinema It is however a poorly understood term While it is a pervasive and persuasive dramatic mode it is not tied to any specific moral or ideological system It is not a singular genre rather it operates as a genre generating machine capable of determining the aesthetics and structure of the drama within many genres Melodrama centers the conflict around the clash between good and evil and provides a sense of poetic justice but the specific values embedded in notions of good and evil are determined by the culture and they shift from nation to nation region to region and period to period This book explores the populist westerns of the 1930s the propaganda films that followed the Japanese attack on Pearl Harbor and the popularity of Sax Rohmer's master villain Fu Manchu Melodramas of passion and film noir also offer a challenge to melodrama with its seemingly alienated protagonists and downbeat endings Yet with few exceptions Hollywood was able to assimilate these genres within its melodramatic imagination

The Yellow Peril William F. Wu, 2022-06-02 This study examines the way Americans of Chinese descent were portrayed in American literature between 1850 and 1940 Their depictions are compared to historical events that were occurring at the time the works of literature were published This edition has additions and corrections compared to the original hardback edition published in 1982 Excerpt My purpose in writing this work has been to explore the depiction of Chinese immigrants and their descendants in American fiction from the mid nineteenth century entry of the first Chinese immigrants in significant numbers to the eve of World War II I consider both the immigrant Chinese and the American born generations that followed them to be Chinese Americans but will sometimes identify the groups separately in recognition of the fact that the historical experience and treatment of the immigrants in fiction has been different from that of their descendants The fiction treated in this study includes short stories and novels both by white Americans and Asian Americans I am defining the term Yellow Peril as the threat to the United States that some white American authors believed was posed by the people of East Asia As a literary theme the fear of this threat focuses on specific issues including possible military invasion from Asia perceived competition to the white labor force from Asian workers the alleged moral

degeneracy of Asian people and the potential genetic mixing of Anglo Saxons with Asians who were considered a biologically inferior race by some intellectuals of the nineteenth century The Chinese immigrants were the first target of this attention since they were the first Asian immigrants to reach the United States in large numbers This study will focus on American fiction about Chinese Americans in an attempt to analyze the growth and development of attitudes about them My thesis is that the Yellow Peril is the overwhelmingly dominant theme in American fiction about Chinese Americans in the years with which this study is concerned It is expressed through the variety of images of the Chinese Americans that appear especially in their relation to and their role as part of the United States The historical causes and literary subject matter change but the theme neither disappears nor abates Each work of fiction has been studied individually for the images it contains Prior to the turn of the century the Yellow Peril is perceived only as stemming from the Chinese In the twentieth century especially in the pulps the Japanese joined the Chinese as a perceived menace to Europe and North America The overall process of evaluation relies primarily on detailed analyses of the characters under consideration This has been done with an awareness that the American public as a whole sometimes did not distinguish carefully among Asian ethnic groups so that events involving one Asian ethnic group often affected the image of another Some works are obscure and these have been quoted at greater length than more available ones Relatively few critical sources have been cited this is due to a dearth of relevant studies The less important works of fiction have naturally received little critical attention and often when such attention was concerned with pertinent stories the authors had little or nothing to say about the depiction of Chinese Americans This observation is intended only as an explanation and not as a value judgement of earlier scholarship with different goals Re/collecting Early Asian America Josephine D. Lee, Imogene L. Lim, Yuko Matsukawa, 2002 Defining the early period as spanning the nineteenth century to the 1960s the essays address the Asian American individuals and communities that have been omitted from official histories trace the roots of persistent racial stereotypes and myths and retrieve artistic production that raises questions of what counts as art or as Asian American By reconsidering the political cultural and material history written in the past three decades contributes to a new understanding of Asian America's past and relationship to the present

Monsters in the Movies John Landis, 2011-09-19 From cinema's earliest days being scared out of your wits has always been one of the best reasons for going to the movies From B movie bogeymen and outer space oddities to big budget terrors *Monsters in the Movies* by horror film maestro John Landis celebrates the greatest monsters ever to creep fly slither stalk or rampage across the Silver Screen Landis also surveys the historical origins of archetypal monsters such as vampires zombies and werewolves and takes you behind the scenes to discover the secrets of the special effects wizards who created such legendary frighteners as King Kong Dracula the Alien and Freddy Krueger *Monsters in the Movies* by John Landis is filled with the author's own fascinating and entertaining insights into the world of movie making and includes memorable contributions from leading directors actors and monster makers The book is also stunningly illustrated with 1000 movie stills

and posters drawn from the unrivaled archives of the Kobal Collection Contents Introduction by John Landis Explore a timeless world of fears and nightmares as John Landis investigates what makes a legendary movie monster Monsters chapter by chapter Feast your eyes upon a petrifying parade of voracious Vampires flesh eating Zombies slaving Werewolves gigantic Apes and Supernatural Terrors Spectacular double page features Thrill to the strangest scariest weirdest and craziest movie monsters ever seen The ingenious tricks of movie making Marvel as the special effects wizards reveal how they create movie magic A monster movie timeline Discover John Landis s personal selection of landmark horror films

Science Fiction and Fantasy Literature R. Reginald,Douglas Menville,Mary A. Burgess,2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index **Harry Houdini Mysteries: The Dime Museum Murders** Daniel

Stashower,2012-02-07 Harry Houdini and his brother Dash are called to solve the murder of a toy tycoon in this first locked room mystery starring the legendary real life magicians New York City 1897 Young escapologist Harry Houdini is struggling to get the recognition he craves from the ruthless entertainment industry But when toy tycoon Branford Wintour is found murdered in his Fifth Avenue mansion detectives call upon Houdini to help solve this mysterious crime ushering in a new era of Houdini s career amateur sleuth When Harry and his brother Dash reach the scene of the murder they discover Wintour was found dead in a room that was locked from the inside out the result of a cruel magic trick Together the brothers Houdini launch their first ever investigation venturing into the bizarre world of rare curios and the collectors who will pay any price to own them *The Cinema of Víctor Erice* Linda C. Ehrlich,2007-02-01 To coincide with the recent DVD release of *The Spirit of the Beehive* this paperback collection of essays focuses on the work of acclaimed Spanish director Víctor Erice Originally published in hardcover under the title *An Open Window* this expanded edition draws on original essays reprints and new translations from an international group of writers New to this edition are four essays from noted film scholars including editor Linda C Ehrlich as well as three added essays from the filmmaker himself Both the original and new material provide a deeper appreciation of Erice s three feature length films *The Spirit of the Beehive* *El espíritu de la colmena* 1973 *El Sur* 1982 and *Dream of Light* aka *The Quince Tree Sun* *El sol del membrillo* 1992 as well as his shorter works including his most recent accomplishment *La morte rouge* 2006 This anthology examines the aesthetic historical and sociological forces at work in Erice s films and includes an extensive interview with the director This broad array of writings provides insight into not only three unforgettable films but also into twentieth century Spanish society as well as world cinema *The Cinema of Víctor Erice* *An Open Window* will serve as an important resource to measure the career of this director who along with Buñuel Saura and Almodóvar has helped show the world the creative range of Spanish cinema With additional essays translations and illustrations this paperback edition explores new avenues of expression pursued by one of the most poetic of modern filmmakers *An Open Window* Linda Channah Ehrlich,2000 The first book in English exclusively devoted to an analysis of

the films of one of Spain's most important film directors Víctor Erice. Drawing on original essays, reprints, and new translations from an international group of writers, this anthology will help open a window into a deeper appreciation of Erice's three haunting feature-length films. *Motion Picture Series and Sequels* Bernard A. Drew, 2013-12-04 In 1989 alone, for example, there were some forty-five major motion pictures which were sequels or part of a series. The film series phenomenon crosses all genres and has been around since the silent film era. This reference guide, in alphabetical order, lists some 906 English Language motion pictures from 1899 to 1990 when the book was initially published. A brief plot description is given for each series entry, followed by the individual film titles with corresponding years, directors, and performers. Animated pictures, documentaries, and concert films are not included, but movies released direct to video are. *Sax Rohmer's The Insidious Dr. Fu Manchu* Sax Rohmer, 1985 Nayland Smith realizes that the murder of Sir Crichton Davies in his locked study could only be the work of Dr. Fu Manchu, and he sets out to capture the sinister, elusive Tibetan sorcerer. [A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942](#), 1942 [In the Nick of Time](#) William C. Cline, 2012-02-06 By the famous Big Reel columnist, the story of serials from Universal's 1930 *The Indians Are Coming* to Columbia's 1956 *Blazing the Overland Trail*. Fifteen fascinating chapters explain the importance of cliffhangers to the industry as audience builders and product leaders. The serials provided training for actors and served as a technical university for people who later made the television industry work. An appendix lists in order of release all of the sound serials from 1930 through 1956, showing titles, releasing companies, chapter titles, directors, and several cast members. Superb photographs.
