thirty years that he spent immersed in one of the most exciting times in African American music history. An alto saxophonist who between 1939 and 1965 performed with some of America's greatest musicians including Louis Armstrong, Cab Calloway, Charlie Parker, Jay McShann, Andy Kirk, Billie Holiday, Bill Bojangles Robinson, Lionel Hampton, and Ivory Joe Hunter, Evans warmly recounts his wide range of experience in the music industry. Readers follow Evans from Pensacola, Florida, where he first learned to play, to such exotic destinations as Tel Aviv and Paris, which he visited while on tour with Lionel Hampton. Evans also comments on popular New York City venues used for shaping and producing black music, such as the Apollo Theater, the Savoy, Minton's Playhouse, and the Rhythm Club. Revealing Evans as a master storyteller, *Follow Your Heart* describes his stints as a music executive, entrepreneur, and musician. Evans provides rich descriptions of jazz, swing, and rhythm and blues culture by highlighting his experiences promoting tracks to radio deejays under Ray Charles's Tangerine label and later writing, arranging, and producing hits for the Manhattanaires and the Pretenders. Leading numerous musical ventures that included a publishing company and several labels, Cee Jay Records, with Jack Rags, Revival, and Carnival Records, Evans remained active in the music industry even after he stopped performing regularly. As one of the few who enjoyed success as both performer and entrepreneur, he offers invaluable insight into race relations within the industry, the development of African American music and society from the 1920s to the 1970s, and the music scene of the era. *The Beatles on the Charts* Michael A. Ventrella, 2023-03-13 *Billboard* magazine named The Beatles the greatest performing musical act of all time, and their albums continue to chart to this day. This is no surprise to the author, who combed through nearly 60 years of the magazine week by week to compile a list of every song and album that charted. The end result is an intriguing look at the band's influence, including their solo efforts. The author assigns points to the positions of songs and albums on the charts in order to create a list ranging from the least successful to the most successful. Each entry includes a picture of the album cover or single sleeve, along with an analysis of the song or album. Also provided are introductory chapters about the Beatles and an explanation of how the *Billboard* charts have been tabulated and changed over the years. **Catalog of Copyright Entries**, 1929 *Free and Inexpensive Teaching Aids for Music Education* Marguerite Nigro Flanigan, 1964 **The Purchaser's Guide to the Music Industries**, 1973 *The Beatles in Canada: The Origins of Beatlemania!* Piers Hemmingsen, 2016-04-11 By the spring of 1964, Toronto had the largest and most organized Beatles fan base in North America. *The Beatles in Canada: The Origins of Beatlemania* finally tells the true story of how The Beatles' music and popularity began in Canada, a full year before they landed in the U.S.A. Piers Hemmingsen provides a concise look at how radio stations, newspapers, and television networks in Canada covered the phenomenon that was Beatlemania, and this digital edition is packed with full-colour images of the band, their travels, those they inspired, and an immense hoard of memorabilia gathered along the way. After all these years, I still cannot comprehend where Piers gets his energy supply from. He has written four previous books about The Beatles and discovered an appreciative readership for all of them. However, to me, this

book the one you are holding is his breakthrough Where it could have been an easy exercise with new information about the Fab Four Piers has taken one large step forward He is also able to incorporate the beginnings of the Canadian music industry Through mainly focusing on one record company he has been able to capture the excitement of a young industry finding its way competing with the giants in the United States Paul White Capitol Records of Canada 1957 1978 **Buyer's Guide to the Piano, Organ and General Music Trades** ,1996 Presidents on the Net Gary M.
