

Say Good Night Gracie

William Robert Faith, William Faith

Say Good Night Gracie:

Say Goodnight, Gracie! Cheryl Blythe, 1989 *Bob Hope* William Robert Faith, William Faith, 2009-04-24 Reporter What is it like to be Bob Hope? Hope I wouldn't have it any other way. From Bob Hope's early career as an upstart among professionals like Jack Benny and Milton Berle in the rollicking world of traveling comedians to his blazing success as a radio, television, and film star, this completely revised and updated version of William Faith's acclaimed biography takes a straightforward, appreciative, and very funny look at Hope's life and times on the occasion of his 100th birthday. Filled with anecdotes, photographs, and plenty of jokes, the book reveals the real Bob Hope from his boyhood in England and youth in Cleveland to his present status as a living legend: a full-blooded, authentic appraisal of the man and his humor, a comic institution who is also a brilliant businessman, manipulator of the media, and politically influential figure. And of course, Hope is the man who brought laughter and cheer and long-legged beauties to GIs throughout the world. At a time when patriotic fervor has never been running higher, it's worth recalling the singular tribute paid Hope by none other than John Steinbeck. When the time for recognition of service to the nation in wartime comes to be considered, Bob Hope should be high on the list. He gets laughter wherever he goes from men who need laughter. Happy 100th, Bob! **Glasgow Road** Robert Israel, 2006-12

What the Dog Said Randi Reisfeld, 2012-02-28 Ever since her police officer father was killed a few months ago, Grace Abernathy hasn't wanted to do much of anything. She's pulled away from her friends; her grades are plummeting; it's a problem. The last thing Grace wants is to be dragged into her older sister Regan's plan to train a shelter dog as a service dog. But Grace has no idea how involved she'll get, especially when a mangy mutt named Rex starts talking to her. Has Grace gone off the deep end? Or might this dog be something really special, an angel, a spirit? Either way, he is exactly the therapy that Grace needs. **Say Good Night, Gracie!** Cheryl Blythe, Susan Sackett, 1986 Traces the careers of Burns and Allen from their days in vaudeville to their successful television series and includes plot summaries for all 299 episodes of their TV show.

Focus On: 100 Most Popular Vaudeville Performers Wikipedia contributors, *The Reluctant Prince* Linda Cajio, 2013-01-14 Author Linda Cajio ratchets up the intrigue in a thrilling story of two people who are inexorably drawn together and desperate to stay alive. All Emily Cooper wants is some time to heal the wounds from her broken engagement, and Peraco, a city on the Aegean sea, seems like the perfect getaway until a sudden military coup closes the borders and traps her in a roiling chaos of riots and armed patrols. So much for her relaxing European beach vacation. As she retreats to the American Embassy, a mysterious man insists she will be safer with him. Now Emily must trust an actual prince with her life and resist the temptation to surrender to his intoxicating charms. Despite his royal family, Alex Kiros works hard to have a normal everyday life in the States. He came back to Peraco to open a branch of his computer business, unaware that his uncle was about to go off the deep end and plunge the country into chaos. Now Alex is desperate to keep his presence in the city a secret while keeping this American tourist safe at the same time. The odds of them both getting out alive are slim, but there's

something about Emily Cooper that makes Alex want to protect her at any cost Includes a special message from the editor as well as excerpts from these Loveswept titles *The Escape Diaries* *The Devil s Thief* and *The Magic Dark Yesterdays - Bright Tomorrows* Lionel Harris,2020-05-15 Book Delisted *Emily Post's Etiquette, The Centennial Edition* Lizzie Post,Daniel Post Senning,2022-10-04 This centennial edition of Emily Post s classic guide to etiquette has been completely rewritten with up to date and comprehensive advice on the need to know manners customs and best practices of today For the past one hundred years Emily Post has been America s definitive source for how to navigate and enhance every social interaction In an increasingly diverse and intersectional world the need for a trusted primer on how to put people at ease and treat others with confidence and kindness has never been greater Lizzie Post and Daniel Post Senning the great great grandchildren of Emily Post and co presidents of The Emily Post Institute provide a fully updated and relatable guide From advice on entertaining table manners and using titles and pronouns to personal and professional communication etiquette this stylish and essential reference provides thoughtful guidance on how to do it all well Rooted in a foundation of consideration respect and honesty this edition continues the Post family legacy of upholding traditions while moving forward with the times The book covers Etiquette classics like table manners gift giving thank you notes greetings and introductions and everyday conversation How to be a good host and a good guest from handling invitations and setting yourself up for success to plus ones and dealing with mishaps Tech etiquette including video meetings parties and classes and how to politely handle devices home security and AI Managing hard times from what to say and what not to say to the tradition of condolence notes and how to offer support following a death miscarriage or tragedy Tipping practices in the age of rideshares tough times and ever prominent payment screens This book also includes handy reference guides for each chapter that make it easy to find the Posts most searched for content like a gender free attire guide a soup to nuts entertaining chart sample invitations and more With Emily Post s *Etiquette The Centennial Edition* you ll have everything you need to build successful relationships in all aspects of life as you move through your world with confidence and ease *The Firebird Deception* Cate Dermody,2006 It should have been simple Get in get the goods get out Yet what should be simple almost never was Once more Alisha MacAleer was racing around Europe this time searching for the black box from a downed aircraft Yet for the first time as a CIA agent she doubted her work and her superiors Too many people were able to trace her movements Was there a double or triple agent in the CIA How else could the dangerous almost mythical group known as the Sicarii have targeted her The worst problem She d discovered the only person she could rely on was the man who d once broken her heart by shooting her in the back **Judicial Independence at the Crossroads** Stephen B Burbank,Barry Friedman,2002-04-02 The authors provide an excellent examination of judicial independence that tends to raise more questions than answers a fascinating book that raises important questions about a concept that is often used but that is poorly understood I would highly recommend this book for all scholars of public law because of its richness of information as
