**Hitman** Bret Hart, 2025-05-01 Bret Hart s honest perceptive startling account of his life in and out of the pro wrestling ring Wrestling fans will eat up all the backstage drama Publishers Weekly The sixth born son of the pro wrestling dynasty founded by Stu Hart and his elegant wife Helen Bret Hart is a Canadian icon He achieved superstardom in pink tights and won multiple wrestling belts in multiple territories for both the WWF now the WWE and WCW But he also paid the price in betrayals most famously by Vince McMahon a man he had served loyally in tragic deaths including the loss of his brother Owen who died when a stunt went terribly wrong and in his own

massive stroke most likely resulting from a concussion he received in the ring and from which with the spirit of a true champion he has battled back Widely considered by his peers as one of the business's best technicians and workers Hart describes pro wrestling as part dancing part acting and part dangerous physical pursuit He is proud that in all his years in the ring he never seriously hurt a single wrestler yet did his utmost to deliver to his fans an experience as credible as it was exciting He also records the incredible toll the business takes on its workhorses he estimates that twenty or more of the wrestlers he was regularly matched with have died young weakened by their own coping mechanisms namely drugs alcohol and steroids That toll included his own brother in law Davey Boy Smith No one has ever written about wrestling like Bret Hart No one has ever lived a life like Bret Hart's *Accidental Hitman* A.W. Humorous and explosive a thrilling and exciting tale RT Book Reviews 4 Stars Is that a gun in his pocket or Jamie Fields can hardly refuse a free vacation Jobless and broke the struggling single gal is in need of serious stress relief Sure the set up is suspicious no one gives away a trip to exotic Cuba complete with 50 000 dollars cash just for delivering a package But once Jamie's enjoying sunny beach days and exhilarating tropical nights she's too happy to care Especially when she finds herself hotly pursued by a sexy stranger The McCoy empire is under siege and Sam Hayes has been tapped to take care of the culprit Sam knows better than to get involved with his target but there's something about Jamie that keeps him from simply

finishing the job and moving on Maybe the hard bodied hitman just can't wrap his mind around the fact that the first woman to set his soul on fire is a common criminal The only thing Sam can do is keep her close An easy enough task if Sam doesn't do something stupid Like fall in love with the bombshell he was sent to kill      *The Hitman's Daughter* Carlyne Topdjian, 2022-02-22 The Chateau du Ciel was once the destination for the rich and famous to play drink and ski complete with a private railway to shuttle those desiring extra privacy now however the guests are few and far between The New Year's Eve party was supposed to hoist the rundown hotel back to its former status until a massive blizzard hits trapping the guests who've come to celebrate the grand hotel's last hurrah The circumstances might even be romantic if the hotel wasn't reputed to be haunted When hotel employee Mave Michael finds the resident artist dead and shortly thereafter hotel security finds Mave alone with the body the reputation that Mave has fought long and hard to outrun comes back to haunt her You see her father is a notorious hitman who is serving multiple life sentences in prison She has changed her name and location dozens of times but he somehow manages to track her down even sending her a postcard on the eve of her birthday January 1st She's the perfect choice to frame for murder and now the number one suspect Mave can no longer deny the lessons in survival her father taught her and calls on that and her uncanny sixth sense in finding lost objects to navigate the maze of the hotel To save herself she not only has to stop running from her own past she must unearth the history of the hotel its elite guests and buried secrets one deadly sin at a time An homage to classic gothic horror that proves that the ghosts of family and classism are alive and well      Pehoe Marion Plummer Scott, 2013-07 When an unwed mother is abandoned and gives birth to her new born twins with HIV she goes on an obsessive search to find the man who affected her But every path she ventures down looking for him only leads her back to it It's finally after learning the values of friendship and self determination that she locates him and the local hometown people are united in supporting rather than destroying each other
