Legalized Prostitution in Germany Annegret Staiger,2022-02 Germany has been infamously dubbed the Brothel of Europe but how does legalized prostitution actually work Is it empowering or victimizing realistic or dangerous In Legalized Prostitution in Germany Annegret D Staiger s ethnography engages historical cultural and legal contexts to reframe the brothel as a place of longing and belonging of affective entanglements between unlikely partners and of new beginnings across borders while also acknowledging the increasingly exploitative labor practices By sharing the stories of sex workers clients and managers within the larger legal system meant to provide dignity and safety through regulation Staiger skillfully frames the economic aspects of commercial sex work and addresses important questions about sexual labor intimacy and relationships Weaving insightful scholarship with beautiful storytelling Legalized Prostitution in Germany provides readers with a deeper understanding of the complexities of legalized prostitution

Germany 1989 Lothar Kettenacker,2014-01-14 In autumn 1989 the world watched transfixed as East German citizens demonstrating under the banner We are the people staged the only successful totally peaceful revolution in German history By October 1990 the process of reunification was formally concluded bringing together a nation that had been divided for almost four decades Now nearly twenty years later it is possible to judge the causes and consequences of the revolution more clearly Was the fall of the Berlin Wall an unexpected fluke or was it in fact the result of a long process of engagement between East and West And did the momentous events of 1989 really signal the start of a bright new future for a united Germany In this probing and wide ranging account Lothar Kettenacker considers the background behind the division of Germany and explains how the Berlin Wall and its death trap border proved to be the most horrendous manifestation of East West antagonism He also looks beyond 1990 to show how the confusion caused by the sudden collapse of the GDR and the fusion of two radically different economies is proving to be a challenge that will preoccupy Germany for generations to come

Look Away Jacob Kushner,2024-05-07 A thrilling narrative investigation into the National Socialist Underground NSU a German terror organization that targeted immigrants and how a government failed to stop it Not long after the Berlin Wall fell three teenagers became friends in the East German town of Jena It was a time of excitement but also of deep uncertainty some four million East Germans found themselves out of work The friends began attending far right rallies with people who called themselves National Socialists Nazis And like the Hitler led Nazis before them they blamed minorities for their ills From 2000 to 2011 they embarked on the most horrific string of white nationalist killings since the Holocaust Their target immigrants Look Away follows Beate Zsch pe and her two accomplices and sometimes lovers as they became radicalized

within Germany's far right scene escaped into hiding and carried out their terrorist spree Unable to believe that the brutal killings and bombings were being carried out by white Germans police blamed and sometimes framed the immigrants instead Readers meet Gamze Kuba k whose family emigrated from Turkey to seek safety only to find themselves in the terrorists sights It also tracks Katharina K nig an Antifa punk who would help expose the NSU and their accomplices to the world A masterwork of reporting and storytelling Look Away reveals how a group of young Germans carried out a shocking spree of white supremacist violence and how a nation and its government ignored them until it was too late **The Week in**
