Robert Murray M'Cheyne Bonar, 1872 The Whole Works of Robert Leighton, Archbishop of Glasgow Robert Leighton, John Norman Pearson, 1859 **Looking for God** Chuck Hillig, 2006-07-25 Yes this is a very holey book It uses spatial emptiness to share a profound and universal Truth that can in fact only be pointed to Words can only take you so far After that there s only the Void This book is a reminder that the ultimate riddle of your life might not be found in what you want to become enlightened but only in the sudden realization of what in fact you already are what is By referring to the empty hole in the center of this book the Author is also pointing to the empty void in the center of you too In short Truth is not really about becoming anything at all as much as it is about being everything that is The Eternal Void Empty your thoughts and look inside Be ready to discover that deep down you ve got the whole world in your hands The Cure for GOD'S Epidemic Roshi Bharat, 2014-09-15 THE CURE FOR GOD S EPIDEMIC is a revolutionary book dedicated to last reformer of India who

wanted to create a worldwide religious revolution He was a saint and an intellectual warrior By his name the minds of Priests Acharyas Pundits and Mullahs tremble with fear This book is based on logic and reasoning a book which opens up Hinduism and sheds light on Islam and Christianity This book will make you to think who you are and why you are on this planet For Hindus it will be an eye opener as what they have been practicing so far and even practice today is not what Hindu Dharma is This book is bound to touch your inner soul and mind The Book focuses for the first time in the History of religions on the following topics Is Ram Krishna Jesus Allah etc a GOD or not Who is the True GOD and does GOD exists a scientific approach Concept of GOD Matter and Prana i e the Life Force What is True Spirituality How can all religions live in peace Theory of Karma from Scientific angle How is the universe created How was the human created first What happens after death Why one should NOT marry with cousins or direct blood What the Universe is made up of Demolishing Big Bang Theory Unified Theory of Creation Concept of Prana What is Space *It Is the Same Light* Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the *It Is The Same Light* series SGGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand
