The Days of Darkness Donald J. Richardson, 2009-03-18 I began writing *The Days of Darkness* in 1972. Where the story came from, I don't recall, only that I envisioned a man running for his life. Perhaps there is some connection to the writings of William Faulkner, whose works I was studying at the time. At any rate, I wrote only a few thousand words before laying the manuscript aside. Over the next few years, I added to it, but I think I didn't have a clear notion of where the story was going or what was to happen. Only after three decades had elapsed did I return to the writing. As I re-read it, I began to formulate a notion of what to do with it and to explore where it might be directed. Gradually, I resumed writing and added characters, discovering where it was leading and following some unstated inclination or impetus. Soon it began to take shape, forcing me to deal with the larger issues of North versus South, black versus white, justice versus injustice, and man versus woman. I suppose *The Days of Darkness* is in some arcane way allegorical. But it isn't possible for me

to explain that or even to explore it to me it's just a story I wrote in which I try to say something meaningful I think that is what all stories try to do *Center Hill* Maury M. Haraway, 2011-05 The Henshaw family moved to the wild country of Desoto County Mississippi with the departure of the Chickasaws in 1836 They farmed the rich land hunted the rivers and streams and struggled against slave robbers and outlaws They were aided by their fast friend Push pun tubby a member of the Chickasaw nation who remained behind after the migration of his people to Oklahoma Hern fell in love with the beautiful daughter of a neighboring family They had a beautiful courtship before they were separated by circumstances they failed to control from back jacket Much of the action is fiction but the places are factual from Author note **Everyone Loves**
