**The Book of Love** James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived [Love Guide](#) Joshua Ayo Oyebade, Prince, Good Publications International, 2005 New ideas and secrets to make you happy in your love life modern day dangers of Internet dating

**The Possibility of Love** Kathleen O'Dwyer, 2009-01-14 The Possibility of Love is an exploration of a concept close to the human heart Grounded in the ordinary everyday experiences of human living the book provides an exploration of the diverse obstacles to the experience of love the consequences of love's absence and the unquenchable desire for love which propels influences and ultimately motivates much of human behaviour The Possibility of Love poses the question is love actually possible between human beings or is it an ideal a fantasy an illusion or a comforting aspiration which enables a palliative denial and distortion of the reality of human being This expansive question is approached through an interdisciplinary analysis The author addresses the question of love's possibility as it is explored in a selection of literature from the disciplines of philosophy psychoanalysis and poetry The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines and that this interconnection enables a unique and insightful exploration of the question of love's possibility Thus the question is explored from diverse view points and also from different time frames convergences and divergences are noted and discussed and conclusions are drawn from the ensuing findings The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge wisdom and truth Thus it is a uniquely honest exploration of human nature in contemporary times [Love Online](#)
