

# Why Join a Support Group?

1

**You'll meet people who share your concerns.**

Most support groups focus on a specific topic. You'll meet others who are facing the same issue you are, such as living with cancer, overcoming substance abuse, or caring for a loved one with dementia.

2

**You'll share resources and information.**

You share what you want to share—or simply listen. You'll learn from people's experiences. You'll find answers to questions.

3

**Groups meet in person and also virtually.**

To find a group, search online, or contact your local hospital, house of worship, or ask your health care provider for a referral. Your work-life program or EAP can also help you find one.

4

**You'll feel less alone.**

A support group is a place to find friendship, understanding, and a sympathetic ear. Others can't solve your problems, but they can help carry a bit of the load.

unruly ghosts on their side of the portal between the human and spirit realms But when she feels the energy radiating from the megalithic standing stones dotting the countryside around Carnac France an energy that feels frighteningly like the power exuding from the portal in her basement back home she has a feeling she might be in trouble And she is right When her grandfather goes missing Tallis leaps into action She calls the only ghostbuster she knows in France and with help on the way she gears up to battle another set of spirits bent on causing destruction Along the way Tallis is forced to examine her life her relationships and her tightly held beliefs about who she is and where she comes from She also has to juggle two impossible males both attractive but annoying both seemingly set on driving her nuts or breaking her heart      **Loving**
