Oh, the Deep, Deep Love of Jesus Michael A. Milton, 2007-01-01 John 17 contains the greatest intercessory prayer every

prayed from this earth The Apostle John reveals Jesus of Nazareth in full disclosure of his self identity going to His Father not only for His disciples then but also for his disciples now Drawing from this remarkable chapter of the Bible Dr Michael A Milton has sought to capture the timeless spiritual truths that Jesus prayed and to apply them to the lives of his congregation In this book all of us can now benefit from these insights Retaining the live feel of an actual worship service at First Presbyterian Church of Chattanooga Tennessee where these messages were first delivered the reader can expect an appealing mixture of faithful Bible exposition alert concern for the times in which we live and heartfelt pastoral application to the lives of real people Each chapter concludes with questions for devotional study or for small groups You shall thank your enemies and love your story Madeline Bosio,2018-04-21 The book explains and describes the pathways leading to neurotic behaviours beginning from early years of life when we set up behavioural patterns that turn out to be fallacious as regard our needs as well as our interactions with others There are dreams which are defensive constructions in the name of unsatisfied needs of our childhood against realities and family dynamics too different and dangerous to cope with in a developmental stage when a child has no instruments to face or deal with such troubled waters Certain fears in adulthood overwhelming though irrational to intellect are the outcome of those moments when a child was unable to face reality being at the mercy of oneself impotent thus in danger and without a protecting caregiver In this healing process shared with a psychotherapist in a long and painful revisitation of what occurred the unveiling of an emotional world silenced long ago we dismantle paths built with so much struggle When we plough into the past with the experiential model there will be a change in our way of being and an enrichment in our interactions with others The book has a second part dealing with sex abuse in childhood and disruptive relationships Wind Shadow Renee Roszel,2014-02-04 Silky is no quitter This month long bicycle trip across summertime Alaska is her chance to get Rex back Yes he d made a mistake and she d divorced him for it But she has no intention of failing at this marriage Then there is the complication the cop Wade When she met him she d made a complete idiot of herself and low and behold here he is on the same darned vacation Getting Rex back is her only objective So why does she keep tumbling into Wade s arms He s made it clear he isn t looking for anything but casual relationships She thought she d made a big enough fool of herself when they met So just how big a fool will she make of herself with one man while trying to win back another PRAISE FOR RENEE ROSZEL She is delightful eloquent and humorous all in one Rendezvous Magazine Talented realistically excellent characterization Romantic Times **Billboard** ,1983-02-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
