## **Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context:**

**Modelling Early Christianity** Philip Esler, 2002-11 Explores the fascinating and foreign social context of first century Palestine and the Greco Roman East in which the Christian faith was first proclaimed and the New Testament written so enabling a better understanding of the texts

**The Struggle over Class** G. Anthony Keddie, Michael Flexsenhar III, Steven J. Friesen, 2021-10-08 An interdisciplinary discussion engaging classics archaeology religious studies and the social sciences

The Struggle over Class brings together scholars from the fields of New Testament and early Christianity to examine Christian texts in light of the category of class Historically rigorous and theoretically sophisticated this collection presents a range of approaches to and applications of class in the study of the epistles the gospels Acts apocalyptic texts and patristic literature Contributors Alicia J Batten Alan H Cadwallader Cavan W Concannon Zeba Crook James Crossley Lorenzo DiTommaso Philip F Esler Michael Flexsenhar III Steven J Friesen Caroline Johnson Hodge G Anthony Keddie Jaclyn Maxwell Christina Petterson Jennifer Quigley Elisabeth Schüssler Fiorenza Danielle Sloom and Emma Wasserman challenge both scholars and students to articulate their own positions in the ongoing scholarly struggle over class as an analytical category

**Johannine Sectarianism in Perspective** Kåre Fuglseth, 2005 The investigation evaluates the nature of the Johannine community by using sociological research on new religious movements today and by comparing John with Philo and the Dead Sea Scrolls This novel procedure in Johannine research generates several alternative characteristics of John

**The Cambridge Companion to Biblical Interpretation** John Barton, 1998-07-28 This guide to the state of biblical studies features 20 chapters written by scholars from North America and Britain and represents both traditional and contemporary points of view

**The Early Christian Centuries** Philip Rousseau, 2014-06-06 Charting the first six hundred years of the Christian movement THE EARLY CHRISTIAN CENTURIES carries the reader from the world of second temple Judaism to the Byzantine age the rise of Islam and the beginnings of medieval European polities With a combination of rare tact and acuity Philip Rousseau takes the measure of a generation of scholarship on early Christianity and the late Roman world He stresses the importance of shifting historical consciousness the continuity and development of ideas and the urge for social respectability Paying the greatest attention to the inner components of Christian life the resulting story captures fully the major figures Paul the gospel writers the early apologists and the great figures of the patristic age including the Cappadocian Fathers Augustine and Gregory the Great

**The Early Christian World** Philip Esler, 2017-07-20 Since its publication in 2000 The Early Christian World has come to be regarded by scholars students and the general reader as one of the most informative and accessible works in English on the origins development character and major figures of early Christianity In this new edition the strengths of the first edition are retained These include the book's attractive architecture that initially takes a reader through the context and historical development of early Christianity the essays in critical areas such as community formation everyday experience the intellectual and artistic heritage and external and internal challenges and the

profiles on the most influential early Christian figures The book also preserves its strong stress on the social reality of early Christianity and continues its distinctive use of hundreds of illustrations and maps to bring that world to life Yet the years that have passed since the first edition was published have seen great advances made in our understanding of early Christianity in its world This new edition fully reflects these developments and provides the reader with authoritative lively and up to date access to the early Christian world A quarter of the text is entirely new and the remaining essays have all been carefully revised and updated by their authors Some of the new material relates to Christian culture including book culture canonical and non canonical scriptures saints and hagiography and translation across cultures But there are also new essays on Jewish and Christian interaction in the early centuries ritual the New Testament in Roman Britain Manichaeism Pachomius the Great and Gregory of Nyssa This new edition will serve its readers for many years to come *Sex, Wives, and Warriors* Philip Francis Esler, 2012-01-01 Suggesting new ways to read Old Testament narrative and giving reasons why we should Esler with the aid of Mediterranean anthropology sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities and how they foster our capacity for intercultural understanding **The Use of Sobriquets in the Qumran Dead Sea Scrolls** Matthew A. Collins, 2011-11-03 This book constitutes an examination of key sobriquets found among the Qumran Dead Sea Scrolls Its primary focus is literary rather than historical and concentrates on the function of the sobriquets as labels utilised positively or negatively within the sectarian compositions Noting the presence of standard and variant forms of these designations this study examines the differing form and function of the sobriquets across the range of texts in which they appear More specifically it attempts to demonstrate that over time they underwent a developmental process changing in form and perhaps denotation Adopting a chronological schema that posits a Formative Early and Late Sectarian Period and concentrating on the sobriquets the Teacher of Righteousness and the Spouter of the Lie this investigation observes a development from contextualised scriptural typologies towards titular forms constituting discrete elements of sectarian terminology A more general evolutionary trend towards a definite standard form is also highlighted with so called variants representing earlier stages in this process further demonstrated by means of a supplementary case study involving the sobriquet the Seekers of Smooth Things Comparison of these results with sociological insights drawing upon the sociology of deviance and labelling theory suggests that this phenomenon can be understood against a wider context of labelling practices Thus it is demonstrated that the sobriquets function as tools for labelling deviance and affirming positive counterparts Furthermore it is suggested that the move towards definite titular forms reflects a process of role engulfment increased prototypically and the ultimate acquisition of master status **Echoes from the Caves** F. Garc-A Mart-Nez, 2009 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has

emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible

*The Epistle of James* James D. Dvorak, Zachary K. Dawson, 2019-07-25 The Epistle of James is a collection of essays that applies to the book of James linguistic methods of analysis that are based on the same theoretical framework namely Systemic Functional Linguistics This volume is unique in that it provides a theoretically consistent and unified approach to a single New Testament book which makes the whole volume useful for researchers and students of James Each essay makes its own creative use of this linguistic perspective to engage important critical questions and to pave new ground for Jacobean scholarship based on linguistic analysis Various topics in this volume include the textual structure and cohesion of the letter intertextuality rhetorical strategies ideological struggle interpersonal relations and other topics related to the letter s social context and language use

**The New Cambridge Companion to Biblical Interpretation** Ian Boxall, Bradley C. Gregory, 2022-12-22 This volume provides an up to date introduction to the diverse ways the Bible is being interpreted by scholars in the field

*Paul and God's Temple* Albert L. A. Hogeterp, 2006 Paul addresses his readers as God s Temple in his Letters to the Corinthians which are among the earliest documents of Christianity This volume provides a synthesis of the historical and exegetical dimensions to Paul s cultic imagery Previous theories spiritualisation substitution comparative religions approach cannot stand in view of the analysis of the broader historical context as well as reconsideration of Paul s theological perspective This historical interpretation integrates relevant Qumran texts published since the 1990 s insights about the early Jesus movement s Jewish origins and canonical as well as extra canonical Gospels in the discussion about cultic imagery Paul and God s Temple sheds new light on Paul s relation to contemporary Judaism and temple theological traditions while putting Paul s cultic imagery in a rhetorical critical and reader oriented perspective

*Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars

are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

***Ritual and Christian Beginnings*** Risto Uro, 2016-04-28 The rise of early Christianity has been examined from a myriad of perspectives but until recently ritual has been a neglected topic *Ritual and Christian Beginnings* A Socio Cognitive Analysis argues that ritual theory is indispensable for the study of Christian beginnings It also makes a strong case for the application of theories and insights from the Cognitive Science of Religion a field that has established itself as a vigorous movement in Religious Studies over the past two decades Risto Uro develops a socio cognitive approach to the study of early Christian rituals seeking to integrate a social level analysis with findings from the cognitive and evolutionary sciences *Ritual and Christian Beginnings* provides an overview of how ritual has been approached in previous scholarship including reasons for its neglect and introduces the reader to the emerging fields of Ritual Studies and the Cognitive Science of Religion In particular it explores the ways in which cognitive theories of ritual can shed new light on issues discussed by early Christian scholars and opens up new questions and avenues for further research The socio cognitive approach to ritual is applied to a number of test cases including John the Baptist the ritual healing practiced by Jesus and the early Christians the social life of Pauline Christianity and the development of early Christian baptismal practices The analysis creates building blocks for a new account of Christian beginnings highlighting the role of ritual innovation cooperative signalling and the importance of bodily actions for the generation and transmission of religious knowledge

***Gossiping Jesus*** John W. Daniels Jr., 2013-09-10 Readers of the Gospels are typically attuned to the words of Jesus while paying comparatively little attention to what other characters in the narratives say about him This innovative study of John's Gospel looks at the text through the lens of a routinely misunderstood mode of speech namely gossip Focusing on talk about Jesus in John the author unpacks the intricate relationship between gossip and various social dynamics of Jesus' world demonstrating how they collude to construct Jesus' identity Ultimately it is suggested that John presents a Jesus whose identity is elusive to both outsiders like the Pharisees and insiders like his disciples and thus models the importance if not the sheer necessity of the ongoing public discourse around the question Who is Jesus

***Fair Play: Diversity and Conflicts in Early Christianity*** Ismo Dunderberg, Christopher Tuckett, Kari Syreeni, 2014-04-09 This collection of essays in honour of Heikki Rönkä, a New Testament professor at the University of Helsinki, consists of 22 essays written by his colleagues and students on Jesus, the gospels, Paul, early Christianity and biblical interpretation Rönkä's own research has been characterized by methodological awareness combined with a keen interest in ethical issues Both these aspects come to expression in his insistence on fair play as a correct scholarly attitude involving an honest dialogue, a real encounter and a recognition of diverging opinions In this spirit most of the essays in this book lay emphasis on issues related to early Christian diversity and conflicts and to their challenge in modern society The book is useful for scholars, academic teachers

and students interested in various aspects of the New Testament early Christianity and hermeneutics T&T Clark Handbook of Anthropology and the Hebrew Bible Emanuel Pfoh, 2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible *The Early Christian World* Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone studying this period *The Exorcism Stories in Luke-Acts* Todd Klutz, 2004-06-24 This 2004 book in English integrates detailed literary criticism of the exorcism stories in Luke Acts with wide ranging comparative study of ancient sources on demonology spirit affliction and exorcistic healing Methods from systemic functional linguistics and critical theory are explained and then applied to each story Careful focus is placed on each narrative s linguistic functions and also on relevant aspects of its literary co text and the wider context of culture Implications of the analysis for the new perspective on Luke Acts especially the implied author s relationship with Judaism are explored in relation to the

Lukan stories original context of reception Largely neglected interfaces between Luke s narrative representation of exorcism and emerging academic discourse about religious experience shamanism health care in antiquity ritual performance and ancient Jewish systems of impurity are probed in ways that shed fresh light on this supremely alien part of the Lukan writings

**Jesus, Paul, and Power** Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity s historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities

### **Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Introduction**

Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Offers a diverse range of free eBooks across

## **Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context**

various genres. Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context, especially related to Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context books or magazines might include. Look for these in online stores or libraries. Remember that while Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context eBooks, including some popular titles.

### **FAQs About Modelling Early Christianity Social Scientific Studies Of The New Testament In Its Context Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital
