Modern American English Grammar:

Garner's Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's *Modern American Usage* 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved *Modern American English Grammar* Shiang-chuan Jih, 1993 **Garner's Modern American Usage** Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors **Oxford Modern English Grammar** Bas Aarts, 2011-02-10 Oxford Modern English Grammar is Oxford's brand new and definitive guide to English grammar This book has been written by a leading expert in the field covers both British and American English and makes use of authentic spoken and written examples Arranged in four clear parts for ease of use its comprehensive coverage ranges from the very basic to the most complex aspects of grammar all of which are explained clearly yet authoritatively This descriptive source of reference is invaluable for those with an interest in the English language undergraduate and postgraduate students and for anyone who would like a clear guide to English grammar and how it is used *Some Systems of Substitution Correlations in Modern American English* Ruth Crymes, 2018-12-03 No detailed description available for *Some Systems of Substitution Correlations in Modern American English* **The Verb System of Present-Day American English**, 2017-12-04 No detailed description available for *The Verb System of Present Day American English* *Garner's Modern English Usage* Bryan A. Garner, 2016 The authority on grammar usage and style [Undergraduate Catalog](#) University of Michigan--Dearborn, 2006 **The Handbook of English Linguistics** Bas Aarts, April McMahon, 2008-04-15 The Handbook of English Linguistics is a collection of articles written by leading specialists on all core areas of English linguistics that provides a state of the art account of research in the field Brings together articles from the core areas of English linguistics including syntax phonetics phonology morphology as well as variation discourse stylistics and usage Written by specialists from around the world Provides an introduction to a key area of English Linguistics and includes a discussion of the most recent theoretical and descriptive research as well as extensive bibliographic references *English Traditional Grammars*

Gerhard Leitner,1991-01-01 Until recently grammars of English have received surprisingly little scholarly attention while a lot of research is done on dictionaries It appears however that learners of English shy away from modern grammars and prefer to consult dictionaries or traditional reference grammars instead This raises questions as to the relationship between theoretical linguistics and grammar writing and calls for more research into this area especially for the period from 1800 onwards which was crucial for the development of grammatical thinking and its acceptance or rejection at all educational levels today This volume brings together work from international experts on the historiography of English grammar writing who deal with a variety of topics grouped into three overlapping sections I Native Grammars of English II Non native Grammars of English and III Grammatical Analyses The volume includes summaries of the articles and a name index

Forum ,1994 **A tagmemic comparison of the structure of English and Vietnamese sentences** Du'o'ng Thanh Binh,2017-12-04 No detailed description available for A tagmemic comparison of the structure of English and Vietnamese sentences

An Historical Syntax of the English Language F.Th. Visser,2023-05-08 Frederik Theodor Visser s An Historical Syntax of the English Language published in four massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in English linguistics Visser s achievements can hardly be overestimated Before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time This has made this publications an indispensable resource for anyone investigating the history of English syntax This reproduction of Visser s volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate Having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance

A Survey of Modern English Stephan Gramley,Kurt-Michael Pätzold,2004-02-24 Fully revised and updated the second edition of this authoritative guide is a comprehensive scholarly and systematic review of modern English In one volume the book presents a description of both the linguistic structure of present day English and its geographical social gender and ethnic variations Covering new developments such as the impact of email on language and corpus based grammars this accessible text has been extensively rewritten and brings the survey of modern English right up to date It also offers new examples and suggestions for further reading

Learning Directory ,1970 *One Language, Two Grammars?* Günter Rohdenburg,Julia Schlüter,2009-01-22 This volume focuses on British American differences in the structure of words and sentences The first full length treatment of the topic it will be of interest to scholars working within the fields of English historical linguistics language variation and change and dialectology

Research in Education ,1969-05 **Prescription and Tradition in Language** Ingrid Tieken-Boon van Ostade,Carol Percy,2016-11-14 This book contextualises case studies across a wide variety of languages and cultures crystallising key interrelationships between linguistic standardisation and prescriptivism and between ideas and

practices It focuses on different traditions of standardisation and prescription throughout the world and addresses questions such as how nationalistic idealisations of traditional language persist or shift amid language change linguistic variation and multilingualism The volume explores issues of standardisation and the sociolinguistic phenomenon of prescription as a formative influence on the notional standard language as well as the interconnections between these in a wide range of geographical contexts It balances the otherwise strong emphasis on English in English language publications on prescriptivism and breaks new ground with its multilingual approach across languages and nations The book will appeal to scholars working within different linguistic traditions interested in questions relating to all aspects of standardisation and prescriptivism

English Usage Guides Ingrid Tieken-Boon van Ostade, 2018 This volume explores both historical and current issues in English usage guides or style manuals Chapters look at how and why these guides are compiled and by whom what sort of advice they contain how they differ from grammars and dictionaries and how attitudes to usage have changed
