

Modern Britain

John L. Irwin

Modern Britain:

The Shaping of Modern Britain Eric Evans,2014-01-14 In this wide ranging history of modern Britain Eric Evans surveys every aspect of the period in which Britain was transformed into the world's first industrial power By the end of the nineteenth century Britain was still ruled by wealthy landowners but the world over which they presided had been utterly transformed It was an era of revolutionary change unparalleled in Britain yet that change was achieved without political revolution Ranging across the developing empire and dealing with such central institutions as the church education health finance and rural and urban life *The Shaping of Modern Britain* provides an unparalleled account of Britain's rise to superpower status Particular attention is given to the Great Reform Act of 1832 and the implications of the 1867 Reform Act are assessed The book discusses the growing role of the central state in domestic policy making the emergence of the Labour party the Great Depression the acquisition of a vast territorial empire Comprehensive informed and engagingly written *The Shaping of Modern Britain* will be an invaluable introduction for students of this key period of British history

A History of Modern Britain Andrew Marr,2009-07-03 *A History of Modern Britain* by Andrew Marr confronts head on the victory of shopping over politics This edition also includes an extra chapter charting the course from Blair to Brexit It tells the story of how the great political visions of New Jerusalem or a second Elizabethan Age rival idealisms came to be defeated by a culture of consumerism celebrity and self gratification In each decade political leaders think they know what they are doing but find themselves confounded Every time the British people turn out to be stroprier and harder to herd than predicted Throughout Britain is a country on the edge first of invasion then of bankruptcy then on the vulnerable front line of the Cold War and later in the forefront of the great opening up of capital and migration now reshaping the world This history follows all the political and economic stories but deals too with comedy cars the war against homosexuals Sixties anarchists oil men and punks Margaret Thatcher's wonderful good luck political lies and the true heroes of British theatre

Modern Britain Sean Glynn,Alan Booth,2020-08-17 *Modern Britain* focuses on two major periods of British history the interwar period and postwar Britain The authors compare and contrast developments in the two periods dealing with the themes of growth and welfare industry labour social policy the economy Combining a narrative with a conceptual and analytic approach *Modern Britain* provides an end of century review of progress and decline and an essential background to current polemics and major issues of concern Clearly structured and written this is an invaluable textbook for students of twentieth century British history

Modern Britain, 1750 to the Present James Vernon,2017-04-20 An introductory textbook charting a global history of modern Britain from 1750 to the present

The Humanist Movement in Modern Britain Callum G. Brown,David Nash,Charlie Lynch,2022-12-15 Humanists have been a major force in British life since the turn of the 20th century Here leading historians of religious non belief Callum Brown David Nash and Charlie Lynch examine how humanist organisations brought ethical reform and rationalism to the nation as it faced the moral issues of the modern world This book provides a

long overdue account of this dynamic group Developing through the Ethical Union 1896 the Rationalist Press Association 1899 the British Humanist Association 1963 and Humanists UK 2017 Humanists sought to reduce religious privilege but increase humanitarian compassion and human rights After pioneering legislation on blasphemy laws dignity in dying and abortion rights they went on to help design new laws on gay marriage and sex and moral education Internationally they endeavoured to end war and world hunger And with Humanist marriages and celebration of life through Humanist funerals national ritual and culture have recently been transformed Based on extensive archival and oral history research this is the definitive history of Humanists as an ethical force in modern Britain **Early Modern Britain's Relationship to Its Past**

Philip Mark Robinson-Self,2019-01-14 This volume considers the reception in the early modern period of four popular medieval myths of nationhood the legends of Brutus Albina Scota and Arthur tracing their intertwined literary and historiographical afterlives The book thus speaks to several connected areas and is timely on a number of fronts its dialogue with current investigations into early modern historiography and the period s relationship to its past its engagement with pressing issues in identity and gender studies and its analysis of the formation of British national origin stories at a time when modern Britain is seriously considering its own future as a nation **A History of Modern Britain** Ellis

Wasson,2009-08-17 A History of Modern Britain 1714 to the Present presents a lively introduction to the history of the modern British Isles from the Hanoverian succession to the present day Develops themes of tradition and change the role of the four nations of the British Isles and Britain in a world context Complements the narrative with descriptions of fascinating personalities from Britain s past from the arsonist James Aitken and the female adventurer Jane Digby to the celebrity footballer George Best Includes features to help orientate the reader illustrations maps royal family genealogies chronology and glossary online supplements include preliminary chapter from 1688 An accompanying website containing additional support and materials for lecturers and students is available at www.wiley.com/go/wasson *Film and Video Censorship in*

Modern Britain Julian Petley,2011-05-17 How does film and video censorship operate in Britain Why does it exist And is it too strict Starting in 1979 the birth of the domestic video industry and the first year of the Thatcher government this critical study explains how the censorship of films both in cinemas and on video and DVD has developed in Britain As well as presenting a detailed analysis of the workings of the British Board of Film Classification Petley casts his gaze well beyond the BBFC to analyse the forces which the Board has to take into account when classifying and censoring These range from laws such as the Video Recordings Act and Obscene Publications Act and how these are enforced by the police and Crown Prosecution Service and interpreted by the courts to government policy on matters such as pornography In discussing a climate heavily coloured by 30 years of lurid video nasty stories propagated by a press which is at once censorious and sensationalist and which has played a key role in bringing about and legitimating one of the strictest systems of film and video DVD censorship in Europe this book is notable for the breadth of its contextual analysis its critical stance and its

suggestions for reform of the present system

Governing Risks in Modern Britain Tom Crook, Mike

Esbester, 2016-04-26 For more than 200 years everyday life in Britain has been beset by a variety of dangers from the mundane to the life threatening *Governing Risks in Modern Britain* focuses on the steps taken to manage these dangers and to prevent accidents since approximately 1800 It brings together cutting edge research to help us understand the multiple and contested ways in which dangers have been governed It demonstrates that the category of risk broadly defined provides a new means of historicising some key developments in British society Chapters explore road safety and policing environmental and technological dangers and occupational health and safety The book thus brings together practices and ideas previously treated in isolation situating them in a common context of risk related debates dilemmas and difficulties Doing so it argues advances our understanding of how modern British society has been governed and helps to set our risk obsessed present in some much needed historical perspective

The Making of Consumer Culture in Modern Britain

Peter Gurney, 2017-05-18 CHOICE OUTSTANDING ACADEMIC TITLE AWARD WINNER 2018 It is commonly accepted that the consumer is now centre stage in modern Britain rather than the worker or producer Consumer choice is widely regarded as the major source of self definition and identity rather than productive activity Politicians vie with each other to fashion their appeal to citizen consumers When and how did these profound changes occur Which historical alternatives were pushed to the margins in the process In what ways did the everyday consumer practices and forms of consumer organising adopted by both middle and working class men and women shape the outcomes This study of the making of consumer culture in Britain since 1800 explores these questions introduces students to major debates and cuts a distinctive path through this vibrant field It suggests that the consumer culture that emerged during this period was shaped as much by political relationships as it was by economic and social factors

The Eclipse of a Great Power Keith Robbins, 1983

Religion and

Change in Modern Britain Linda Woodhead, Rebecca Catto, 2013-03-01 This book offers a fully up to date and comprehensive guide to religion in Britain since 1945 A team of leading scholars provide a fresh analysis and overview with a particular focus on diversity and change They examine relations between religious and secular beliefs and institutions the evolving role and status of the churches the growth and settlement of non Christian religious communities the spread and diversification of alternative spiritualities religion in welfare education media politics and law theoretical perspectives on religious change The volume presents the latest research including results from the largest ever research initiative on religion in Britain the AHRC ESRC Religion and Society Programme Survey chapters are combined with detailed case studies to give both breadth and depth of coverage The text is accompanied by relevant photographs and a companion website

The Religious Innatism Debate in Early Modern Britain R.J.W. Mills, 2021-09-20 This book demonstrates that the common belief that humanity is naturally disposed to religion did not disappear with the emergence of the Enlightenment Going beyond a narrow focus on John Locke's empiricism this vivid analysis reconstructs the vociferous multivocal debate over the natural origins of religious

belief in England and Scotland between c 1650 and c 1750 It enriches our understanding through examining hundreds of discussions of the relationship between human nature and religion from a variety of genres and contexts It shows that belief in religious innatism was a ubiquitous and enduring claim about human nature across the continuum of Christian thought in early modern Britain and one deployed for a variety of reasons While the doctrine of innate religious ideas did fall out of use the belief that human nature was framed for religion continued in new forms into the eighteenth century **Contemporary Britain** John McCormick,2023-02-09

The fallout from Brexit and Covid 19 ongoing political turmoil economic decline and calls for a second Scottish independence referendum make for deeply uncertain times in contemporary Britain What will the country look like in five years from now Will it even exist in its present form Introducing you to all aspects of British history geography society politics economy and culture this book guides you through the country s enduring features and recent trends Growing racial religious national and cultural diversity Demographic shifts including the move from a welfare state to a stakeholder society The altered balance of power among government institutions as the UK adapts to life outside the EU Shifts in economic policy following the impact of Brexit Covid 19 and the war in Ukraine Changing voter attitudes with questions raised about the balance between the major political parties The impact of social media and alternative communications channels on media culture and politics With key data further reading suggestions and case studies on topics such as attitudes towards the monarchy regional inequalities and national cuisine Contemporary Britain is the ideal introduction for students and interested general readers alike Catholics in Contemporary Britain Ben Clements,Stephen Bullivant,2022-08-01

Catholics in Contemporary Britain showcases findings from a wide ranging empirical study of Catholics living in Britain It offers a sociologically informed study placing the contemporary Catholic community in the wider contexts of their society and the global faith of which they are a part The book has been animated by a set of compelling broader questions Who are the Catholics in Britain How do they engage with their faith and with the Church What do they think about issue within and the leadership of their Church What are their views on wider social issues and of the party political landscape The study is thematically broad in scope focusing on demography religiosity addressing the three Bs of believing belonging and behaving social moral issues church leadership and schooling and party support and voting behaviour The book presents a rich and fascinating demographic religious and attitudinal profile of Britain s Catholics in the 21st Century

Tudor and Stuart Britain Roger Lockyer,Peter Gaunt,2018-09-28 Tudor and Stuart Britain charts the political religious economic and social history of Britain from the start of Henry VII s reign in 1485 to the death of Queen Anne in 1714 providing students and lecturers with a detailed chronological narrative of significant events such as the Reformation the nature of Tudor government the English Civil War the Interregnum and the restoration of the monarchy This fourth edition has been fully updated and each chapter now begins with an introductory overview of the topic being discussed in which important and current historical debates are highlighted Other new features of the book include a closer examination of the

image and style of leadership that different monarchs projected during their reigns greater coverage of Phillip II and Mary I as joint monarchs new sections exploring witchcraft during the period and the urban sector in the Stuart age and increased discussion of the English Civil War of Oliver Cromwell and of Cromwellian rule during the 1650s Also containing an entirely rewritten guide to further reading and enhanced by a wide selection of maps and illustrations Tudor and Stuart Britain is an excellent resource for both students and teachers of this period Modern England 1901-1970 Alfred

Havighurst,1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth

Modern Britain John L. Irwin,1993-01-01 Since first publication in 1976 Modern Britain has been widely used as a comprehensive and straightforward introduction to some of the most important features of British life today The author provides a clear account of a wide range of topics that are keys to understanding the British culture including the system of government the structure of education the social services family life and the mass media This third edition has been fully revised to take account of important developments and current debates such as whether the monarchy has become too expensive the role of the poll tax in Margaret Thatcher s downfall and the Church of England s decision to ordain women priests While writing this book John Irwin has been particularly conscious of the needs of foreign students but Modern Britain will be equally useful to school students in Britain and indeed to anyone with an interest in knowing how modern British institutions developed and how they work today **NGOs in Contemporary Britain** N. Crowson,M. Hilton,J.

McKay,2009-04-22 Examining the history of social movements and non state socio political action this volume shows how Non Governmental Organisations NGOs have proliferated in Britain since 1945 and how they have raised new political agendas revived associational life and arguably re politicized generations disillusioned with the politics of the ballot box

Counting Religion in Britain, 1970-2020 Clive D. Field,2021-12-09 Counting Religion in Britain 1970 2020 the fourth volume in the author s chronological history of British secularization sheds significant new light on the nature scale and timing of religious change in Britain during the past half century with particular reference to quantitative sources Adopting a key performance indicators approach twenty one facets of personal religious belonging behaving and believing are examined offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship Summative analysis of these indicators by means of a secularization dashboard leads to a reaffirmation of the validity of secularization in its descriptive sense as the dominant narrative and direction of travel since 1970 while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by product of modernization
