Institute of Pacific Relations, John LeRoy CHRISTIAN, 1942      **Beijing's Power and China's Borders** Bruce Elleman, Stephen Kotkin, Clive Schofield, 2015-05-18 China shares borders with 20 other countries Each of these neighbors has its own national interests and in some cases these include territorial and maritime jurisdictional claims in places that China also claims Most of these 20 countries have had a history of border conflicts with China some of them never amicably settled This book brings together some of the foremost historians geographers political scientists and legal scholars on modern Asia to examine each of China s twenty land or sea borders      Burma's Economy in the Twentieth Century Ian Brown, 2013-11-07 An incomparable introduction to Burma s political and economic history written by one of the premier economic historians of Southeast Asia      *Churchill, Eden and Indo-China, 1951-1955* Nông Văn Dân, 2011 Churchill Eden and Indo China 1951 1955 offers a systematic approach to pertinent international politics providing a historiography and assessing the impact of events such as the Cold War and the Second World War within the context of the governments of Churchill and Eden Revisiting Churchill s wartime helmsmanship in order to shed further light on his post war administration N ng D n provides a greater historical awareness of the broad international context of decolonized Indo China and South East Asia      **Isolationist States in an Interdependent World**

Helga Turku,2016-05-06 States that withdraw from the international system provide insight into an unexplored area of international relations in terms of rationality self interest power politics cooperation and alliances Indeed isolationism in an interdependent state system goes against the logic of modern society and state systems Using historical comparative and inductive analysis Helga Turku explains why states may choose to isolate themselves both domestically and internationally using comparative historical analysis to flesh out isolationism as a concept and in practice The book examines extreme forms of self imposed domestic and international isolation in an interdependent international system noting the effects on both the immediate interests of a ruling regime and the long term national interests of the state and the populace **Monthly Labor Review** ,1943 **Monthly Labor Review** United States. Bureau of Labor Statistics,1943 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews Burma's Road Toward Development David I. Steinberg,2019-03-01 A liberalization of economic policies has inspired considerable economic growth and encouraged the development of Burma s natural resources but according to David Steinberg the current military government is akin to previous civilian governments in its commitment to socialism as a vehicle for development The economic flexibility demonstrated by the government has not been matched by political liberalization and as a result economic growth remains a captive of administrative and policy constraints Steinberg traces the origins and acceptance of socialist thought and planning in Burma and shows how socialist ideology has had to be tempered with pragmatism in order to make economic development possible Looking to Burma s future he also points out two central problems facing the country strained minority relations which have kept the nation from developing a sense of unity and difficulties with political succession brought on by the military regime s preoccupation with perpetuating its own leadership The American economic review ,1943 **South East Asia, Colonial History: Imperialism before 1800** Paul H. Kratoska,2001 The six volumes that make up this unique set provide an extensive overview of colonialism in South East Asia In the majority of cases authors chosen were specialists writing about their individual areas of expertise and had first hand experience in the region Outline of contents I Imperialism before 1800 Edited by Peter Borschberg II Empire Building in the Nineteenth Century III High Imperialism IV Imperial Decline Nationalism and the Japanese Challenge V Peaceful Transitions to Independence VI Independence through Violent Struggle *The Far-Eastern Review* ,1941
