Modern Caribbean Geography Second Edition:

Latin America, Second Edition Robert B. Kent, 2016-04-25 An authoritative overview of Latin America's human geography and regional complexity. It traces Latin America's historical developments while revealing the diversity of its people and places. Coverage encompasses cultural history, environment and physical geography, urban development, agriculture and land use, social and economic processes and the contemporary patterns of Latin American diaspora. Publisher description. *Latin America, Second Edition* Charles Gritzner, 2021-04-01 This eBook introduces readers to the geography of Latin America covering the culture region as a whole rather than individual countries. The volume emphasizes the region's people and their various ways of life, considering how they have adapted to, used and changed the natural environments in which they live. Like other titles in the 10 volume Modern World Cultures set, *Latin America Second Edition* explores the geographical features, climate and ecosystems, population, settlement and culture and the history and economy of the region at hand. Also covered are the region's diversity, challenges and prospects. Illustrated with full color maps and photographs and accompanied by a chronology, glossary and further readings, these accessible titles offer an ideal starting point for research on the culture regions of the world. *OCR A Level Geography Second Edition* Michael Raw, David Barker, Andy Palmer, Peter Stiff, Helen Harris, 2016-10-10 Exam Board: Non-Specific Level A level Subject: History First Teaching: September 2015 First Exam: June 2016 An OCR endorsed textbook. Help your students develop deep subject knowledge and high level geographical skills with comprehensive coverage, stimulating activities and assessment support for all compulsory and optional topics produced by the leading A Level Geography publisher and OCR's Publishing Partner for Geography. Guides you and your students through the 2016 specification with clear explanations of the content and concepts brought to life through examples and up-to-date case studies. Encourages students of all abilities to apply and improve their theoretical understanding through skills-focused activities based on a variety of textual data and visual sources. Consolidates topic knowledge and aids self-assessment with review questions at the end of each chapter. Enables high-achieving students to target the top grades through suitably challenging extension material and activities. Teaches students how to approach assessments with confidence, providing opportunities to work through practice questions on every topic. Outlines relevant human and physical geography fieldwork projects throughout the text that meet the changed fieldwork assessment requirements. *Global Migration and Development* Ton van Naerssen, Ernst Spaan, Annelies Zoomers, 2008-02-13 This volume addresses the question to what extent and under what conditions does international migration contribute to local and national development. **The Contemporary Caribbean** Robert B. Potter, David Barker, Thomas Klak, Denis Conway, 2015-07-17 This text focuses on the contemporary economic, social, geographical, environmental and political realities of the Caribbean region. Historical aspects of the Caribbean such as slavery, the plantation system and plantocracy are explored in order to explain the contemporary nature of and challenges faced by the Caribbean. The book is divided into three parts dealing respectively with the

foundations of the Caribbean rural and urban bases of the contemporary Caribbean and global restructuring and the Caribbean industry tourism and politics *Place in the Homeland?* Russell King, Nilay Kilinc, 2025-02-28 What happens when the second generation the children of immigrants moves to their parents homeland A Place in the Homeland Turkish German Return Migration answers this question for the Turkish German second generation sons and daughters of the Turkish guestworkers and political refugees who migrated to Germany in the 1960s 1970s and 1980s Based on 71 in depth narrative interviews their life stories of growing up in German industrial cities and then returning to Turkey are traced through their experiences of childhood and socialisation relocation to Turkey earning a living managing family and other relationships adapting to an environment that many found challenging and developing new hybrid identities in the ancestral homeland The key finding is that place matters and experiences are compared and contrasted between second generation returnees in the megalopolis of Istanbul the tourist city of Antalya and a range of provincial urban and rural environments in other regions of Turkey **Handbook of Return Migration** King, Russell, Kuschminder, Katie, 2022-01-18 This authoritative Handbook provides an interdisciplinary appraisal of the field of return migration advancing concepts and theories and setting an agenda for new debates Statutory Rules and Orders for the Year ...
