*IN SEARCH OF LOST TIME - Complete 7 Book Collection (Modern Classics Series)* Marcel Proust, 2023-12-11 Marcel Proust's monumental work *In Search of Lost Time* explores the intricacies of memory, time, and human experience across its seven-volume collection. Written in a distinctive introspective style characterized by lengthy and intricately structured sentences, Proust immerses readers in the narrative tapestry of his characters' lives. The work encapsulates the essence of the modernist literary movement, delving into themes of self-reflection, social dynamics, and the often elusive nature of happiness, all set against the backdrop of early 20th-century French society. Each volume intricately layers Proust's rich prose with philosophical inquiries, creating a profound exploration of consciousness and the passage of time. Marcel Proust (1871-1922), a French author and critic, was deeply influenced by his own experiences with love, loss, and the social stratifications of his time. Proust's bourgeois upbringing, coupled with his keen observation of the Parisian elite, informs the depth and authenticity of the novel's characters and settings. His multifaceted exploration of these themes reflects his own struggles with illness and the fleeting nature of personal reflections, prompting his desire to encapsulate fleeting moments and memories through literature. *In Search of Lost Time* is a literary odyssey that transcends mere storytelling; it invites readers into the depths of human consciousness. Ideal for those who appreciate profound literary exploration or wish to gain insight into the complexities of memory and identity, this complete collection stands as one of the most significant achievements in literary history.

*The Comic Turn in Contemporary English Fiction* Huw Marsh, 2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary

fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present
