Modern Dance in France (1920-1970) Jacqueline Robinson, 2013-07-04 It was indeed an adventure for those pioneers in France who struggled for the recognition of the new born dance of the twentieth century from the free dance of Isadora Duncan through the absolute dance of Mary Wigman to the modern dance of Martha Graham Jacqueline Robinson has lived at the heart of this adventure sharing the aspirations of a whole generation who often suffered from the lack of understanding of an establishment more inclined towards classical ballet From the breaking of the soil in the twenties to the flowering in the sixties here is a chronicle of the changing landscape of French dance Here is the story of those men and women ploughmen and poets rebels and visionaries the recollection of those events that made it possible for dance as an art form in Western countries to rise again as a fundamental expression of the human spirit

A Dancing People Clyde Ellis, 2003-10-23 Everywhere they are dancing From Oklahoma City's huge Red Earth celebration to fund raising events at local high schools powwows are a vital element of contemporary Indian life on the Southern Plains Some see it as tradition handed down through the generations Others say it's been sullied by white participation and robbed of its spiritual significance But during the past half century the powwow has become one of the most popular and visible expressions of the dynamic cultural forces at work in Indian country today Clyde Ellis has written the first comprehensive history of Southern Plains powwow culture an interdisciplinary highly collaborative ethnography based on more than two decades of participation in powwows In seeking to determine what powwow people mean by so designating themselves he addresses how the powwow and its role in contemporary Indian identity have changed over time along with its songs and dances and how Indians for nearly a century have used dance to define themselves within their communities *A Dancing People* shows that whether understood as an intertribal or tribally specific event dancing often satisfies needs and obligations that are not met in other ways and that many Southern Plains Indians organize their lives around dancing and the continuity of culture that it represents As one Kiowa elder explained When I go to these dances I'm right where those old people were Singing those songs dancing where they danced And my children and grandchildren they've learned these ways too because it's good it's powerful Ellis tells us not only why and how Southern Plains powwow culture originated but also something about what it means He explores powwow's cultural and historical roots tracing suppression by government advocates of assimilation Indian resistance movements internal tribal disputes and the emergence of powerful song and dance traditions

He also includes a series of conversations and interviews with powwow people in which they comment on why they go to dances and what the dances mean to them as Indian people. An insightful study of performance ritual and culture, *A Dancing People* also makes an important statement about the search for identity among Native Americans today. **The People Have Never Stopped Dancing** Jacqueline Shea Murphy, 2007. During the past thirty years, Native American dance has emerged as a visible force on concert stages throughout North America. In this first major study of contemporary Native American dance, Jacqueline Shea Murphy shows how these performances are at once diverse and connected by common influences. Demonstrating the complex relationship between Native and modern dance choreography, Shea Murphy delves first into U.S. and Canadian federal policies toward Native performance from the late nineteenth through the early twentieth centuries, revealing the ways in which government sought to curtail authentic ceremonial dancing while actually encouraging staged spectacles such as those in Buffalo Bill's Wild West shows. She then engages the innovative work of Ted Shawn, Lester Horton, and Martha Graham, highlighting the influence of Native American dance on modern dance in the twentieth century. Shea Murphy moves on to discuss contemporary concert dance initiatives, including Canada's Aboriginal Dance Program and the American Indian Dance Theatre, illustrating how Native dance enacts rather than represents cultural connections to land, ancestors, and animals, as well as spiritual and political concerns. Shea Murphy challenges stereotypes about American Indian dance and offers new ways of recognizing the agency of bodies on stage. Jacqueline Shea Murphy is associate professor of dance studies at the University of California, Riverside, and coeditor of *Bodies of the Text: Dance as Theory Literature as Dance*. **A Comprehensive Curriculum in Dance for Secondary Schools** Nadia Chilkovsky Nahumck, 1970. **Kiowa Military Societies** William C. Meadows, 2012-11-08. Warrior culture has long been an important facet of Plains Indian life. For Kiowa Indians, military societies have special significance. They serve not only to honor veterans and celebrate and publicize martial achievements but also to foster strong role models for younger tribal members. To this day, these societies serve to maintain traditional Kiowa values, culture, and ethnic identity. Previous scholarship has offered only glimpses of Kiowa military societies. William C. Meadows now provides a detailed account of the ritual structures, ceremonial composition, and historical development of each society: Rabbits Mountain, Sheep, Horses, Headaddresses, Black Legs, Skunkberry, Unafraid of Death, Scout Dogs, Kiowa Bone Strikers, and Omaha, as well as past and present women's groups. Two dozen illustrations depict personages and ceremonies, and an appendix provides membership rosters from the late 1800s. The most comprehensive description ever published on Kiowa military societies, this work is unmatched by previous studies in its level of detail and depth of scholarship. It demonstrates the evolution of these groups within the larger context of American Indian history and anthropology while documenting and preserving tribal traditions. [Chicago's 50 Years of Powwows](#) American Indian Center of Chicago, 2004-08-25. Since 1953, the American Indian Center of Chicago has hosted an annual powwow. The powwow is the centerpiece of contemporary Indian culture. It is how Native Americans celebrate traditional values and share

their culture with a wider audience The powwow is a place to make and rekindle friendships It offers an opportunity to reaffirm traditional values and a chance to reconnect with family friends and the greater community It is a celebration of artistic and cultural traditions and a way of transmitting those traditions to a younger generation Through an extensive collection of representative images Chicagos 50 Years of Powwows chronicles the exciting history and traditions of the powwow *American Indian Culture* Bruce E.
