Feminism, Postfeminism and Legal Theory Dorota Gozdecka, Anne Macduff, 2018-12-19 There is much debate about postfeminism what it is and its role in feminist politics Whilst postfeminism has become increasingly influential in the study of literature popular culture and philosophy it has so far received comparatively little attention in law This book aims to remedy this situation The book brings together feminist legal scholars working in different contexts to examine the idea of postfeminism and assess its contemporary relevance It explores a range of questions including the following Does postfeminism describe an age that follows modernism an age where identity politics has realised its goals and feminism is no longer needed Or does postfeminism describe the feminism of a postmodernist age where identity can mean anything at all Or differently again does the term capture a new feminism that discredits feminism and attempts to reshape its political consciousness And what might the answers to these questions mean for law and legal theory and a feminist politics of law reform
