Modern Girl Harlequin Romance:

A Modern Girl Rebecca Flanders, 1984 *A Modern Girl* by Rebecca Flanders released on Apr 24 1984 is available now for purchase

Modern Love David Shumway, 2003-08-01 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love *Modern Love* argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson's history of marriage and romance part meditation on intimacy itself *Modern Love* will be both amusing and interesting to almost anyone who thinks about relationships and who doesn't

Women, Violence and Postmillennial Romance Fiction Emma Roche, 2023-04-21 This book interrogates the significance of the revival and reformulation of the romance genre in the postmillennial period Emma Roche examines how six popular novels published between 2005 and 2015 *Twilight* *Fifty Shades of Grey* *Gone Girl* *Sharp Objects* and *The Girl on the Train* reanimate and modify recognisable tropes from the romance genre to reflect a neoliberal and postfeminist cultural climate As such Roche argues these novels function as crucial spaces for interrogating and challenging those contemporary gender ideologies Throughout the book Roche addresses and critiques several key attributes of neoliberal postfeminism including a pervasive emphasis on individualism and personal responsibility an insistent requirement for self monitoring self surveillance and bodywork the celebration of consumerism and its associated pleasures the prescription of mandatory optimism and suppressing one's negative emotions and the endorsement of choice as a primary marker of women's empowerment While much critical attention has been devoted to those attributes and their pernicious effects Roche argues that one crucial repercussion has been largely overlooked in contemporary cultural criticism how these ideologies function together to effectively sanction gender based violence Thus Roche exploits textual analysis to demonstrate the subtle ways in which neoliberal postfeminism can augment women's vulnerability to male violence

Pornography and Sexual Representation Joseph W. Slade,2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America

Adaptation Studies Christa Albrecht-Crane,Dennis Ray Cutchins,2010-07-31 The volume takes as its starting

point the assumption that adapters cannot simply transpose or transfer one particular text from one medium to another They must interpret re work and re imagine the precursor text in order to choose the various meanings and sensations they find most compelling or most cost effective then they create scenes characters plot elements etc that match their interpretation These very relationships are the subject matter this collection seeks to explore Poststructural theory is an ideal place to begin a rigorous and theoretically sound investigation of adaptation As adaptation studies adopts a poststructuralist lens and defines this richer notion of intertextuality some of its key assumptions will change Adaptation scholars will recognize that all film adaptations are intertextual by definition multivocal by necessity and adaptive by their nature
