Historical Documents W.D. Handcock, 2024-11-01 English Historical Documents is the most ambitious impressive and comprehensive collection of documents on English history ever published An authoritative work of primary evidence each volume presents material with exemplary scholarly accuracy Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military dispatches diaries declarations newspaper articles government and cabinet proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records Volumes are furnished with lavish extra apparatus including genealogical tables lists of officials chronologies diagrams graphs and maps **English Historical Documents,**

1833-1874 David Charles Douglas, George Malcolm Young, W. D. Handcock, 1996 English Historical Documents is the most comprehensive annotated collection of documents on British not in reality just English history ever compiled Conceived during the Second World War with a view to ensuring the most important historical documents remained available and

accessible in perpetuity the first volume came out in 1953 and the most recent volume almost sixty years later The print series edited by David C Douglas is a magisterial survey of British history covering the years 500 to 1914 and including around 5 500 primary sources all selected by leading historians Editors It has over the years become an indispensable resource for generations of students researchers and lecturers EHD is now available in its entirety online Bringing EHD into the digital age has been a long and complex process To provide you with first rate intelligent searchability Routledge have teamed up with the Institute of Historical Research one of the research institutes that make up the School of Advanced Study University of London <http://www.history.ac.uk> to produce EHD Online The IHR's team of experts have fully indexed the documents using an exhaustive historical thesaurus developed by the Royal Historical Society for its Bibliography of British and Irish History The sources include treaties statutes declarations government and cabinet proceedings military dispatches orders acts sermons newspaper articles pamphlets personal and official letters diaries and more Each section of documents and many of the documents themselves are accompanied by editorial commentary The sources cover a wide spectrum of topics from political and constitutional issues to social economic religious as well as cultural history

Résumé de l'auteur *An Essay on the History of the English Government and Constitution from the Reign of Henry VII. to the Present Time* John Russell, 1865 *A Treatise on Constitutional Law* N. Arunachalam, 1953 *The Politics of Accountability in the Modern State* Matthew Flinders, 2017-10-05 This title was first published in 2001 In this compelling work Matthew Flinders examines how far alternative forms of accountability have evolved and the extent to which they remedy the current shortcomings of the parliamentary system Adopting a pluralistic perspective this exploration of the accountability of the core executive is clearly grounded in research methodology thus ensuring the book makes a valid incisive contribution to the literature Features include A detailed study of the location of power and mechanisms of accountability in modern government which challenges the largely prosaic existing literature Useful summaries of the key tensions and trends within constitutional infrastructure A new and refreshing approach to the study of central government Insightful critiques of major governmental policies This intriguing volume will be of interest to undergraduates post graduates and lecturers for courses on legislative studies central government reform public administration British politics and research methods

The New International Encyclopædia Frank Moore Colby, Talcott Williams, 1922 **New International Encyclopedia**, 1916 *The New International Encyclopaedia*, 1923 *The New International Encyclopædia*, 1925 **The Statesman's Year-Book** J. Scott-Keltie, M. Epstein, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world

The Elements of International Law George Breckenridge Davis, 1900 **Encyclopedia of Constitutional Amendments, Proposed Amendments, and Amending Issues, 1789-2015** John R. Vile, 2015-07-20 Now in its fourth edition and completely updated this is the most comprehensive book on constitutional amendments and proposed amendments available Although only 27 amendments have ever been added to the U S Constitution the last one having been

ratified in 1992 throughout American history members of Congress have introduced more than 11 000 amendments and countless individuals outside of Congress have advanced their own proposals to revise the Constitution the wellspring of America s legal political and cultural foundations At a time when calls for a new constitutional convention are on the rise it is essential for students of political science and history as well as American citizens to understand proposed alternatives This updated edition of the established standard for high school and college libraries as well as public and law libraries serves as the go to reference for learning about existing constitutional amendments proposed amendments and the issues related to them An alphabetically arranged two volume set it contains more than 500 entries that discuss amendments that have been proposed in Congress from 1789 to the present It also discusses prominent proposals for extensive constitutional changes introduced outside Congress as well as discussions of major amending issues
