Modern Hebrew Literature:

Modern Hebrew Literature Robert Alter, 1975 Mendele Mocher Sforim Shem and Japheth on the train Peretz Y L Scenes from Limbo Feilerberg M Z In the evening Ahad Ha Am Imitation and assimilation Bialik H N The short Friday Revealment and concealment in language Brenner Y H The way out Barash A At heaven s gate Agnon S Y Agunot The lady and the peddler At the outset of the day Forevermore Hazaz H Rahamim The sermon Yizhar S The prisoner Amichai Y The times my father died Oz A Before his time Yehoshua A B Facing the forests *A History of Modern Hebrew Literature (1785-1930)* Joseph Klausner, 1972 Modern Hebrew Fiction Gershon Shaked, Yael Lotan, Emily Miller Budick, Jessica Cohen, 2008-05-01 Gershon Shaked s history of modern Hebrew fiction traces the emergence and development of a literature against all odds from its European roots in the 1880s when it had neither a country nor a spoken language to the flowering of a literary culture on Israeli soil *The Great Transition* Glenda Abramson, Tudor Parfitt, 1985-06-28 Although there are a number of views concerning its origins modern Hebrew literature could be defined as being just two hundred years old A convenient starting point might be the publication of the first letter of N M Wessely s divre shalom veemet in 1782 or the first issue of the periodical amneasef which appeared a year later During the following two centuries considerable literature in Hebrew arose in many different places The emphasis in this volume composed of papers by distinguished scholars is on the transition from the great centers of Hebrew creativity in eastern Europe which fell into decline and disappeared in the terrible events between the years 1881 and 1945 to the new center in Palestine *The Evolution of Modern Hebrew Literature, 1850-1912* Abraham Solomon Waldstein, 1916 *The New Tradition* Gershon Shaked, 2006 One response to the ensuing Jewish struggle for survival as a spiritual entity was the emergence of a modern Hebraic secular cultural tradition This volume presents seventeen seminal essays by Israel s esteemed literary critic Gershon Shaked A Century of Modern Hebrew Literary Criticism, 1784-1884 Morris Neiman, 1983 The Divine in Modern Hebrew Literature Neta Stahl, 2020-02-25 Demonstrating the pervasive presence of God in modern Hebrew literature this book explores the qualities that twentieth century Hebrew writers attributed to the divine and examines their functions against the simplistic dichotomy between religious and secular literature The volume follows both chronological and thematic paths offering a panoramic and multilayered analysis of the various strategies in which modern Hebrew writers from the turn of the nineteenth century through the twenty first century pursued in their attempt to represent the divine in the face of metaphysical theological and representational challenges Modern Hebrew literature emerged during the nineteenth century as part of the Haskalah Jewish Enlightenment movement which attempted to break from the traditional modes of Jewish intellectual and social life The Hebrew literature that arose in this period embraced the rebellious nature of the Haskalah and is commonly characterized as secular in nature defying Orthodoxy and rejecting God Nevertheless this volume shows that modern Hebrew literature relied on traditional narratological and poetic norms in its attempt to represent God Despite its self declared

secularity it engaged deeply with traditional problems such as the nature of God divine presence and theodicy Examining these radical changes this volume is a key text for scholars and students of modern Hebrew literature Jewish studies and the intersection of religion and literature

The Evolution of Modern Hebrew Literature, 1850-1912 (Classic Reprint) A. S. Waldstein, 2015-07-07 Excerpt from *The Evolution of Modern Hebrew Literature 1850 1912* In writing this book I have had in view not so much the appreciation of the individual authors and their productions per se as their relation to the period in which they lived the ideas and emotions by which they were consciously or unconsciously actuated and what they contributed as individuals or as a class to the development of Hebrew literature In short I purpose to give here the evolution of the latter rather than its history in the common sense of the term This mode of treatment has been more and more pursued by literary historians since Taine and should in particular be followed by any one that writes for a reading public to whom the literature treated is entirely foreign Readers such as these are certainly more interested in the trend of thought in the flux and flow of ideas and in the artistic temperament of the period as a whole and in the literature as a whole than in any particular writer Hence some authors who would otherwise deserve a fuller treatment have been dealt with rather summarily For though as individual writers they may be of very high standing yet their contribution to the development of Hebrew literature may have been less marked than that of other writers of inferior talent who have nevertheless formed links in the chain of this development and who have consequently been treated more fully I have selected as my subject the period between the fifties of the last century and our own time and I did not go back to the middle of the eighteenth century which is generally considered the terminus a quo of modern Hebrew literature for the following reason As I am here dealing mainly with belles lettres and allied branches I could have found very little scope in the literature of the hundred years preceding the middle of the nineteenth century The novel in Hebrew had not yet been produced About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
