Modern Legal Theory And Judicial Impartiality

Justine N Stefanelli

Modern Legal Theory And Judicial Impartiality:

Modern Legal Theory & Judicial Impartiality Ofer Raban, 2012-09-10 This book argues that at the core of legal philosophy's principal debates there is essentially one issue: judicial impartiality. Keeping this issue to the forefront, Raban's approach sheds much light on many difficult and seemingly perplexing jurisprudential debates. Modern Legal Theory and Judicial Impartiality offers a fresh and penetrating examination of two of the most celebrated modern legal theorists, H.L.A. Hart and Ronald Dworkin. The book explains the relations between these two scholars and other theorists and schools of thought, including Max Weber, Lon Fuller, and the law and economics movement, offering both novices and experts an innovative and lucid look at modern legal theory. The book is written in an engaging and conversational style, tackling highly sophisticated issues in a concise and accessible manner. Undergraduates in jurisprudence and legal theory, as well as more advanced readers, will find it clear and challenging.

Modern Legal Theory & Judicial Impartiality Ofer Raban, 2017-01-07 This book argues that at the core of legal philosophy's principal debates there is essentially one issue: judicial impartiality. Keeping this issue to the forefront, Raban's approach sheds much light on many difficult and seemingly perplexing jurisprudential debates. Modern Legal Theory and Judicial Impartiality offers a fresh and penetrating examination of two of the most celebrated modern legal theorists, H.L.A. Hart and Ronald Dworkin. The book explains the relations between these two scholars and other theorists and schools of thought, including Max Weber, Lon Fuller, and the law and economics movement, offering both novices and experts an innovative and lucid look at modern legal theory. The book is written in an engaging and conversational style, tackling highly sophisticated issues in a concise and accessible manner. Undergraduates in jurisprudence and legal theory, as well as more advanced readers, will find it clear and challenging.

The Culture of Judicial Independence Shimon Shetreet, Christopher Forsyth, 2011-11-11 This volume analyzes the development of a culture of judicial independence in comparative perspectives to offer an examination of the conceptual foundations of the principle of judicial independence and to discuss in detail the practical challenges facing judiciaries in different jurisdictions.

The Methodology of Legal Theory Michael Giudice, Wil Waluchow, 2017-07-05 The last decade has witnessed a particularly intensive debate over methodological issues in legal theory. The publication of Julie Dickson's *Evaluation and Legal Theory* (2001) was significant as were collective returns to H.L.A. Hart's *Postscript to The Concept of Law*. While influential articles have been written in disparate journals, no single collection of the most important papers exists. This volume, the first in a three-volume series, aims not only to fill that gap but also propose a systematic agenda for future work. The editors have selected articles written by leading legal theorists, including among others Leslie Green, Brian Leiter, Joseph Raz, Ronald Dworkin, and William Twining, and organized under four broad categories: 1) problems and purposes of legal theory; 2) the role of epistemology and semantics in theorising about the nature of law; 3) the relation between morality and legal theory; and 4) the scope of phenomena a general jurisprudence ought to address.

Assessing the Effectiveness of International Courts

Yuval Shany, 2014-01-31 Are international courts effective tools for international governance Do they fulfill the expectations that led to their creation and empowerment Why do some courts appear to be more effective than others and do so such appearances reflect reality Could their results have been produced by other mechanisms This book evaluates the effectiveness of international courts and tribunals by comparing their stated goals to the actual outcomes they achieve Using a theoretical model borrowed from social science the book assesses their effectiveness by analysing key empirical data Its first part is dedicated to theory and methodology laying out the effectiveness model explaining its different components its promise and limits and discussing the measurement challenges it faces The second part analyses the role that indicators such as jurisdiction judicial independence legitimacy and compliance play in achieving effectiveness Part three applies the effectiveness model to the International Court of Justice the WTO dispute settlement mechanisms panels and Appellate Body the International Criminal Court the European Court of Human Rights and the European Court of Justice reflecting the diversity of the field of international adjudication Given the recent proliferation of international courts and tribunals this book makes an important contribution towards understanding and measuring the value that these institutions provide

Philosophy of Law Mark Tebbit, 2005-06-14 Philosophy of Law An Introduction provides an ideal starting point for students of philosophy and law as it assumes no prior knowledge of either subject The book is structured around the key issues and themes in the philosophy of law including what is the law exploring the major legal theories of realism positivism and natural law the reach of the law covering authority rights liberty privacy and tolerance criminal responsibility and punishment including legal defenses crime diminished responsibility and theories of punishment The second edition is updated with important developments in English law the general impact of the Human Rights Act and the defence of necessity in relation to the Case of the Conjoined Twins Radical Marxism feminist critical legal studies and critical race theories are also explained against the background of controversy between postmodernism and defences of modernity New chapters assess the value of traditional legal theory and various critical perspectives and study questions at the end of each chapter help students explore the most important issues in philosophy of law

Judicial Review of Immigration

Detention in the UK, US and EU Justine N Stefanelli, 2020-01-23 Immigration detention is considered by many states to be a necessary tool in the execution of immigration policy Despite the apparently key role it plays in immigration enforcement the law on immigration detention is often vague especially in relation to determining the circumstances under which prolonged detention remains lawful As a result the courts are frequently called upon to adjudicate these matters with scant legal tools at their disposal Though there have been some significant judgments on the legality of detention at the constitutional level the extent to which these judgments have had an impact at the lower end of the judiciary is unclear Indeed it is the lower courts which are tasked with judging the legality of detention through habeas corpus or judicial review proceedings This book examines the way this has occurred in the lower courts of two jurisdictions the UK and the US and

contrasts this practice not only in those jurisdictions but with judgments rendered by the Court of Justice of the European Union a constitutional court at the other end of the judicial spectrum whose judgments are applied by courts and tribunals in the EU Member States Although these three jurisdictions use similar tests to evaluate the legality of detention case outcomes significantly differ Many factors contribute to this divergence but key among them is the role that fundamental rights protection plays in each jurisdiction Through a forensic evaluation of 191 judgments this book compares the laws on detention in the UK US and EU and makes recommendations to these jurisdictions for improvement

The Judicial Function
Joe McIntyre, 2019-09-16 Judicial systems are under increasing pressure from rising litigation costs and decreased accessibility from escalating accountability and performance evaluation expectations from shifting burdens of case management and alternative dispute resolution roles and from emerging technologies For courts to survive and flourish in a rapidly changing society it is vital to have a clear understanding of their contemporary role and a willingness to defend it This book presents a clear vision of what it is that courts do how they do it and how we can make sure that they perform that role well It argues that courts remain a critical relevant and supremely well adjusted institution in the 21st century The approach of this book is to weave together a range of discourses on surrounding judicial issues into a systemic and coherent whole It begins by articulating the dual roles at the core of the judicial function third party merit based dispute resolution and social normative governance By expanding upon these discrete yet inter related aspects it develops a language and conceptual framework to understand the judicial role more fully The subsequent chapters demonstrate the explanatory power of this function examining the judicial decision making method reframing principles of judicial independence and impartiality and re conceiving systems of accountability and responsibility The book argues that this function driven conception provides a useful re imagining of some familiar issues as part of a coherent framework of foundational yet interwoven principles This approach not only adds clarity to the analysis of those concepts and the concrete mechanisms by which they are manifest but helps make the case of why courts remain such vital social institutions Ultimately the book is an entreaty not to take courts for granted nor to readily abandon the benefits they bring to society Instead by understanding the importance and legitimacy of the judicial role and its multifaceted social benefits this books challenge us to refresh our courts in a manner that best advances this underlying function

Justice Denied: Exploring Inequities in the Legal System
Ed Johnston, Claire-Michelle Smyth, 2025-08-15 This volume focuses on injustice in the Criminal Justice System in England and Wales and discusses the barriers to achieving justice The book draws on contributions from established and emerging scholars as well as insight from professional practice to provide insight into the contemporary challenges in distinct areas of injustice through original analysis and argument Topics covered include the theory of punishment criminal justice access to justice climate justice migrant justice and barriers to justice The volume will be of interest to researchers academics and policy makers working in the areas of Criminal Law Criminology Sociology of Law and Human Rights Law

Focused on the legal system of England and Wales the issues raised are relevant for an international readership The Intermediary in the Criminal Justice System John Taggart, 2025-07-25 This book undertakes a sociolegal examination of the intermediary role within the criminal justice system The intermediary special measure is one of the most innovative and controversial developments in the history of English criminal procedure But what does the role actually involve That is the central question explored in this book Despite increased academic attention into this new criminal justice actor the content of the intermediary role remains unclear Based centrally on empirical data gathered in England and Wales and Northern Ireland but also drawing upon comparative material from other jurisdictions the book examines how those executing the intermediary role understand its work and how other criminal justice actors perceive it The book then uses this as the basis for generating a theory of the intermediary role and its scope and content It also considers the future of the role and its integration into the criminal justice system This book will appeal to those researching and studying in the areas of sociolegal studies criminal law and criminology as well as lawyers judges intermediaries and policy makers working in relevant areas

Yearbook of the European Convention on Human Rights/Annuaire de la convention europeenne des droits de l'homme, Volume 46 (2003) Council of Europe/Conseil de l'Europe, 2004-08-07 This volume of the Yearbook of the European Convention on Human Rights prepared by the Directorate of Human Rights of the Council of Europe relates to 2003 Part one contains information on the Convention Part two deals with the control mechanism of the European Convention on Human Rights selected judgments of the European Court of Human Rights and human rights DH resolutions of the Committee of Ministers part three groups together the other work of the Council of Europe in the field of human rights and includes the work of the Committee of Ministers the Parliamentary Assembly and the Directorate General of Human Rights part four is devoted to information on national legislation and extracts from national judicial decisions concerning rights protected by the Convention Appendix A contains a bibliography on the Convention and Appendix B the biographies of the new judges elected to the European Court of Human Rights

A Matter of Dispute Christopher J. Peters, 2011 This work canvasses fundamental problems within the diverse disciplines of legal philosophy democratic theory philosophy of adjudication and public law theory and suggests a unified approach to unraveling them It also addresses practical questions of law and government in a way that should appeal to anyone interested in the complex and often troubled relationship among morality democracy and the rule of law

The Legal Aspects of Shaming: An Ancient Sanction in the Modern World Meital Pinto, Guy Seidman, 2023-09-06 Offering an original legal definition of shaming this incisive book argues for greater attention to shaming by legal scholars and practitioners Suggesting nuanced procedures to regulate shaming in diverse areas of law it seeks to make shaming by legal entities legitimate and effective and to use legal mechanisms to limit inappropriate shaming in non legal contexts

Research Handbook on Critical Legal Theory Emilios Christodoulidis, Ruth Dukes, Marco Goldoni, 2019 Critical theory characteristically linked with the politics of theoretical engagement covers the manifold of the connections between theory and praxis This thought provoking Research Handbook captures the broad range of those connections as far as legal thought is concerned and retains an emphasis both on the politics of theory and on the notion of theoretical engagement The first part examines the question of definition and tracks the origins and development of critical legal theory along its European and North American trajectories The second part looks at the thematic connections between the development of legal theory and other currents of critical thought such as Feminism Marxism Critical Race Theory varieties of post modernism as well as the various turns ethical aesthetic political of critical legal theory The third and final part explores particular fields of law addressing the question how the field has been shaped by critical legal theory or what critical approaches reveal about the field with the clear focus on opportunities for social transformation

Current Publications in Legal and Related Fields , 2005 *African*

Legal Theory and Contemporary Problems Oche Onazi, 2013-11-26 The book is a collection of essays which aim to situate African legal theory in the context of the myriad of contemporary global challenges from the prevalence of war to the misery of poverty and disease to the crises of the environment Apart from being problems that have an indelible African mark on them a common theme that runs throughout the essays in this book is that African legal theory has been excluded under explored or under theorised in the search for solutions to such contemporary problems The essays make a modest attempt to reverse this trend The contributors investigate and introduce readers to the key issues questions concepts impulses and problems that underpin the idea of African legal theory They outline the potential offered by African legal theory and open up its key concepts and impulses for critical scrutiny This is done in order to develop a better understanding of the extent to which African legal theory can contribute to discourses seeking to address some of the challenges that confront African and non African societies alike

The Jewish Legal Tradition Ari Mermelstein, Suzanne Last Stone, Yair

Lorberbaum, 2025-02-28 This book provides an in depth exploration of the Jewish legal tradition or halakhah through the lens of modern legal philosophy The interdisciplinary approach of the book makes complex ideas accessible offering insights into how Jewish legal thought both parallels and diverges from modern legal theory By examining primary sources through a contemporary legal theoretical framework the volume offers a pedagogical approach to halakhah Readers will gain a nuanced understanding of the deep structure of Jewish law through the rigorous application of modern legal philosophy The book's structured approach dividing chapters into conceptual discussions primary source analyses and synthetic reflections provides a comprehensive guide for exploring Jewish legal thought The collection not only enhances the study of halakhah but also contributes to broader discussions in legal theory and philosophy making it a valuable resource for diverse audiences The book is intended for scholars and students of Jewish law legal theory and Jewish studies It is also designed for law schools Judaic studies programs and lay readers interested in the philosophical dimensions of religious legal systems

Symposium , 2009

Embracing the Beat of Term: An Emotional Symphony within **Modern Legal Theory And Judicial Impartiality**

In some sort of used by displays and the ceaseless chatter of quick interaction, the melodic splendor and psychological symphony created by the published term usually diminish in to the background, eclipsed by the constant sound and distractions that permeate our lives. Nevertheless, situated within the pages of **Modern Legal Theory And Judicial Impartiality** a charming literary treasure filled with fresh emotions, lies an immersive symphony waiting to be embraced. Modern Legal Theory And Judicial Impartiality Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Modern Legal Theory And Judicial Impartiality PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Modern Legal Theory And Judicial Impartiality PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Modern Legal Theory And Judicial Impartiality free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Modern Legal Theory And Judicial Impartiality Books

1. Where can I buy Modern Legal Theory And Judicial Impartiality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
