Modern Art, 1890-1918 Jean Clay, 1989 **Modern Art, 1890-1918** Jean Clay, Arnold Rosin, John P. O'Neill, Alexis Gregory, 1978-01-01 **Early Polish Modern Art** Marek Bartelik, 2005-12-02 This groundbreaking work examines four avant garde groups that emerged in Poland towards the end of World War I the Poznan Expressionists the Young Yiddish the Formists and the Futurists It is the first extensive study to bring the four groups together and in doing so it establishes interconnections between them and discusses their work in light of socio political and cultural currents in Poland and wider Europe in the interwar period "Foreign Artists and Communities in Modern Paris, 1870-1914 " Susan Waller, 2017-07-05 Foreign Artists and Communities in Modern Paris 1870 1914 examines Paris as a center of international culture that attracted artists from Western and Eastern Europe Asia and the Americas during a period of burgeoning global immigration Sixteen essays by a group of emerging and established international scholars including several whose work has not been previously published in English address the experiences of foreign exiles immigrants students and expatriates They explore the formal and informal structures that permitted foreign artists to forge connections within and across national communities and in some cases fashion new transnational identities in the City of Light Considering Paris from an innovative global perspective the book situates both important modern artists such as Edvard Munch Sonia Delaunay Marc Chagall and Gino Severini and lesser known American Czech Italian Polish Welsh Russian Japanese Catalan and Hungarian painters sculptors writers dancers and illustrators within the larger trends of international mobility and cultural exchange Broadly appealing to historians of modern art and history the essays in this volume characterize Paris as a thriving transnational arts community in which the interactions between diverse cultures peoples and traditions contributed to the development of a hybrid and multivalent modern art **Catalog of the Library of the Museum of Modern Art: Rej** Museum of Modern Art (New York, N.Y.). Library, 1976 Modernity, History, and Politics in Czech Art Marta Filipová, 2019-07-08 This book traces the influence of the changing political environment on Czech art criticism history and theory between 1895 and 1939 looking beyond the avant garde to the peripheries of modern art The period is marked by radical political changes the formation of national and regional identities and the rise of modernism in Central Europe specifically the collapse of Austria Hungary and the creation of the new democratic state of Czechoslovakia Marta Filipov studies the way in which narratives of modern art were formed in a constant negotiation and dialogue between an effort to be international and a desire to remain authentically local The First Moderns William R. Everdell, 1998-07-15 This history of modernism is filled with portraits of genius and intellectual breakthroughs that evoke the fin de siecle atmosphere of Paris Vienna St Louis and St Petersburg This book offers readers a look at the unfolding of an age **Women Artists in Interwar France** Paula J. Birnbaum, 2017-07-05 Women Artists in Interwar France Framing Femininities illuminates the importance of the Soci des Femmes Artistes Modernes more commonly known as FAM and returns this group to its proper place in the history of modern art In particular this

volume explores how FAM and its most famous members Suzanne Valadon Marie Laurencin and Tamara de Lempicka brought a new approach to the most prominent themes of female embodiment the self portrait motherhood and the female nude These women reimagined art s conventions and changed the direction of both art history and the politics of their contemporary art world FAM has been excluded from histories of modern art despite its prominence during the interwar years Paula Birnbaum s study redresses this omission contextualizing the group s legacy in light of the conservative politics of 1930s France The group s artistic response to the reactionary views and images of women at the time is shown to be a key element in the narrative of modernist formalism Although many FAM works are missing one reason for the lack of attention paid to their efforts Birnbaum s extensive research through archives press clippings and first hand interviews with artists families reclaims FAM as an important chapter in the history of art from the interwar years *Russian and Soviet Views of Modern Western Art, 1890s to Mid-1930s* Ilia Dorontchenkov, 2009-06-10 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections *Out Looking in* Jan Cavanaugh, 2000 Cavanaugh s scholarship is distinguished by several qualities detailed knowledge a rare comparative awareness of adjacent disciplines and of course a substantial synthetic knowledge of modern artistic developments in Western Europe and the U S *Out Looking In* will be relevant to a large and varied public John E Bowlit author of *Forbidden Art Soviet Nonconformist Art 1956 1988* This is an essential book for scholars of modernism who are eager in the wake of post structuralist and post modernist reevaluations of the construction of modernism s history to broaden discussions beyond a narrow French orientation It will serve as an important stimulus for rethinking European art in general in this period Linda Dalrymple Henderson University of Texas Austin Clearly written and well organized *Out Looking In* will be the indispensable reference work in English on early modern Polish art Cavanaugh s treatment based on solid research and critical insight is illuminating Wojtech Jirat Wasiutynski Professor of Art Queen s University The visual richness and comprehensiveness of *Out Looking In* will make it a primary resource in the West for images of early modern Polish art as well as arguing for the centrality of Polish art to the discussion of European modernism This is revisionism at its most insightful Wendy Salmond author of *Arts and Crafts in Late Imperial Russia* This book goes a long way in correcting our geographically narrow understanding of European modernism While arguing for Poland s place in the annals of artistic modernism Cavanaugh elegantly manoeuvres between the sensitive

issues determining national artistic identity and the international context of this debate Myroslava M Mudrak Ohio State University This is one of the most important critical analyses of turn of the century Polish art Out Looking In will inspire a broad response from a wide international circle of historians of art literature and artistic culture Wieslaw Juszczak Art Institute of the Polish Academy of Sciences and Letters and Art History Department University of Warsaw *Les Fauves* Russell T. Clement, 1994-05-25 This is the first comprehensive scholarly bibliography research guide sourcebook on the major French Fauve painters Henri Matisse and Georges Braque are treated in separate Greenwood bio bibliographies It includes information on 3 120 books and articles as well as chronologies biographical sketches and exhibition lists Each artist receives a primary and secondary bibliography with many annotated entries Secondary bibliographies include details about each artists life and career relationships with other artists work in various media iconography and more Designed for art historians art students museum and gallery curators and art lovers alike this volume organizes the vast literature surrounding this fascinating revolutionary 20th century art group Genuinely new art is always challenging sometimes even shocking to those unprepared for it In 1905 the paintings of Matisse Derain Vlaminck and their friends shocked conservative museum goers hence the eventual popularity of art critic Louis Vauxcelles's tag les fauves or wild beasts by which these artists became known Although it lasted only three or four years Fauvism is recognized as the first artistic revolution of international consequence in the 20th century It was based on the glorification of pure saturated colors and the free expression of primitivism It was a dynamic sensualism an equilibrium of passion and order fire and austerity that could not last By the end of 1908 Fauvism collapsed in the face of Cubism which moreover several Fauve artists helped to form *The Viennese Café and Fin-de-Siècle Culture* Charlotte Ashby, Tag Gronberg, Simon Shaw-Miller, 2013-01-01 The Viennese caf was a key site of urban modernity around 1900 In the rapidly growing city it functioned simultaneously as home and workplace affording opportunities for both leisure and intellectual exchange This volume explores the nature and function of the coffeehouse in the social cultural and political world of fin de siècle Vienna Just as the caf served as a creative meeting place within the city so this volume initiates conversations between different disciplines focusing on Vienna at the beginning of the twentieth century Contributions are drawn from the fields of social and cultural history literary studies Jewish studies and art and architectural and design history A fresh perspective is also provided by a selection of comparative articles exploring coffeehouse culture elsewhere in Eastern Europe **New Narratives of Russian and East European Art** Galina Mardilovich, Maria Taroutina, 2019-12-20 This book brings together thirteen scholars to introduce the newest and most cutting edge research in the field of Russian and East European art history Reconsidering canonical figures re examining prevalent debates and revisiting aesthetic developments the book challenges accepted histories and entrenched dichotomies in art and architecture from the nineteenth century to the present In doing so it resituates the artistic production of this region within broader socio cultural currents and analyzes its interconnections with international discourse competing

political and aesthetic ideologies and continuous discussions over identity **Encyclopedia of Contemporary German Culture** John Sandford, 2013-04-03 Pre and post unification culture Includes Austria and Switzerland Annotated suggestions for further reading English and German language works The Vienna School of Art History Matthew Rampley, 2013-11-11 Matthew Rampley's The Vienna School of Art History is the first book in over seventy five years to study in depth and in context the practices of art history from 1847 the year the first teaching position in the discipline was created to 1918 the collapse of Austria Hungary It traces the emergence of art history as a discipline the establishment of norms of scholarly inquiry and the involvement of art historians in wider debates about the cultural and political identity of the monarchy The so called Vienna School plays the central role in the study but Rampley also examines the formation of art history elsewhere in Austria Hungary Located in the Habsburg imperial capital Vienna art historians frequently became entangled in debates that were of importance to art historians elsewhere in the Empire and Rampley pays particular attention to these areas of overlapping interest He also analyzes the methodological innovations for which the Vienna School was well known Rampley focuses most fully however on the larger political and ideological context of the practice of art history particularly the way in which art historical debates served as proxies for wider arguments over the political social and cultural life of the Habsburg Empire **The Museum Age in Austria-Hungary** Matthew Rampley, Markian Prokopovych, Nóra Veszprémi, 2021-02-15 This important critical study of the history of public art museums in Austria Hungary explores their place in the wider history of European museums and collecting their role as public institutions and their involvement in the complex cultural politics of the Habsburg Empire Focusing on institutions in Vienna Cracow Prague Zagreb and Budapest The Museum Age in Austria Hungary traces the evolution of museum culture over the long nineteenth century from the 1784 installation of imperial art collections in the Belvedere Palace as a gallery open to the public to the dissolution of Austria Hungary after the First World War Drawing on source materials from across the empire the authors reveal how the rise of museums and display was connected to growing tensions between the efforts of Viennese authorities to promote a cosmopolitan and multinational social political and cultural identity on the one hand and on the other the rights of national groups and cultures to self expression They demonstrate the ways in which museum collecting policies practices of display and architecture engaged with these political agendas and how museums reflected and enabled shifting forms of civic identity emerging forms of professional practice the production of knowledge and the changing composition of the public sphere Original in its approach and sweeping in scope this fascinating study of the museum age of Austria Hungary will be welcomed by students and scholars interested in the cultural and art history of Central Europe Symbolist Art in Context Michelle Facos, 2009-03-31 The Symbolist art movement of the late 19th century forms an important bridge between Impressionism and Modernism But because Symbolism emphasizes ideas over objects and events it has suffered from conflicting definitions In this book Michelle Facos offers a comprehensive description of this challenging subject Annual Bibliography of Modern Art

Museum of Modern Art (New York, N.Y.). Library, 2001 **New Perspectives on Brücke Expressionism** Christian Weikop, 2017-07-05 New Perspectives on Brücke Expressionism Bridging History brings together highly renowned international art historians in a scholarly work that offers the first full length reassessment in English of the importance of the Brücke group to German modernism specifically and to international modernism more generally It challenges interrogates and updates existing orthodoxies in the field of Brücke studies by deploying new research combined with innovative interpretative approaches This is an exciting volume of essays with an interlinking tripartite structure that charts the significance of this pioneering German avant garde group in relation to various critical themes namely cultural and material identity collectivity and selfhood as well as defamation and rehabilitation The book is unique in the field in that it seeks to excavate specific historical research relating to the activities of the Brücke as a bohemian yet nonetheless enterprising artists community and considers the contributions of the key members in relation to the dynamics of that group rather than simply on an individual basis It thoroughly explores the historiography of the Brücke artists reception throughout the turbulent history of the twentieth century up until the present day **German Incertitudes, 1914-1945** Klemens von Klemperer, 2001-03-30 The history of modern Germany has all too readily been seen in terms of an historical process that inevitably led to the horrors of National Socialism As there are no certitudes in life however so there are none in German history In this book historian Klemens von Klemperer focuses on what he terms the German Incertitudes namely the tensions between a realistic acceptance of disenchantment with the modern world and an insistence upon reenchantment Exploring this tension through a critical assessment of the ideas and writings of major German thinkers von Klemperer seeks to account for both the achievements and the failings of German thought society and politics as responses to the challenge of modernity in the first half of the 20th century In addition to individuals such as Nietzsche Weber Spengler Jürgen Bonhoeffer and Heidegger the author considers broader movements and ideas such as the concept of Gemeinschaft and the German expressionists all in the wider context of Western intellectual currents Rather than belaboring presumed German deviance from the European norms von Klemperer explores the reasons why the sense of crisis in the face of modernity was singularly acute among Germans he traces a spectrum of reactions extending from an acceptance of modern disenchantment to the quest for reenchantment which found an extreme manifestation in National Socialism
