Modern Art And Mans Search For The Self:

Modern Art and Man's Search for the Self Fritz W. Faiss,1974-12-01 **The Search for the Self** Heinz

Kohut,2018-07-06 The re issuing of the four volumes of the author s writings is a major publishing event for psychoanalysts who are interested in both the theoretical and the therapeutic aspects of psychoanalysis These volumes contain the author s pre self psychology essays as well as those he wrote in order to continue to expand on his groundbreaking ideas which he presented in The Analysis of the Self the Restoration of the Self and in How Does Analysis Cure These volumes of The Search for the Self permit the reader to understand not only the above three basic texts of psychoanalytic self psychology more profoundly but also to appreciate Kohut s sustained openness to further changes to dare to present his self psychology as in continued flux influenced by newly emerging empirical data of actual clinical practice The current re issue of the four volumes of The Search for the Self would assure that the younger generation of psychoanalysts would be exposed to a clinical theory that could contribute greatly to solving the therapeutic dilemmas facing psychoanalysis today This is volume four

Analyzes life as we are living it and the analysis is truthful and profound New York Times Loneliness boredom emptiness These are the complaints that Rollo May encountered over and over from his patients In response he probes the hidden layers of personality to reveal the core of man s integration a basic and inborn sense of value Man s Search for Himself is an illuminating view of our predicament in an age of overwhelming anxieties and gives guidance on how to choose judge and act during such times **Summary of Rollo May's Man's Search for Himself** Everest Media,2022-05-13T22:59:00Z Please

note This is a companion version not the original book Sample Book Insights 1 The major inner problems of people in our day are unhappiness inability to decide about marriage or vocations general despair and meaninglessness in their lives and so on But what underlies these symptoms 2 The chief problem of people in the middle decade of the twentieth century is emptiness They do not know what they want and they do not have any clear idea of what they feel They feel empty because they do not have any definite experience of their own desires or wants 3 The problem with not knowing what you want is that it is often due to the fact that we live in a time of uncertainty with a future of insecurity facing us no matter how we look at it 4 The modern man is also hollow and this can be seen in the patients that come to psychologists and psychoanalysts for help The typical American character was previously inner directed but is now outer directed He seeks to fit in rather than stand out
