Ideas, Interests and the Development of the European Banking Systems Florian Brugger, 2020-08-17 What are the grand dynamics that drive the history of economies The laws of supply demand

most economists would argue For the history of European banking this book offers an alternative explanation Rather than market forces the coincidence and coalitions of charismatic ideas and powerful interests is what shaped banking in Europe In Ideas Interests and the Development of the European Banking Systems Florian Brugger traced decisive moments in the history of the European Banking Sector from the time of the Italian City States to the post World War I period he shows how coalitions of ideas and interests built the tracks along which the European Banking Sector developed Inspired by Max Weber he argues that economic organizations and institutions like the Banking Sector are embedded into three fundamental orders the economic the cultural and the political order Enforced and institutionalized by vested interests ideas of the cultural order legitimate and empower interests of the economic and political order What is more decisive moments were frequently characterized by coalitions of ideas and interests between parties that in normal times had nothing in common or were even confronting each other in a hostile way Modern Business: Banking Joseph French Johnson,1914 Banking in Modern China Linsun Cheng,2003-03-06 This is the first book to document in English the evolution of modern Chinese banking from the establishment in 1897 of the first Chinese bank along a Western model to the abrupt interruption of professional banking by the Japanese invasion in 1937 Drawing from original documents of major Chinese banks Linsun Cheng explains how and why the banks were able despite a succession of foreign and domestic crises to grow into viable and self sustaining institutions in China Rich with new unpublished historical details this book offers an original comprehensive narrative of the origins and growth of professional banks **Economic Problems of Modern Life, by S. Howard Patterson ... and Karl W. H. Scholz ...** Samuel Howard Patterson,1927 Modern Banking in India Sumant Khanderao Muranjan,1952
