Modern China A Brief History:

Modern China David Nelson Rowe, 2003 **Modern China** Rana Mitter, 2016-02-25 China today is never out of the news from international finance to human rights controversies global coverage of its rising international presence and the Chinese economic miracle It seems to be a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity This Very Short Introduction offers the reader an entry to understanding the world's most populous nation giving an integrated picture of modern Chinese society culture economy politics and art In this new edition Rana Mitter addresses China's current global position accounting for the country's growth in global significance over the past decade ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **History of Modern China** R.S. Chaurasia, 2004 This Book Studies All Aspects Of Chinese History From The Very Beginning To Date It Is Written In Very Easy Language And Lucid Style It Depicts As To How China Has Become One Of The Most Dominant Powers Of The World The Book Highlights Chinese Culture Its Religion Its View Of War And Military Its Attitudes Towards Other Cultures And The Development Of Society From Prehistoric To Modern Times Role Of Communist Party Of China Basic Features Of Constitution Of China And Details Of Communist Rule Of China Have Been Given In Detail The Topics Covered Are A Brief Survey Of Chinese History Its Educational System Career Political Ideas Of Mao Tse Tung Sino Soviet Relations Before And After Indo China Border Conflict China's Relations With U S A And Western Powers And With Third World Countries And U N O Sino Indian Relations And Tibet China After Mao And China's 21st Century Progress And Development Position Of Present China And Its Comparison With India Taiwan And Its Relation With Macao And Hong Kong Thus This Book Will Prove Very Useful For Students Of B A Hons And M A And For Various Competitive Examinations And For General Readers *The Making of Modern China* Owen Lattimore, Eleanor Holgate Lattimore, 1944 **Modern China** David N. Rowe, 1981-01-01 **The Oxford Illustrated History of Modern China** Jeffrey N. Wasserstrom, 2016-06-16 This lavishly illustrated volume explores the history of China during a period of dramatic shifts and surprising transformations from the founding of the Qing Dynasty 1644 1912 through to the present day The Oxford Illustrated History of Modern China promises to be essential reading for anyone who wants to understand this rising superpower on the verge of what promises to be the Chinese century introducing readers to important but often overlooked events in China's past such as the bloody Taiping Civil War 1850 1864 which had a death toll far higher than the roughly contemporaneous American Civil War It also helps readers see more familiar landmarks in Chinese history in new ways such as the Opium War 1839 1842 the Boxer Uprising of 1900 the rise to power of the Chinese Communist Party in 1949 and the Tiananmen protests and Beijing Massacre of 1989 This is one of the first major

efforts and in many ways the most ambitious to date to come to terms with the broad sweep of modern Chinese history taking readers from the origins of modern China right up through the dramatic events of the last few years the Beijing Games the financial crisis and China's rise to global economic pre eminence which have so fundamentally altered Western views of China and China's place in the world

The History of Modern China Zhiyue Bo, 2014-09-02 China whose recorded history extends back several thousand years was once the most advanced civilization on earth But after centuries of self imposed isolation the so called Middle Kingdom found itself lagging behind the world's industrialized countries Defeated militarily by the Western powers and Japan during the second half of the 19th century China went through a series of reforms and revolutions before the emergence of the People's Republic of China PRC in 1949 Internal political struggles stifled the PRC's development during its early decades but a reform program that began in the late 1970s has transformed China into an economic powerhouse and an increasingly important player on the international stage The History of Modern China offers a comprehensive account of China's historical evolution from a prosperous empire to a semi colonial nation and finally to an independent Communist state This volume also provides an in depth analysis of the interplay between China and the outside world as well as among China's various political forces

Modern China and Japan Conrad Schirokauer, 1982 Concentrates on the main currents of modern Chinese and Japanese history from the seventeenth century to the present Balances social and political facets as well as Far Eastern thought religion and the arts

Modern China: the Story of a Revolution Orville Schell, Joseph Esherick, 1972 Traces the history of China and its relationship with the West from the thirteenth century visit of Marco Polo to the present day

Modern China David Nelson Rowe, H. L. Richardson, Phyllis Schlafly, Chester Ward, 1965

People's China Craig Dietrich, 1986 A balanced and lively history of the People's Republic of China this remarkable book sketches the historical circumstances of the Chinese revolution and the cast of characters who seized power in 1949 after decades of national disintegration and defeat The author argues that Mao did not single handedly shape China's recent history rather events grew out of the complex interaction between Mao other major Chinese leaders influential political organizations and an often unpredictable population He also evaluates the nature and success of China's goals of economic and social modernization under communist rule Clearly and chronologically this book tells the essential story of contemporary China the background the ideology the massive campaigns the bureaucratization the blunders and the achievements

Modern China Ke-wen Wang, CRSN Staff, 1997-11-10 Charts Western influence and national development Beginning with the mid 19th century when China encountered the West and began to enter the modern age this encyclopedia offers an overview of the world's largest and most populous nation The coverage includes not only major political topics but also surveys the arts business literature education journalism and all other major aspects of the nation's social cultural and economic life The encyclopedia also offers significant material on such often neglected subjects as women and minorities modern drama Sino French War the federalist movement overseas Chinese Mongolian independence and more Special

emphasis throughout is on the dramatic changes that have taken place in the country since the end of World War II Provides an overview of the modern era The entries are written by China specialists who are thoroughly familiar with every aspect of the nation and its peoples While history predominates the articles cover all academic fields and include considerable material on recent decades as well as on earlier periods There are entries on national political leaders and key thinkers major events and trends in the nation s history institutions organizations and currents of thought that led to the emergence of the modern nation The encyclopedia s longer essays offer detailed and insightful surveys of censorship important eras literary movements powerful social groups anti imperialism campaigns Five Year Plans the Sino Vietnamese War economic breakthroughs and other vital topics The coverage is informed by a thorough exploration of the historical role of Chinese nationalism a potent force that was shaped by the need to retain national unity and independence under foreign assault

The Search for Modern China Pei-kai Cheng, Michael Elliot Lestz, Jonathan D. Spence, 1999 This collection of primary source documents many translated into English for the first time and available only in this book gather proclamations treaties laws and other public acts with pieces reflecting everyday life family social networks and culture **An Intellectual**

History of Modern China Merle Goldman, Leo Ou-fan Lee, 2002-05-16 This book is the only comprehensive book on modern China s intellectual history *The Creation of Modern China, 1894-2008* Iain Robertson Scott, 2016-06-30 China

preoccupies us yet its recent past is still relatively unfamiliar No country has undergone a greater period of sustained and turbulent change than China in the twentieth century but it has emerged again as a leading global power It is therefore more important than ever to understand the society it has become and its rise to such influence This timely study uses recent research to explore how China has been transformed from an economic and political backwater at the start of the twentieth century to its current pre eminent position one hundred years later **The Art of Modern China** Julia F. Andrews, Kuiyi

Shen, 2012-09-24 In the early twenty first century China occupies a place on center stage in the international art world But what does it mean to be a Chinese artist in the modern age This first comprehensive study of modern Chinese art history traces its evolution chronologically and thematically from the Age of Imperialism to the present day Julia Andrews and Kuiyi Shen pay particular attention to the dynamic tension between modernity and tradition as well as the interplay of global cosmopolitanism and cultural nationalism This lively accessible and beautifully illustrated text will serve and enlighten scholars students collectors and anyone with an interest in Asian art and artists **Selected Essays on the History of**

Contemporary China ZHANG Xingxing, 2015-02-17 The first volume of Historical Studies of Contemporary China offers an examination of some key events developments issues and figures in China since the founding of the People s Republic Drawing on rich primary and secondary sources leading experts in the political economic intellectual military and national defense and diplomatic history of the PRC present insights and analysis on a wide range of topics including emergency measures during the Difficult Three Year Period the relationship between Neo Confucianism and Marxism the evolution of

China's international arms control policies the Chinese government's public opinion campaign prior to reestablishing diplomatic relations with Japan the Kashmir Princess incident and others These accounts will help readers form a more nuanced understanding of China's efforts to deal with an array of new problems while trying to recover from the ravages of two wars *Ten Lessons in Modern Chinese History* Zheng Yangwen, 2018-04-25 This book is a timely and solid portrait of modern China from the First Opium War to the Xi Jinping era Unlike the handful of existing textbooks that only provide narratives this textbook fashions a new and practical way to study modern China Written exclusively for university students A level or high school teachers and students it uses primary sources to tell the story of China and introduces them to existing scholarship and academic debate so they can conduct independent research for their essays and dissertations This book will be required reading for students who embark on the study of Chinese history politics economics diaspora sociology literature cultural urban and women's studies It would be essential reading to journalists NGO workers diplomats government officials businessmen and travellers **Christianity in Modern China** David Cheung, 2004 This monograph studies a significant episode in Chinese Christianity Focusing on the origins of Protestantism in South Fujian it investigates the evolution of the churches which pioneered in indigenization and ecclesiastical union in China during the 19th century Modern China J. A. G. Roberts, 1998 Provides an introduction to the history of China since 1800 with chapter summaries and a chronology
