Modern Chivalry In Early American Law:

Modern Chivalry in Early American Law Madeline Sapienza, 1992-01-27 This work contains the legal contributions and observations of Hugh Henry Brackenridge Pennsylvania Supreme Court judge teacher preacher publisher gazetteer lawyer and fiction writer who reached the pinnacle of his career during the Jeffersonian era Brackenridge's body of legal thought is juxtaposed with the published lectures of James Wilson the commentaries on Blackstone by St George Tucker and selections from The Federalist Papers Contents Modern Chivalry The Early Books Modern Chivalry The Later Books Overview of Law Miscellanies Selected State Supreme Court Cases Concluding Thoughts Modern Chivalry Hugh Henry Brackenridge, 2009-09-01 It was only after serving as a chaplain in the American Revolution playing an important role in the Whiskey Rebellion and serving often controversially on the Pennsylvania Supreme Court that Hugh Henry Brackenridge composed his great comic epic Published in installments over the twenty eight year period beginning with Washington's presidency ending with that of Madison this irreverent and ribald novel relating the misadventures of Captain Farrago and his sidekick Teague O Regan leaves no major ethnic racial religious or political issue of the period unscathed The Yale Biographical Dictionary of American Law Roger K. Newman, 2009-01-01 This book is the first to gather in a single volume concise biographies of the most eminent men and women in the history of American law Encompassing a wide range of individuals who have devised replenished expounded and explained law The Yale Biographical Dictionary of American Law presents succinct and lively entries devoted to more than 700 subjects selected for their significant and lasting influence on American law Casting a wide net editor Roger K Newman includes individuals from around the country from colonial times to the present encompassing the spectrum of ideologies from left wing to right and including a diversity of racial ethnic and religious groups Entries are devoted to the living and dead the famous and infamous many who upheld the law and some who broke it Supreme Court justices private practice lawyers presidents professors journalists philosophers novelists prosecutors and others the individuals in the volume are as diverse as the nation itself Entries written by close to 600 expert contributors outline basic biographical facts on their subjects offer well chosen anecdotes and incidents to reveal accomplishments and include brief bibliographies Readers will turn to this dictionary as an authoritative and useful resource but they will also discover a volume that delights and entertains Listed in The Yale Biographical Dictionary of American Law John Ashcroft Robert H Bork Bill Clinton Ruth Bader Ginsburg Patrick Henry J Edgar Hoover James Madison Thurgood Marshall Sandra Day O Connor Janet Reno Franklin D Roosevelt Julius and Ethel Rosenberg John T Scopes O J Simpson Alexis de Tocqueville Scott Turow And more than 700 others Law and Letters in American Culture Robert A. Ferguson, 1984 The role of religion in early American literature has been endlessly studied the role of the law has been virtually ignored Robert A Ferguson's book seeks to correct this imbalance With the Revolution Ferguson demonstrates the lawyer replaced the clergyman as the dominant intellectual force in the new nation Lawyers wrote the first important plays novels and poems as

gentlemen of letters they controlled many of the journals and literary societies and their education in the law led to a controlling aesthetic that shaped both the civic and the imaginative literature of the early republic An awareness of this aesthetic enables us to see works as diverse as Jefferson's Notes on the State of Virginia and Irving's burlesque History of New York as unified texts products of the legal mind of the time The Declaration of Independence the Constitution and the great political orations were written by lawyers and so too were the literary works of Trumbull Tyler Brackenridge Charles Brockden Brown William Cullen Bryant Richard Henry Dana Jr and a dozen other important writers To recover the original meaning and context of these writings is to gain new understanding of a whole era of American culture The nexus of law and letters persisted for more than a half century Ferguson explores a range of factors that contributed to its gradual dissolution the yielding of neoclassicism to romanticism the changing role of the writer the shift in the lawyer's stance from generalist to specialist and from ideological spokesman to tactician of compromise the onslaught of Jacksonian democracy and the problems of a country torn by sectional strife At the same time he demonstrates continuities with the American Renaissance And in Abraham Lincoln he sees a memorable late flowering of the earlier tradition

Backcountry Democracy and the Whiskey Insurrection Linda Myrsiades, 2024-04-15 Backcountry Democracy and the Whiskey Insurrection treats the legal culture that informed the Whiskey Rebellion of 1794 and its trials Linda Myrsiades examines conflicts between state and federal courts and the judicial philosophy of Federalist judges as well as grand jury charges law reports judges bench notes and defense notes for the trials to develop a portrait of the hegemony of official interpretations of the law At the same time the book illuminates popular attitudes about the courts and the law and explores the nature of extralegal courts operated by the people Myrsiades captures the agitation propaganda efforts mounted by rebel communities and groups together with petitions and speeches in the rebel assemblies in demonstrating that popular culture offered a clear politico legal justification within the rebel movement on the unofficial side of legal culture Myrsiades thus presents a holistic picture of the legal culture of the rebellion Her examination denies the common perception that the rebel movement was incoherent and chaotic and presents an alternative view that its perceptions are a necessary correlative to understanding how treason law functioned and what its critical elements were in the late eighteenth century serving as a lesson for democracy in the present era

Revolution and the Word Cathy N. Davidson, 2004-09-30 Now greatly expanded this classic study has been updated to include the major controversies developments in literary cultural theory over the past two decades It traces the co emergence of the United States as a nation the literary genre of the novel

Law and Medicine in Revolutionary America Linda Myrsiades, 2012-05-18 Law and Medicine in Revolutionary America Dissecting the Rush v Cobbett Trial 1799 offers the first deep analysis of the most important libel trial in post revolutionary America and an approach to understanding a much studied revolutionary figure Benjamin Rush in a new light as a legal subject This libel trial faced off the new nation's most prestigious physician patriot Benjamin Rush against its most popular journalist William Cobbett the editor of Porcupine

s Gazette Studied by means of a rare and substantial surviving transcript the trial features six litigating counsel whose narrative of events and roles provides a unique view of how the revolutionary generation saw itself and the legacy it wished to leave to its progeny The trial is structured by assaults against medical bleeding and its premier practitioner in yellow fever epidemics of the 1790s in Philadelphia on the one hand and castigates the licentiousness of the press in the nation s then capital city on the other As it does so it exemplifies the much derided litigiousness of the new nation and the threat of sedition that characterized the development of political parties and the partisan press in late eighteenth century America

American Literature Before 1880 Robert Lawson-Peebles,2003-11-13 American Literature Before 1880 attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature

After the Revolution: Profiles of Early American Culture Joseph J. Ellis,2002-03-17 Through portraits of four figures Charles Willson Peale Hugh Henry Brackenridge William Dunlap and Noah Webster Joseph Ellis provides a unique perspective on the role of culture in post Revolutionary America both its high expectations and its frustrations An entrepreneur a writer who wanted to depict an ideal society a dramatist who tried to reconcile high aesthetic standards and populism and a Connecticut Yankee who ran into the contradictions of conservatism and liberalism each of the four men depicted in this book had a vision of what kind of society post Revolutionary America should be Through portraits of these bellwether figures the prize winning historian Joseph J Ellis examines the currents that were shaping the new country

Revolution and the Word : The Rise of the Novel in America Cathy N. Davidson Professor of English Duke University,1987-02-19 Revolution and the Word offers a unique perspective on the origins of American fiction looking not only at the early novels themselves but at the people who produced them sold them and read them It shows how in the aftermath of the American Revolution the novel found a special place among the least privileged citizens of the new republic As Cathy N Davidson explains early American novels most of them now long forgotten were a primary means by which those who bought and read them especially women and the lower classes moved into the higher levels of literacy required by a democracy This very fact Davidson shows also made these people less amenable to the control of the gentry who naturally enough derided fiction as a potentially subversive genre Combining rigorous historical methods with the newest insights of literacy theory Davidson brilliantly reconstructs the complex interplay of politics ideology economics and other social forces that governed the way novels were written published distributed and

understood Davidson also shows in almost tactile detail how many Americans lived during the Constitutional era She depicts the life of the traveling book peddler the harsh lot of the printer the shortcomings of early American schools the ambiguous politics of novelists like Brackenridge and Tyler and the lost lives of ordinary women like Tabitha Tenney and Patty Rogers Drawing on a vast body of material the novels themselves as well as reviews inscriptions in cherished books letters and diaries and many other records Davidson presents the genesis of American literature in its fullest possible context

Pierson v. Post, The Hunt for the Fox Angela Fernandez, 2018-09-27 The 1805 New York foxhunting case Pierson v Post has long been used in American property law classrooms to introduce law students to the concept of first possession by asking how one establishes possession of a wild animal In this book Angela Fernandez retells the history of the famous fox case from its origins as a squabble between two wealthy young men on the South Fork of Long Island through its appeal to the New York Supreme Court and entry into legal treatises law school casebooks and law journal articles where it still occupies a central place Fernandez argues that the dissent is best understood as an example of legal solemn foolery Yet it has been treated by legal professionals the lawyers of its day and subsequent legal academics in such a serious way demonstrating how the solemn and the silly can occupy two sides of the same coin in American legal history **The**

Transformation of Authorship in America Grantland S. Rice, 1997-06-23 Did the emergence of a free press liberate eighteenth century American authors Most critics and historians have assumed so In a study certain to force a rethinking of early American literary culture Grantland S Rice overturns this dominant view Rice argues that the lapse of Puritan censorship the consolidation of copyright law and the explosion of a commercial print culture confronted writers in the new United States with a striking predicament the depoliticization and commodification of public expression Rice shows that the rigorous censorship practiced by Puritan authorities conferred an implicit prestige on texts as civic interventions helping to foster a vigorous and indigenous tradition of sociopolitical criticism With special attention to the sudden emergence of the novel in post revolutionary America Rice reveals how the emergence of economic liberalism undermined the earlier tradition of political writing by transforming American authorship from an expression of individual civic conscience to a market oriented profession Includes discussions of the writings of Benjamin Franklin Michel Guillaume Jean de Cr vecoeur and Hugh

Henry Brackenridge **Imagining the British Atlantic after the American Revolution** Michael Meranze, Saree Makdisi, 2016-01-28 Between 1750 and 1820 tides of revolution swept the Atlantic world From the new industrial towns of Great Britain to the plantations of Haiti they heralded both the rise of democratic nationalism and the subsequent surge of imperial reaction In Imagining the British Atlantic after the American Revolution nine essays consider these revolutionary transformations from a variety of literary visual and historical perspectives On topics ranging from painting and poetry to prison reform the essays challenge and complicate our understandings of revolution and reaction within the transatlantic imagination Drawing on examples from different local and regional contexts they demonstrate the many remarkably local

ways that revolution and empire were experienced in London Pennsylvania Pitcairn Island and points in between Published by the University of Toronto Press in association with the UCLA Center for Seventeenth and Eighteenth Century Studies and the William Andrews Clark Memorial Library The Continuum Encyclopedia of American Literature Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 **A Companion to American Legal History** Sally E. Hadden, Alfred L. Brophy, 2013-02-22 A Companion to American Legal History presents a compilation of the most recent writings from leading scholars on American legal history from the colonial era through the late twentieth century Presents up to date research describing the key debates in American legal history Reflects the current state of American legal history research and points readers in the direction of future research Represents an ideal companion for graduate and law students seeking an introduction to the field the key questions and future research ideas **Medical Culture in Revolutionary America** Linda Myrsiades, 2009-03 Focusing on doctors feuds and duels yellow fever epidemics in Philadelphia and a court martial of the medical director of army hospitals in the Revolutionary War this title is set during a time when American medicine was caught in a period of catastrophic change **The Early American Novel** Lillie Deming Loshe, 1907 **Encyclopedia of Legal Information Sources** Brian L. Baker, Patrick J. Petit, 1993 Over 19 000 live print and electronic information sources for 460 legal topics are quickly accessible in this guide to the US legal system The work is arranged alphabetically by subject from actions and defences to noteworthy trials and users can see at a glance what printed materials are available what organizations are active in that subject and whether any databases or other electronic information sources are available

The Cambridge Companion to Nineteenth-Century American Literature and Politics John D. Kerker, 2025-03-13 This volume addresses the political contexts in which nineteenth century American literature was conceived consumed and criticized It shows how a variety of literary genres and forms such as poetry drama fiction oratory and nonfiction engaged with political questions and participated in political debate *Beautiful Deceptions* Philipp Schweighauser, 2016-09-02 The art of the early republic abounds in representations of deception the villains of Gothic novels deceive their victims with visual and acoustic tricks the ordinary citizens of picaresque novels are hoodwinked by quacks and illiterate but shrewd adventurers and innocent sentimental heroines fall for their seducers eloquently voiced half truths and lies Yet as Philipp Schweighauser points out in *Beautiful Deceptions* deception happens not only within these novels but also through them The fictions of Charles Brockden Brown Hugh Henry Brackenridge Susanna Rowson Hannah Webster Foster Tabitha Gilman Tenney and Royall Tyler invent worlds that do not exist Similarly Charles Willson Peale s and Raphaelle Peale

s trompe l'oeil paintings trick spectators into mistaking them for the real thing and Patience Wright's wax sculptures deceive and disturb viewers. *Beautiful Deceptions* examines how these and other artists of the era at times acknowledge art's dues to other social realms: religion, morality, politics, but at other times insist on artists' right to deceive their audiences, thus gesturing toward a more modern, autonomous notion of art that was only beginning to emerge in the eighteenth century. Building on Alexander Gottlieb Baumgarten's definition of aesthetics as the science of sensuous cognition and the writings of early European aestheticians including Kant, Schiller, Hume, and Burke, Schweighauser supplements the dominant political readings of deception in early American studies with an aesthetic perspective. Schweighauser argues that deception in and through early American art constitutes a comment on eighteenth-century debates concerning the nature and function of art as much as it responds to shifts in social and political organization.

Modern Chivalry In Early American Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern Chivalry In Early American Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern Chivalry In Early American Law has opened up a world of possibilities. Downloading Modern Chivalry In Early American Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern Chivalry In Early American Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern Chivalry In Early American Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern Chivalry In Early American Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern Chivalry In Early American Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern Chivalry In Early American Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern Chivalry In Early American Law Books

What is a Modern Chivalry In Early American Law PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Modern Chivalry In Early American Law PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Modern Chivalry In Early American Law PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Modern Chivalry In Early American Law PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Modern Chivalry In Early American Law PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
