The Routledge Companion to Butoh Performance Bruce Baird, Rosemary Candelario, 2018-09-03 The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s, butoh was a major innovation in twentieth-century dance and performance and it continues to shape shift around the world. Taking inspiration from the Japanese avant-garde, Surrealism, Happenings, and authors such as Genet and Artaud, its influence can be seen throughout contemporary performing arts, music, and visual art practices. This Companion places the form in historical context, documents its development in Japan and its spread around the world, and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh, and the editors bring specially commissioned essays by leading scholars and dancers together with translations of important early texts. The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4-volume work. Although there has been extensive research on women in history by region, no text or reference work has comprehensively covered the role women have played throughout world history. The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe. Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region. They have found and demonstrated that there is virtually no historical, social, or demographic change in which women have not been involved and by which their lives have not been affected. The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical, social, and demographic changes. The Encyclopedia contains over 1,250 signed articles arranged in an A-Z format for ease of use. The entries cover six main areas: biographies, geography, and history; comparative culture and society; including adoption, abortion, performing arts, organizations, and movements such as the Egyptian Uprising and the Paris Commune; women's and gender studies; and topics in world history that include slave trade, globalization, and disease. With its rich and insightful entries by leading scholars and experts, this reference work is sure to be a valued go-to resource for scholars, college and high school students, and general readers alike.

The Oxford Handbook of Contemporary Ballet Kathrina Farrugia-Kriel, Jill Nunes Jensen, 2021 Features viewpoints from dance scholars, critics, choreographers, and dancers. Highlights contributions from choreographers around the globe. Includes a significant range of cultural and historical contexts in the late twentieth and early twenty-first centuries. Book jacket

Anglicisms, Neologisms and Dynamic French Michael D. Picone, 1996-10-18 This comprehensive study of Anglicisms in the context of accelerated neological activity in Contemporary Metropolitan French not only provides detailed documentation and

description of a fascinating topic but opens up new vistas on issues of general linguistic interest the effects of technology on language the analyticity syntheticity controversy the lexical contribution to language vitality the study of compound word formation the interplay between cultural and linguistic affectivity By investigating the dynamics of borrowing within the larger framework of general neological productivity and by bringing to bear cognitive and pragmatic considerations a much needed fresh approach to the entire question of Anglicisms takes shape All pertinent phenomena regarding Anglicisms in French a topic which continues to command the attention of language commentators and defenders in France and elsewhere are explored integral borrowings semantic calques structural calques the generation of pseudo Anglicisms and hybrids graphological and phonological phenomena In each case the phenomenon is investigated in the proper context of its interaction with other pertinent neological phonological and sociocultural developments These include general changes in French compound word formation modified derivational dynamics the microsystem of pseudo Classical morphology historic phonological instabilities the pressure for more synthetic types of lexical production in relation to the needs of technology and society Rather than adhering rigidly to any single theoretical model there is an attempt to set up a dialog between differing models in order to arrive at a multidimensional view of the phenomena investigated

French Moves Felicia McCarren, 2013-04-25 For more than two decades le hip hop has shown another face of France danced by minorities associated with immigration and the suburbs it has channeled rage against racism and unequal opportunity and offered a movement vocabulary for the expression of the multicultural difference that challenges the universalist discourse of the Republic French hip hoppers subscribe to U S black culture to articulate their own difference but in France hip hop was championed by a Socialist cultural policy subsumed into the cultural heritage and instituted as a pedagogy France supported hip hop dance as an art of the suburbs a multicultural mix of North African African and Asian forms that circulate with classical and contemporary dance performance French hip hop develops into concert dance becoming a civic discourse and legitimate employment not through the familiar model of a culture industry but within a Republic of Culture It nuances an Anglo Saxon model of identity politics with a francophone identity poetics and grants its dancers a national profile as artists who develop dance techniques and transmit body based knowledge This book the first in English to introduce readers to the French hip hop movement analyzes the choreographic development of hip hop into la danse urbaine touring on national and international stages as hip hoppers move beyond the suburbs figuring new forms within the mobility brought by new media and global migration

The Palgrave Handbook of Contemporary Irish Theatre and Performance Eamonn Jordan, Eric Weitz, 2018-09-18 This Handbook offers a multiform sweep of theoretical historical practical and personal glimpses into a landscape roughly characterised as contemporary Irish theatre and performance Bringing together a spectrum of voices and sensibilities in each of its four sections Histories Close ups Interfaces and Reflections it casts its gaze back across the past sixty years or so to recall analyse and assess the recent legacy of theatre and performance on this island

While offering information overviews and reflections of current thought across its chapters this book will serve most handily as food for thought and a springboard for curiosity Offering something different in its mix of themes and perspectives so that previously unexamined surfaces might come to light individually and in conjunction with other essays it is a wide ranging and indispensable resource in Irish theatre studies *The Bloomsbury Companion to Dance Studies* Sherril Dodds,2019-03-21

The Bloomsbury Companion to Dance Studies brings together leading international dance scholars in this single collection to provide a vivid picture of the state of contemporary dance research The book commences with an introduction that privileges dancing as both a site of knowledge formation and a methodological approach followed by a provocative overview of the methods and problems that dance studies currently faces as an established disciplinary field The volume contains eleven core chapters that each map out a specific area of inquiry Dance Pedagogy Practice As Research Dance and Politics Dance and Identity Dance Science Screendance Dance Ethnography Popular Dance Dance History Dance and Philosophy and Digital Dance Although these sub disciplinary domains do not fully capture the dynamic ways in which dance scholars work across multiple positions and perspectives they reflect the major interests and innovations around which dance studies has organized its teaching and research Therefore each author speaks to the labels methods issues and histories of each given category while also exemplifying this scholarship in action The dances under investigation range from experimental conceptual concert dance through to underground street dance practices and the geographic reach encompasses dance making from Europe North and South America the Caribbean and Asia The book ends with a chapter that looks ahead to new directions in dance scholarship in addition to an annotated bibliography and list of key concepts The volume is an essential guide for students and scholars interested in the creative and critical approaches that dance studies can offer **The Rough Guide to France** David Abram,2003 From cosmopolitan Paris to the sunny Cote d Azur from historical Normandy to the rocky Pyrenes this new edition updates the best of towns attractions and landscapes of every region 100 maps of color photos **Consuming Urban Culture in Contemporary Vietnam** Lisa Drummond,Mandy Thomas,2005-07-25 Vietnam is currently undergoing a metamorphosis from a relatively closed society with a centrally planned economy to a rapidly urbanising one with a global outlook These changes have been the catalyst for an exciting ferment of activity in popular culture This volume contains contributions from scholars engaged in the most up to date social research in Vietnam as well as some of Vietnam s most popular cultural producers who are forging new ways of imagining the present whilst at the same time engaging actively in reinterpreting the past The diverse ways that Vietnam is culturally and socially negotiating the future are examined as the book addresses issues of indigenisation of cultural influences ambivalence surrounding change and the consistent blurring of boundaries between informal non state cultural activities and formal institutional structures in the evolution of a civil society in Vietnam
