Modern French Philosophy:

Modern French Philosophy John Alexander Gunn, 1922 *Modern French Philosophy* Vincent Descombes, 1980

Modern French Philosophy John Alexander Gunn, 1974 *Modern French Philosophy* Robert Wicks, 2013-10-01 This is a thorough and balanced guide to modern French philosophical thought providing lucid authoritative accounts of famous philosophers whilst also highlighting lesser known figures Author Robert Wicks introduces the major works of each philosopher explaining their impact on their peers and on the wider world Covering such major movements as Existentialism Surrealism Structuralism and Postmodernism this handbook is a useful resource for Francophiles students of philosophy and all those interested in the intellectual landscape of 20th and 21st century France The book includes detailed coverage of such philosophers as Henri Bergson Beauvoir Sartre Camus Barthes Derrida Foucault Deleuze and Levi Strauss among others

Judgement and Sense in Modern French Philosophy Henry Somers-Hall, 2022-06-23 Develops new readings of key figures in the French tradition that together constitute a new reading of the tradition itself **The Oxford Handbook of Modern French Philosophy**, 2024-06-25 French philosophy is an internationally celebrated national philosophical tradition and this Oxford Handbook offers a comprehensive approach to its history since 1800 The Handbook features essays written by renowned international specialists illuminating key movements and positions themes and thinkers in nineteenth twentieth and even twenty first century French philosophy The volume takes into account developments in recent historical scholarship by broadening the notion of Modern French Philosophy in two ways Whereas recent approaches in the field have often ignored early nineteenth century developments this volume offers comprehensive treatment of French thought of this period in order to grasp better later developments Moreover the volume extends the canon at the other end of the period of Modern French Philosophy by including work on philosophers who have come to prominence only in the last ten or twenty years The volume takes French philosophy in a broad sense to include all philosophy carried out in France over the last 200 years and it illuminates the institutional and cultural background of this national philosophical tradition in such a way as to provide a fuller and more comprehensive understanding of its unity and of its more famous moments in the twentieth century

Modern French Philosophy M. A. Gunn, J. Alexander Gunn, Ph.d., 2005-04-01 *MODERN FRENCH PHILOSOPHY* John Alexander 1896 Gunn, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a

historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Modern French Philosophy John Alexander Gunn,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book Negative Theology and Modern French Philosophy Arthur Bradley,2024-11-01 This book provides a significant and insightful exploration of the so called theological turn in contemporary French thought The philosopher Jacques Derrida speaks of a deeply ambiguous desire to save the name of God in his work on negative theology and this desire resonates in different ways in the work of his contemporaries This turn to religion within the work of a group of thinkers who have been stereotypically identified as relativists or nihilists prompts a series of questions which form the background to this study Negative Theology and Modern French Philosophy advance a reading of negative theology as an ancient name for something that is essential not simply to modern French thought but to all responsible thought and action whatsoever It will be of essential interest to theologians and philosophers and will also interest those concerned with the work of Derrida and his contemporaries Modern French Philosophy: a Study of the Development Since Comte, Etc John Alexander GUNN,1922 *Encyclopedia of Modern French Thought* Christopher John Murray,2013-01-11 In this wide ranging guide to twentieth century French thought leading scholars offer an authoritative multi disciplinary analysis of one of the most distinctive and influential traditions in modern thought Unlike any other existing work this important work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more **Modern French Philosophy** John A. W. Gunn,1980 **The Thinking Muse** Jeffner Allen,Iris Marion Young,1989 some very serious critiques of French existential phenomenology and post structuralism the contributors offer some refreshingly new insights into some tried and true philosophical texts and more recent works of literary theory Philosophy and LiteratureBy bridging the gap between analytic and continental philosophy the authors of The Thinking Muse Feminism and the Modern French Philosophy largely overcome the cultural polarity between male thinker and female muse EthicsThese engaging essays by American Feminists bring together feminist philosophy existential phenomenology and recent currents in French poststructuralist thought The editors provide an excellent introductory overview making this an ideal book for courses in feminist theory and philosophy and modern French thought Philosopher s IndexThe concerns raised in this volume are substantial a solid addition to the canon of American feminist philosophy Philosophy and Literature a forum

for feminist appropriations of existential and post structuralist philosophy Canadian Philosophical Reviews Marking a radical shift in the traditional philosophical separation between muse female and thinker male The Thinking Muse revises the scope and methods of philosophical reflection These engaging essays by American feminists bring together feminist philosophy existential phenomenology and recent currents in French poststructuralist thought **Modern French Legal Philosophy** Alfred Fouillée, Léon Duguit, 1916 **Contemporary French Philosophy** Caroline Williams, 2001-11-01 French philosophy and cultural theory continue to hold a prestigious and influential position in European thought One of the central themes of contemporary French philosophy is its concern with the theoretical and political status of the subject a question which has been broached by structuralists and poststructuralists through an analysis of the construction of the subject in and by language discourse power and ideology Contemporary French Philosophy outlines the construction of the subject in modern philosophy focusing in particular on the seminal work of Althusser Lacan Derrida and Foucault The book interrogates some of the most influential perspectives on the question of the subject to contest those postmodern voices which announce its disappearance or death It argues instead that the question of the subject persists even in those perspectives which seek to abandon it altogether Providing a broad introduction to the field and an original analysis of some of the most influential theorists of the 20th Century the book will be of great interest to political and literary theorists cultural historians as well as to philosophers The Religion of Philosophy, as Contra-distinguished from Modern French Philosophy: and as an Antidote to Its Pernicious Effects Lately So Evident in the Prevalence of Assassination & Suicide John HARRIOTT, 1812 Modern French Legal Philosophy Alfred Fouillée, J..
