Modern Guitar Method Grade 1 Mel Bay, 2016-03-15 The world's premier method for learning modern plectrum style guitar. Time tested and proven successful in building the theoretic and technical foundation needed to play in any style. All seven grades of this method are written in standard notation only to encourage better sight reading. In Grade 1 the student guitarist will learn to play solos, duets, scales, and chords in the keys of C, A minor, G, and E minor. Even in Grade 1 the student is already exposed to the chord melody concept of guitar performance. A supplementary study book entitled Grade 1 Studies, two different play-along CD recordings (pop version and traditional) and a DVD are available. The companion recordings feature Tommy Flint and William Bay playing in split-track format with the solo parts performed on the right channel and the accompaniment or second duet parts played on the left. The student can play along with the full recording or tune out either channel and play the missing part.
