Modern Illustration - The Original Classic Edition Joseph Pennell, 2013-03-18 Finally available a high quality book of the original classic edition of Modern Illustration It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Joseph Pennell which is now at last again available to you Get the PDF and EPUB NOW as well Included in your purchase you have Modern Illustration in EPUB AND PDF format to read on any tablet eReader desktop laptop or smartphone simultaneous Get it NOW Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Modern Illustration Look inside the book There is another most serious really insurmountable difficulty forPg xix me or anyone else who attempts to write of modern illustration no illustrations are catalogued to any extent only the most important illustrators find a place in either the catalogues of South Kensington Art Library or the British Museum therefore a few years even a few weeks after an illustrated book is published if it has already passed through several editions it may require hours to find the edition one wants It is by no means uncommon to omit the name of the artist altogether from the work he has illustrated rarely indeed is it that the engraver s name Pg xxix given sometimes no mention that the work is illustrated is even made on the title page or only that it contains so many illustrations usually if an attempt is made to describe the method by which the designs have been reproduced it is wrong in rare cases I am glad to say this is intentional photogravures being called etchings for example but it is mainly the result of sheer ignorance on the part of publisher author or at times the illustrator Hence there are two matters to which I should like to call attention that all library catalogues give the name of artist and engraver whenever these are printed in the book being catalogued naturally in a work like this or a magazine such a course would be impossible but at least the number of illustrations might be given
