**Elise K. Tipton**

## **Modern Japan A Historical Survey:**

Modern Japan Elise K. Tipton, 2008-03-19 This thoroughly updated second edition of Modern Japan provides a concise and fascinating introduction to the social cultural and political history of modern Japan Ranging from the Tokugawa period to the present day the book charts the country's evolution into a modernized economic and political world power Dealing with a broad and stimulating range of topics in an engaging style that will appeal to university students and the general reader this book weaves social and political developments and balances a micro with a macro approach introducing details about everyday lives that shed light on the bigger picture of major historical changes Its systematic attention to gender issues minorities and popular culture distinguishes this history and contributes to a sense of the complexity and diversity of modern Japanese society Completely up to date and including many new images and a timeline that charts important events this highly accessible and comprehensive textbook is an essential resource for students scholars and teachers of Japanese history politics culture and society

**Modern Japan** Mikiso Hane, 1992-04-19 In this newly revised edition of his readable and thoughtful survey Mikiso Hane presents the essential facts of modern Japanese history He integrates political events with the cultural and economic activities of each period and is particularly sensitive to the conditions of life in all strata of the population The new edition covers a variety of important developments through the early 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected these recent developments As background for his study of the modern era Hane summarizes the early history of Japan with due attention to institutions that have molded the nature of Japanese society including Shinto the Emperor system Buddhism and feudalism Hane then sets the stage for modern Japan with a detailed and analytical discussion of the Tokugawa period The survey takes on immediacy as it chronicles the growth of Westernization in the nineteenth century and the ascendancy of militarism in the twentieth The chapters on Meiji Japan balance politics and economics with a close look at social conditions education and religion The story of Japan's role in World War II its defeat in 1945 and the occupation is told dispassionately but from a Japanese vantage point Hane's portrait of life in postwar Japan is enriched by material on contemporary literature Japanese youth culture and other intellectual developments The last chapter focuses on the dramatic economic surge since 1970 and the accompanying social changes in life style and attitudes particularly for women and the working class Reiterating themes that permeate the book a final section reviews Japan's relations with the outside world especially with the United States and the ongoing tension between the old and the new the traditional and the modern A useful bibliography and well chosen illustrations enhance the text

**Modern Japan** Mikiso Hane, Louis G. Perez, 2013 A thoughtful and richly detailed survey of modern Japanese history from the Tokugawa period to the present

**Modern Japan** Mikiso Hane, 1986-11-20 The book focuses on essential developments in political intellectual cultural economic and social developments with focus on the status of women peasants and minority groups

*Modern Japan* Mikiso Hane And Louis G. Perez, 2011-05-01 Integrating political events with cultural

economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan s early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fourth edition now includes the latest scholarship on feudal women samurai tactics Chonin education political reforms in the late Tokugawa period foreigners in Nagasaki during the Meiji Restoration and early feminism in the later Meiji period Bringing Japanese history up to date the final chapter details current issues including the impact of the Gulf Wars on Japanese international relations and the recent controversies over Japanese war crimes the so called Comfort Women and the Yasukuni war memorial

*Modern Japan, Student Economy Edition* Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history It covers a variety of important developments through the 1990s giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments

*Japan; a Historical Survey* Mikiso Hane, 1972-01-01

**Premodern Japan** Mikiso Hane, Louis G. Perez, 2018-04-17 Japanese historian Louis Perez brings Mikiso Hane s rich and beloved account of early Japanese history up to date in this thoroughly revised Second Edition of Premodern Japan The text traces the key developments of Japanese history in the premodern period including the establishment of the imperial dynasty early influences from China and Korea the rise of the samurai class and the establishment of feudalism the culture and society of the long Tokugawa period the rise of Confucianism and Shinto nationalism and finally the end of Tokugawa rule While the text provides many political developments through the early modern period it also integrates the social cultural and intellectual aspects of Japanese history as well Perez s updates to the text provide a comprehensive overview of the major social political and religious trends in premodern Japan as well as offering the most current scholarship

**The Economic Development of Japan 1868-1941** W. J. Macpherson, 1995-09-14 Concise overview of Japanese economic history between 1868 and 1941 with a comprehensive guide to further reading now updated to 1994

Routledge Library Editions: Japan's International Relations Various Authors, 2021-05-28 This set brings together a collection of key works about the International Relations of Japan Written by a range of international experts the titles cover the essential aspects of Japan s postwar relationship to the outside world its changing notion of its role in the international community and its relations with China and the US

**On the Process of Civilisation in Japan** Wai Lau, 2022-11-03 Winner of the Norbert Elias Book Prize 2023 This book charts the process of civilisation in Japan Using the theory of civilising processes developed by Norbert Elias the author examines the complex underlying structural and psychological processes from the seventh century to the twentieth century Furthermore by drawing on rich historical data the author illustrates how these complex processes led the Japanese to see themselves as more civilised than their forebears and neighbouring countries Although the theory serves as an important reference point the author draws on other works to address different complex questions surrounding Japanese development Therefore this book presents three key themes first

it gives an alternative understanding of the complex developments of Japanese society second it intercedes into an ongoing debate about the applicability of Elias s theory in a non Western context and third it expands Elias s theory     **A Yankee in Meiji Japan** James L. Huffman,2003 This unique book portrays the evolution of Meiji Japan through the life of crusading journalist Edward H House 1836 1901 In chapters that alternate between history and biography James Huffman shows how one man bridged continents shaping American attitudes influencing Japan s movement toward modernity and providing a contemporary critique of imperialism Huffman also captures the human drama of House s life his early bohemianism the mystical way Japan drew him the painful struggle with gout the joy and torment of adopting a Japanese girl his fight for women s education and the vicissitudes of friendship with Mark Twain Meticulously researched the book draws on House s voluminous writings and on hundreds of letters between House and major figures in both America and Japan including Mark Twain U S Grant John Russell Young Edmund Clarence Stedman Okuma Shigenobu and Inoue Kaoru With its lively accessible prose and seamless interweaving of the life of House with the history of the Meiji era this book will be welcomed by students scholars and general readers interested in modern Japanese history and in America s nineteenth century foreign relations

Japan's Imperial Army Edward J. Drea,2016-05-03 Popular impressions of the imperial Japanese army still promote images of suicidal banzai charges and fanatical leaders blindly devoted to their emperor Edward Drea looks well past those stereotypes to unfold the more complex story of how that army came to power and extended its influence at home and abroad to become one of the world s dominant fighting forces This first comprehensive English language history of the Japanese army traces its origins evolution and impact as an engine of the country s regional and global ambitions and as a catalyst for the militarization of the Japanese homeland from mid nineteenth century incursions through the end of World War II Demonstrating his mastery of Japanese language sources Drea explains how the Japanese style of warfare burnished by samurai legends shaped the army narrowed its options influenced its decisions and made it the institution that conquered most of Asia He also tells how the army s intellectual foundations shifted as it reinvented itself to fulfill the changing imperatives of Japanese society and how the army in turn decisively shaped the nation s political social cultural and strategic course Drea recounts how Japan devoted an inordinate amount of its treasury toward modernizing professionalizing and training its army which grew larger more powerful and politically more influential with each passing decade Along the way it produced an efficient military schooling system a well organized active duty and reserve force a professional officer corps that thought in terms of regional threat and well trained soldiers armed with appropriate weapons Encompassing doctrine strategy weaponry and civil military relations Drea s expert study also captures the dominant personalities who shaped the imperial army from Yamagata Aritomo an incisive geopolitical strategist to Anami Korechika who exhorted the troops to fight to the death during the final days of World War II Summing up Drea also suggests that an army that places itself above its nation s interests is doomed to failure     **Histories of Children and Childhood in Meiji Japan** Christian Galan,Harald

Salomon,2024-02-29 This book bridges the gap between historical research on Japan and the field of childhood history by writing children and childhood into the general historical record of the Meiji period To explore the widely varying circumstances of childhood during the Japanese transition to modernity the volume presents survey studies and snapshots of historical moments by authors from Europe Japan and North America These histories of children and childhood address various thematic aspects from birth and child rearing to the representation of childhood in literary works and these are approached from differing angles in terms of theoretical perspectives and methodology The contributions display a particular awareness for the problem of sources in writing the history of childhood and youth In doing so they provide precious insights into children s living circumstances and notions of childhood also beyond the urban centres of evolving modern Japan Exploring a wealth of sources including autobiographies educational essays government documents children s literature youth journals and medical manuals this will be a valuable resource to students and scholars of Japanese history children s studies the history of education and social policy more broadly      **Nation Building in Japan, 1945-1952** Peter K. Frost,2024-03-28 This book analyzes the Allied Occupation of Japan 1945 1952 It begins by explaining why Japan spent roughly fifty years building its own colonial system and declaring war on China and the Western Allies only to decide after military defeats two atomic bombings and the Soviet declaration of war to surrender before being invaded It goes on to describe the controversial issues surrounding the conduct of the Occupation forces the largely American reform proposals and the shifts in policy as the Cold War developed Particular emphasis is placed on women s issues the Japanese and American reactions to President Truman s decision to fire General Douglas MacArthur the tensions surrounding the requirement that the Japanese allow US military bases to stay in Japan and the still ongoing debate over the American decision to drop two atomic bombs on Japan Despite all this the book concludes that particularly when compared with later Allied nation building efforts in Vietnam Afghanistan and Iraq and the current state of US politics the Occupation experience was on the whole a relatively positive one for both the Japanese and the US Japan alliance      *Introduction to Japanese Politics* Louis D. Hayes,2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country s political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan s geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country s distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China s expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics      *Justice in Japan* Richard H. Mitchell,2002-03-31 The Imperial Rayon Company corruption scandal

popularly known as the Teijin incident was Japan's major interwar political bribery case. Compared to numerous Japanese corruption cases of the past century, the Teijin affair stands out as not only the most sensational of the pre-1945 era but also the most important, perhaps because more than any other case it has left an indelible mark on the public mind. Nevertheless, Japanese and foreign scholars have neglected this incident, which brought down an entire cabinet and produced a record-setting trial. The sixteen defendants, all prominent bureaucrats, ministers, and businessmen, were charged with illegally profiting from the sale of Imperial Rayon Company stock held by the Bank of Japan. In December 1937, after a more than two-year trial, all sixteen were found innocent when the judges declared that the case had been fabricated by the prosecution. Their verdict ranks in importance with the famous Otsu case judgment, the benchmark for judicial independence from the executive. Despite its importance, basic facts about the Teijin case remain obscure, as scholars repeat factual misinformation and produce farfetched conspiracy theories. This study, the first comprehensive scholarly work on the subject in English, or Japanese, investigates controversial and important issues regarding the origins, results, and significance of the incident. It illustrates transwar continuities within the judicial system by showing that the institutional flaws in the old criminal justice system, which were magnified by the Teijin investigation and trial, remain embedded despite reform attempts during the Occupation. While illuminating the basic institutional features that generated it, the author uses the incident to spotlight the considerable amount of political criticism and public conflict that existed in Japan in the 1930s.

*Japan's Multilayered Democracy* Sigal Ben-Rafael Galanti, Alon Levkowitz, Nissim Otmazgin, 2014-12-24. This book introduces a multilayered approach to the study of democracy, combining specific knowledge of Japan with theoretical insights from the literature on democratization. It examines different aspects of Japanese democracy: historical, institutional, and sociocultural, to provide a conscious understanding of the nature and practice of democracy both in Japan and beyond. The book's chapters give testimony to the dynamic nature and continuity of Japanese democracy and analyze its strengths and weaknesses. The central argument of this book is that Japan's democratization should be seen as a multilayered experience shaped by the gradual process of absorbing democratic ideas, forming democratic institutions, and practicing democratic behaviors and rituals at various levels of society. As the case of Japan shows, democracy is neither a structured formula nor only a set of democratic laws and institutions but a continuous gradual process.

**Victorian Women Travellers in Meiji Japan** Lorraine Sterry, 2009-01-29. This volume complements other published works about travel by nineteenth-century women writers by locating and creating space for Japan, which is missing within recent critical discourses on travel writing. It examines the narratives of women writers who travelled to Japan from the mid-1850s onwards, when Japan was first opened to the West and became a highly desirable travel destination for decades thereafter. Many women travelled in this period, and although most left no record of their journeys, enough did to form a discrete body of literature spanning more than fifty years, from the end of the feudal Tokugawa era to the rise of Meiji Japan as a world power. Their narratives about Japan occupy a culturally

significant place not only in the genre of Victorian female travel writing but in Victorian travel writing per se. The writers who are the subject of this book are divided into two groups: those who were travellers by intent, namely Anna D. A. Alice Frere, Annie Brassey, Isabella Bird, and Marie Stopes; and those who travelled by default as the wives of diplomats, namely Mrs Pemberton Hodgson, Mrs Hugh Fraser, and Baroness Albert d'Anethan. The Japanese in Latin America Daniel M. Masterson, 2024-03-18. Latin America is home to 1.5 million persons of Japanese descent. Combining detailed scholarship with rich personal histories, Daniel M. Masterson, with the assistance of Sayaka Funada Classen, presents the first comprehensive study of the patterns of Japanese migration on the continent as a whole. When the United States and Canada tightened their immigration restrictions in 1907, Japanese contract laborers began to arrive at mines and plantations in Latin America. The authors examine Japanese agricultural colonies in Latin America as well as the subsequent cultural networks that sprang up within and among them and the changes that occurred as the Japanese moved from wage labor to ownership of farms and small businesses. They also explore recent economic crises in Brazil, Argentina, and Peru, which combined with a strong Japanese economy, caused at least a quarter million Latin American Japanese to migrate back to Japan. Illuminating, authoritative research with extensive interviews with migrants and their families, *The Japanese in Latin America* tells the story of immigrants who maintained strong allegiances to their Japanese roots even while they struggled to build lives in their new countries.

Eventually, you will unquestionably discover a other experience and deed by spending more cash. yet when? complete you understand that you require to get those every needs following having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more regarding the globe, experience, some places, once history, amusement, and a lot more?

### **Modern Japan A Historical Survey Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Modern Japan A Historical Survey has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern Japan A Historical Survey has opened up a world of possibilities. Downloading Modern Japan A Historical Survey provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern Japan A Historical Survey has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern Japan A Historical Survey. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern Japan A Historical Survey. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern Japan A Historical Survey, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern Japan A Historical Survey has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Modern Japan A Historical Survey Books**

1. Where can I buy Modern Japan A Historical Survey books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
