

Third Edition
Modern Japan

A social and political history

Elise K. Tipton

NISSAN INSTITUTE/ROUTLEDGE JAPANESE STUDIES SERIES

Modern Japan Social And Political History

Amos S. (Amos Shartle) Hershey

Modern Japan Social And Political History:

Modern Japan Elise K. Tipton, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender authority, female autonomy and unruliness, courtship and marriage, language and speech, and performance and theatricality. Modern Japan Mikiso Hane, 2018-03-09 Integrating political events with cultural, economic, and intellectual movements, *Modern Japan* provides a balanced and authoritative survey of modern Japanese history. A summary of Japan's early history, emphasizing institutions and systems that influenced Japanese society, provides a well-rounded introduction to this essential volume, which focuses on the Tokugawa period to the present. The fifth edition of *Modern Japan* is updated throughout to include the latest information on Japan's international relations, including secret diplomatic correspondence recently disclosed on WikiLeaks. This edition brings Japanese history up to date in the post-9/11 era, detailing current issues such as the impact of the Gulf Wars on Japanese international relations, the March 2011 earthquake, tsunami, and subsequent nuclear accident, the recent tumultuous change of political leadership, and Japan's current economic and global status. An updated chronological chart, list of prime ministers, and bibliography are also included.

Modern Japan Elise K. Tipton, 2002 Ranging from the Tokugawa period to the present day, this text provides a concise and fascinating introduction to the social, cultural, and political history of modern Japan. Tipton covers political and economic developments and shows how they relate to social themes and developments. Her survey covers traditional political history as well as areas growing in interest: gender issues, labor conditions, and ethnic minorities. **Modern Japan** Elise Tipton, 2017-09-19 This thoroughly revised and updated third edition of *Modern Japan* provides a concise and fascinating introduction to the social, cultural, and political history of modern Japan. Ranging from the Tokugawa period to the present day, Tipton links everyday lives with major historical developments, charting the country's evolution into a modernized economic and political world power. Drawing on the latest research, the book features new material on the global financial crisis, the Fukushima nuclear disaster, and continuing political instability. While retaining analysis of women's issues, minorities, and popular culture, this third edition's expanded coverage of Japan's role in the Second World War, life in the empire, and the history of science, medicine, and technology contributes to a sense of the complexity and diversity of modern Japan. Including an updated chronology, glossary, and guide to further reading, as well as new maps and illustrations to help students to engage directly with the subject matter, this highly accessible and comprehensive textbook is an essential resource for students, scholars, and teachers of Japanese history, politics, culture, and society. Routledge Handbook of Modern Japanese History Sven Saaler, Christopher W. A. Szpilman, 2017-10-16 The *Routledge Handbook of Modern Japanese History* is a concise overview of modern Japanese history from the middle of the nineteenth century until the end of the twentieth century.

Written by a group of international historians each an authority in his or her field the book covers modern Japanese history in an accessible yet comprehensive manner The subjects featured in the book range from the development of the political system and matters of international relations to social and economic history and gender issues to post war discussions about modern Japan s historical trajectory and its wartime past Divided into thematic parts the sections include Nation empire and borders Ideologies and the political system Economy and society Historical legacies and memory Each chapter outlines important historiographical debates and controversies summarizes the latest developments in the field and identifies research topics that have not yet received sufficient scholarly attention As such the book will be useful to students and scholars of Japanese history Asian history and Asian Studies **Modern Japan** Amos S. (Amos Shartle) Hershey,2012-08-01

Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Dictionary of the Modern Politics of Japan Prof J A A Stockwin,J. A. A. Stockwin,2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system The Political History of Modern Japan Kitaoka Shinichi,2018-10-10 Spanning the 130 year period between the end of the Tokugawa Era and the end of the Cold War this book introduces students to the formation collapse and rebirth of the modern Japanese state It demonstrates how faced with foreign threats Japan developed a new governing structure to deal with these challenges and in turn gradually shaped its international environment Had Japan been a self sufficient power like the United States it is unlikely that external relations would have exercised such great control over the nation And if it were a smaller country it may have been completely pressured from the outside and could not have influenced the global stage on its own For better or worse therefore this book argues Japan was neither too large nor too small Covering the major events actors and institutions of Japan s modern history the key themes discussed include Building the Meiji state and Constitution The establishment of Parliament The First Sino Japanese and Russo Japanese Wars Party Politics and International Cooperation The Pacific War Development of LDP politics Changes in the international order and the end of the Cold War This book written by one of Japan s leading experts on Japan s political history will be an essential resource for students of Japanese modern history and politics **Japan in the 21st Century** Pradyumna Karan,2010-09-12

The ancient civilization of Japan with its Shinto shrines and Buddhist temples is also closely associated with all that is new and modern Looking outward Japan sees what it has become since Hiroshima the world s second largest economy a source of fury and wonder a power without arms Looking inward Japan sees old ways shaken and new ones developing at a hectic pace Japan in the Twenty first Century offers compelling insights into the current realities of the country and investigates the

crucial political economic demographic and environmental challenges that face the nation A combination of text maps and photographs provides an essential understanding of Japan s geography cultural heritage demography economic and political development and of many other important issues Pradyumna P Karan explores the obstacles and opportunities that will shape Japan and affect the world community in the coming years He highlights strategies and policies that will facilitate economic and political change and stimulate the development of effective institutions for long term sustainable prosperity and economic vitality Unique field reports drawn from direct observations of events and places in Japan illuminate Japanese traditions and sensibilities The first full length English language textbook on Japan s geography culture politics and economy to appear in nearly four decades Japan in the Twenty first Century will be a vital resource for researchers academics general readers and students of Japan Pradyumna P Karan professor of geography and Japan studies at the University of Kentucky is the author or editor of numerous books on Asian geography and culture including *The Japanese City* and *Japan in the Bluegrass* *History of Modern Japan* Christopher Harding,2020-06-30 ING_08 Review quote [Social Class in Contemporary Japan](#) Hiroshi Ishida,David H. Slater,2009-10-16 Through examination of contemporary Japanese society this book demonstrates that the analysis of class formation is fundamental for a clear understanding of institutions and collective identity such as family school work gender and ethnicity [Historical Dictionary of Japan to 1945](#) Kenneth Henshall,2013-11-07 The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War It includes substantial topics such as cultural and literary history with entries ranging from aesthetics to various genres of writing Other branches of history also feature such as economic history industrial history political history and so forth And of course there are the makers of Japanese history ranging from emperors and shoguns to politicians and extremists as well as foreign arrivals The early history of Japan is told through a detailed chronology an introductory essay appendixes an extensive bibliography and over 800 cross referenced dictionary entries on important people organizations activities and events The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan particularly those who want reliable information quickly and easily **A History of the Far East in Modern Times** Harold Monk Vinacke,1928 *Modern Japan* J.E. Thomas,2014-09-25 J E Thomas examines the historical roots of Japanese social structures and preoccupations and he sets these within the broad chronological framework of Japan s political and military development The book can thus serve as an introduction to modern Japan in a more general sense but its focus throughout is on the people themselves Professor Thomas gives due attention to the Japanese mainstream but he also discusses those other sections of the community which have traditionally been underprivileged or marginalised most obviously women but also minority groups and outcasts and the Japanese attitude to foreigners beyond her shores **Modern Japan, Social--industrial--political** Amos Shartle Hershey,Susanne Wilcox Hershey,1919 [Japanese Political History Since the Meiji Restoration, 1868-2000](#) R.

Sims, 2019-06-12 Japanese Political History Since the Meiji Restoration 1868 2000 explores through a combination of narrative and analysis the changes in the political process which lay behind Japan's transformation into a modern nation state its successive turn toward militarism fascism and the Pacific War and the imposition of a fully democratic constitution Sims examines closely such central topics as the Meiji renovation samurai modernisers the rise of liberal political parties the Meiji constitution Taisho democracy the wartime changes in the political system postwar reforms and the reverse course four decades of Liberal Democratic rule and the shake up of Japanese politics during the 1990s No other book has covered Japanese political history over the entire period since 1868 in such detail and the present volume aims to fill the gap between the various general histories of modern Japan and the ever increasing monographic literature **History of Contemporary Japan, 1945-1998** Edward R. Beauchamp, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company History of Contemporary Japan since World War II Edward R. Beauchamp, 2013-04-11 The best scholarship on the development of contemporary Japan This collection presents well over 100 scholarly articles on modern Japanese society written by leading scholars in the field These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic An understanding of the present through the lens of the past The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a leading world economic force and an emerging regional power The post 1945 economic success of the Japanese has however been achieved in the context of that nation's history social structure educational enterprise and political environment It is impossible to understand the postwar economic miracle without an appreciation of these elements Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life The series is designed to give readers a basic understanding of modern Japan its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century *Darwinian Social Evolution and Social Change* William Kerr, 2021-07-29 This book introduces the value of a Darwinian social evolutionary approach to understanding social change The chapters discuss several different perspectives on social evolutionary theory and go on to link these with comparative and historical sociological theory and two case studies Kerr brings together social change theory and theories on nationalism whilst also providing concrete examples of the theories at work The book offers a vision of rapprochement between these different areas of theory and study and to where this could lead future studies of comparative history and sociology As such it should be useful to scholars and students of nationalism and social change sociologists political scientist and historians **The Far East: a Political and Diplomatic History** Payson Jackson Treat, 1928
