Modern Marketing Management, 1971

International Marketing Simon Majaro, 2012-11-26. Re-issuing this successful book in its seventh edition, the author starts with an overview of basic marketing concepts and their applicability on an international basis. It then covers each ingredient of the marketing mix and explores them in relation to multinational markets. Each ingredient is studied in the light of the fundamental question: How far can it be standardised internationally or in a research-based cluster of countries? Research planning and organisation problems receive particular attention. A whole chapter is devoted to Creativity and Innovation on a global scale.

Handbook of Modern Marketing Victor P. Buell, 1986. The broad scope and practical input from more than 100 recognized marketing authorities nationwide have made the Handbook of Modern Marketing an invaluable reference for all levels of marketing managers. This revised and updated edition covers recent developments in all areas of marketing, including globalization of major industries, innovations in the marketing of services, and technology's effect on marketing strategies. Explores consumer, industrial, services, and government markets.
