Modern Martyr:

The modern martyr Timothy East, 1828 *The Modern Martyr* Martyr, 1829 *The Modern Martyr. By the Author of "The Evangelical Rambler."*, 1829 *A Modern Martyr* Saint Théophane Vénard, James Anthony Walsh, 1906 *History of a Modern Martyr* E. Davies, 1875 *A modern martyr, by Sophie Kappey* Mrs. Alfred Hart, 1889 *A Modern Martyr, Théophane Vénard (blessed)* Saint Théophane Vénard, James Anthony Walsh, 1913 *Cox's Book of Modern Saints and Martyrs* Caroline Cox, 2006-07-04 Stories from around the world particularly from areas of Christian persecution or conflict zones Today over 250 million Christians are suffering persecution while tens of thousands are martyred every year

Martyrdom and Literature in Early Modern England Susannah Brietz Monta, 2005-03-10 A comprehensive comparison of the representations of early modern Protestant and Catholic martyrs **A Modern Martyr** Saint Théophane Vénard, 1906 *Modern Martyr* Venard Theophane, 1901 **Martyrs and Players in Early Modern England** David K. Anderson, 2016-05-13 Focusing on Christopher Marlowe William Shakespeare John Webster and John Milton Martyrs and Players in Early Modern England argues that the English tragedians reflected an unease within the culture to acts of religious violence David Anderson explores a link between the unstable emotional response of society to religious executions in the Tudor Stuart period and the revival of tragic drama as a major cultural form for the first time since classical antiquity Placing John Foxe at the center of his historical argument Anderson argues that Foxe's Book of Martyrs exerted a profound effect on the social conscience of English Protestantism in his own time and for the next century While scholars have in recent years discussed the impact of Foxe and the martyrs on the period's literature this book is the first to examine how these most vivid symbols of Reformation era violence influenced the makers of tragedy As the persecuting and the persecuted churches collided over the martyr's body Anderson posits stress fractures ran through the culture and into the playhouse in their depictions of violence the early modern tragedians focused on the ethical confrontation between collective power and the individual sufferer Martyrs and Players in Early Modern England sheds new light on the particular emotional energy of Tudor Stuart tragedy and helps explain why the genre reemerged at this time **A Modern Martyr** Théophane Vénard (bx), James Anthony Walsh, 1913 **The Book of Modern Martyr** Jonathan Howard, 2012-03-10 Every year thousands of Christians are beaten and imprisoned for their beliefs The two dozen people in this book died for their belief They are modern day martyrs and this is their story **Modern Baptist Heroes and Martyrs** John Newton Prestridge, 1911 *Radical Martyrdom and Cosmic Conflict in Early Christianity* Paul Middleton, 2006-06-30 Several view of martyrdom co existed in the early Church The orthodox position generally accepted by scholars was that a Christian should choose martyrdom rather than deny the Faith but should not on any account court death Although it has been recognised that some in the early Church did seek a glorified death by giving themselves over to arrest most scholars have dismissed such acts as differing from the accepted attitude to martyrdom in the early Church Therefore instances of volitional or

radical martyrdom have been largely overlooked or sidelined in scholarly investigations into the theology and origins of Christian martyrdom Paul Middleton argues that far from being a deviant strand of early Christianity radical martyrdom was a significant and widely held idealised form of devotion in the late first to early third centuries Christian martyrdom is placed within the heritage of Jewish War tradition with each martyr making an important contribution to the cosmic conflict between Satan and God Radical Martyrdom re examines the presentation theology and origins of Christian martyrdom up to the beginning of the Decian persecutions in the light of new perspectives on the subject **Witnessing to the faith** Shanyn Altman,2023-07-18 This study utilises John Donne s works concerning the Jacobean Settlement as a contextualised case study to examine a seriously pressing issue in contemporary society the issue of Catholic loyalism post 1603 and the disputes that this topic sparked over the matter of conformity Altman examines Donne s polemic in line with the vast expanse of literature relating to the pamphlet war and situates Donne s arguments within a strong contemporary tradition of conformist thought Within this context the study argues that Donne articulated a theory of royal absolutism that would have struck home with many contemporaries who whether Catholic or not were faced with a regime determined to bring them into conformity It further contends that the religio political standpoint represented by Donne was not only fairly obvious to the English state but was also widely accepted by it *Fools, Martyrs, Traitors* Lacey Baldwin Smith,2012-05-09 In this engrossing exploration of martyrdom Lacey Baldwin Smith takes us on a riveting journey through history as he examines one of the most baffling characteristics of the human species its willingness to die to sanctify a deity to defend a cause or simply to prove a point In telling the stories of his chosen martyrs by delving into their psyches politics and remarkable personalities he illuminates the complex and elusive subject of martyrdom as it has evolved over two and a half millennia The story starts with Socrates the Western world s first recorded martyr and moves on to Judaic and early Christian martyrs the Maccabees and their heroic suffering Jesus of Nazareth and the impact of the crucifixion on his message and Saint Perpetua who died spectacularly in a Roman amphitheater The narrative then transports us to England to Archbishop Thomas Becket and his sensational murder at the altar of his own cathedral in Canterbury to Sir Thomas More who died Henry VIII s good servant but God s first to the Protestant martyrs under Catholic Mary Tudor and to Charles I the only English king to be tried and executed as a traitor The concluding chapters cover modern martyrdom as it has become increasingly secularized and entangled with treason They include John Brown whose body lies mouldering in the grave but whose soul goes marching on Mahatma Gandhi and his school for martyrs the Holocaust and its impact on modern Jewish thought Dietrich Bonhoeffer and the unsuccessful attempts to assassinate Hitler and Julius and Ethel Rosenberg s execution for giving secret information about the atomic bomb to the USSR The book ends with the troubling figure of SS Lieutenant Kurt Gerstein and the ultimate question Is there such a person as a totally disinterested martyr Fools and traitors to some heroes to others all the men and women who appear here have helped shape our definition of martyrdom The questions Lacey Baldwin Smith raises and the

way he brings the past to life make this a uniquely compelling book Six Modern Martyrs Mary Craig,1985 *Two Martyrs in a Godless World* Michel Evdokimov,2021-05-17 This brief and compelling study introduces us to the German Lutheran pastor Dietrich Bonhoeffer and the Russian Orthodox priest Father Alexander Men These two martyrs each confronted a hostile totalitarian world and their lives show us how to speak about Christ in a world that has forgotten God Contrasting the lives of two 20th century martyrs to Nazi and Soviet power Michel Evdokimov challenges us to meet the world on its own terms and to meet God in the form of our neighbor
