Understanding and Teaching the Modern Middle East Omnia El Shakry,2020-10-20

Many students learn about the Middle East through a sprinkling of information and generalizations deriving largely from media treatments of current events This scattershot approach can propagate bias and misconceptions that inhibit students abilities to examine this vitally important part of the world Understanding and Teaching the Modern Middle East moves away from the Orientalist frameworks that have dominated the West s understanding of the region offering a range of fresh interpretations and approaches for teachers The volume brings together experts on the rich intellectual cultural social and political history of the Middle East providing necessary historical context to familiarize teachers with the latest scholarship Each chapter includes easy to explore sources to supplement any curriculum focusing on valuable and controversial themes that may prove pedagogically challenging including colonization and decolonization the 1979 Iranian revolution and the US led war on terror By presenting multiple viewpoints the book will function as a springboard for instructors hoping to encourage students to negotiate the various contradictions in historical study

Rabbinic Creativity in the Modern Middle East Tsevi Zohar,Zvi Zohar,2013-08-22 An exploration of central aspects of Sephardic Mizrahi rabbinic creativity in

the Middle East Iraq Syria and Egypt from 1850 to 1950

Rabbinic Creativity in the Modern Middle East Zvi

Zohar, 2013-06-20 Rabbinic Creativity in the Modern Middle East provides a window for readers of English around the world into hitherto almost inaccessible halakhic and ideational writings expressing major aspects of the cultural intellectual creativity of Sephardic Oriental rabbis in modern times The text has three sections Iraq Syria and Egypt and each section discusses a range of original sources that reflect and represent the creativity of major rabbinic figures in these countries The contents of the writings of these Sephardic rabbis challenge many commonly held views regarding Judaism's responses to modern challenges By bringing an additional non Western voice into the intellectual arena this book enriches the field of contemporary discussions regarding the present and future of Judaism In addition it focuses attention on the fact that not only was Judaism a Middle Eastern phenomenon for most of its existence but that also in recent centuries important and interesting aspects of Judaism developed in the Middle East Both Jews and non Jews will be enriched and challenged by this non Eurocentric view of modern Judaic creativity *Reflections* VENETIA. PORTER, Charles Tripp, Natasha

Morris, 2021-01-05 *Reflections* Contemporary Art of the Middle East and North Africa brings together an extraordinary collection of work from the British Museum for the first time The contemporary art of the Middle East and North Africa is rich and vibrant Whether living in their countries of birth or in diaspora the featured artists are part of the globalised world of art Here we see artists responding to and making work about their present histories traditions and cultures reflecting on a part of the world that has experienced extraordinary change in living memory The British Museum has been acquiring the work of Middle Eastern and North African artists since the 1980s and the collection principally works on paper is one of the most extensive in the public sphere Collected within the context of a museum of history the works offer insights into the nature of civil societies the complex politics of the region and cultural traditions in their broadest sense from the relationship with Islamic art to the deep engagement with literature The introduction to the book by curator Venetia Porter explores the history of the collection and the works included The essential framework for understanding the politics and context within which the artists are working is provided by Charles Tripp's essay The works are grouped into seven chapters each beginning with a short introduction The authors explore the selection within themes such as faith abstraction and the female gaze
