Modern Moral Dilemmas Scripture Addresses Today's Issues:

Modern Moral Problems William Smith, 2012-10-08 *Modern Moral Problems* addresses moral quandaries that can beguile and confuse faithful Catholics. Written in a question and answer format, the book covers questions regarding sexuality, medical ethics, business practices, civic responsibilities, and the sacramental life of the Church. The extraordinary assortment of issues forming a single organized collection is a valuable reference for anyone seeking clear and concise answers to tough moral questions. Written in a conversational tone, often spiced with humor, this work by a highly respected moral theologian will be read with fascination for its clarity of argument and fundamental good sense. Originally published as a monthly question and answer column in a magazine for priests, these selections by Msgr. William B. Smith retain a striking current topicality. Msgr. Smith often tackled matters of controversy in the Catholic Church, ones which continue to draw conflicting opinions. Interesting, informative, and eminently practical, this book conveys an overall impression that sound thinking about morality is rooted in a tradition within the Catholic Church, even when the answers to particular moral questions cannot be found in catechisms or Vatican documents. Msgr. Smith offers a clear-headed approach to the quandaries of our time precisely because of his training in traditional moral principles and his fidelity to the Catholic magisterium. This book should be in the possession of all seminarians and priests who are bound to confront moral matters that are not so easily decided at first glance. But lay people too will find here rich responses to the challenging and sometimes unresolved moral questions they encounter in their own lives. The Northwestern Lutheran, 1993 **Modern Moral Dilemmas** Wayne D.

Mueller, 1991-01-01 Wisconsin Lutheran Quarterly, 1992 *Let God Use You to Solve Your PROBLEMS* Edward D. Andrews, 2018-03-22 In a world fraught with challenges and uncertainty, faith remains our most enduring beacon of hope. *Let God Use You to Solve Your Problems: God Will Instruct You and Teach You in the Way You Should Go* offers a unique exploration of how a steadfast reliance on God's wisdom, coupled with an active role in our own spiritual development, can serve as a roadmap to navigating life's complexities. This book provides an enlightening journey into a deeper understanding of God's role in our lives, not as a miracle worker performing supernatural acts on demand, but as a divine guide illuminating our path through the teachings of Scripture and personal experiences. It shows how, by letting go and trusting in God, we can find the strength, courage, and wisdom to confront and overcome our problems. The author, a conservative Bible scholar, encourages readers to actively engage with their faith, teaching how God instructs us through His Word, life experiences, and our own spiritual growth. Throughout the chapters, readers will learn the art of biblical discernment, nurturing spiritual growth, embracing patience in God's timing, and turning trials into triumphs through God's guidance. This book ultimately underscores the importance of personal responsibility in a faithful Christian life. It provides a nuanced and balanced understanding of faith that inspires action and involvement in our communities, allowing us to serve God and others while becoming reflections of God's love. *Let God Use You to Solve Your Problems* is more than a book; it's a spiritual guide for

those seeking to blend trust in divine wisdom with personal initiative creating a life that is not just endured but lived fully and meaningfully in God's light

Biblical Economic Ethics Albino Barrera, 2013-08-31 Written in non technical language accessible to non specialist readers this book is a theological synthesis of the findings of scripture scholars and ethicists on what the Bible teaches about economic life It proposes a biblical theology of economic life that addresses three questions namely What do the individual books of Sacred Scripture say about proper economic conduct How do these teachings fit within the larger theology and ethics of the books in which they are found Are there recurring themes underlying patterns or issues running across these different sections of the Bible when read together as a single canon The economic norms of the Old and New Testament exhibit both continuity and change Despite their diverse social settings and theological visions the books of the Bible nonetheless share recurring themes care for the poor generosity wariness over the idolatry of wealth the inseparability of genuine worship and upright moral conduct and the acknowledgment of an underlying divine order in economic life Contrary to most people's first impression that the Bible offers merely random economic teachings without rhyme or reason there is in fact a specific vision undergirding these scriptural norms Moreover far from being burdensome impositions of do's and don'ts this book finds that the Bible's economic norms are in fact an invitation to participate in God's providence To this end we have been granted a threefold benefaction the gift of divine friendship the gift of one another and the gift of the earth Thus biblical economic ethics is best characterized as a chronicle of how God provides for humanity through people's mutual solicitude and hard work The economic ordinances aphorisms and admonitions of the Old and New Testament turn out to be an unmerited divine invitation to participate in God's governance of the world Our economic conduct provides us with a unique opportunity to shine forth in our creation in the image and likeness of God Often extremely demanding hard and even fraught with temptations and distractions economic life nevertheless is at its core an occasion for humans to grow in holiness charity and perfection

Mission Under Scrutiny J. Andrew Kirk, What is Christian mission in a world post everything This volume is a masterful rethinking of the problems and prospect of the Christian vocation to mission in light of the whole checkered legacy religious philosophical colonial and economic of modernity Kirk draws on his considerable experience of worldwide mission and his expertise in modern Western thought to throw light on all the most burning questions such as What kinds of mission initiatives are appropriate today Is it legitimate to invite adherents of different religions to follow Jesus What role have Christians played in advocating violence and also in being agents of peace and reconciliation

Dictionary of Scripture and Ethics Joel B. Green, Jacqueline E. Lapsley, Rebekah Miles, Allen Verhey, 2011-11-01 2012 Reference Book of the Year Award Academy of Parish Clergy This one stop reference book on the vital relationship between Scripture and ethics offers needed orientation and perspective for students pastors and scholars Written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation it is the best reference work available on the intersection of these two fields The volume shows how Christian Scripture and Christian ethics are necessarily intertwined and offers up to date treatment of five hundred biblical traditional and contemporary topics ranging from adultery bioethics and Colossians to vegetarianism work and Zephaniah The stellar ecumenical list of contributors consists of more than two hundred leading scholars from the fields of biblical studies and ethics including Darrell Bock David Gushee Amy Laura Hall Daniel Harrington Dennis Olson Christine Pohl Glen Stassen and Max Stackhouse

Contemporary Buddhist Ethics Damien Keown, 2013-01-11 This innovative volume brings together the views of leading scholars on a range of controversial subjects including human rights animal rights ecology abortion euthanasia and contemporary business practice

Choosing the Good Dennis P. Hollinger, 2002-09-01 An intelligent discussion of the foundations and methods in ethics and ways to apply a Christian worldview to our secular culture

Ancient and Modern Approaches to the Problem of Relativism Matthew K. Davis, 2023-05-19 Relativism or the claim that it is possible that the appearances and opinions of each of us are correct for each of us and hence that any view is as true as any other has remained a continuing problem for philosophy and science for 2 500 years Today because of the widespread acceptance of relativism the problem is greater than ever before This book argues that Plato in fact solved this problem In the first two chapters by means of a study of Husserl and Locke Davis shows that it is possible to return to and take seriously Plato s treatment of this problem The third chapter presents

Plato's solution to it This book is distinctive in that it shows that a problem that has been thought to be present throughout the history of Western thought was in fact solved by Plato and in that it shows that we can begin from our contemporary situation and return to Plato's solution

Biblical Approaches to Pastoral Counseling Donald Capps, 2003-01-17 What role should the Bible play in pastoral counseling Donald Capps here explores the use of the Bible in counseling and shows how the methods and objectives of counseling can be defined and shaped by three biblical forms psalms proverbs and parables Applying these forms Capps demonstrates how the Bible can influence the three major types of pastoral counseling grief premarital and marriage He examines the capacity of these forms to comfort to instruct and to diagnose problems He explains how through psalms feelings can be vented through proverbs moral learning can take place and through parables new understandings of experience can occur With actual case study examples and practical suggestions this refreshingly perceptive book offers positive steps for furthering dialogue between biblical scholarship and pastoral counseling

New Titles in Bioethics, 1995

The Necessity of Secularism Ronald A. Lindsay, 2014-12-01 For the first time in human history a significant percentage of the world's population no longer believes in God This is especially true in developed nations where in some societies nonbelievers now outnumber believers Unless religion collapses completely or undergoes a remarkable resurgence countries across the globe must learn to carefully and effectively manage this societal mix of religious and irreligious For in a world already deeply riven by sectarian conflict this unprecedented demographic shift presents yet another challenge to humanity Writing in an engaging accessible style philosopher and lawyer Ronald A Lindsay develops a tightly crafted argument for secularism specifically that in a religiously pluralistic society a robust thoroughgoing secularism is the only reliable means of preserving meaningful democracy and rights of conscience Contrary to certain political pundits and religious leaders who commonly employ the term secularism as a scare word Lindsay uses clear concrete examples and jargon free language to demonstrate that secularism is the only way to ensure equal respect and protection under the law for believers and nonbelievers alike Although critical of some aspects of religion Lindsay neither presents an antireligious tirade nor seeks to convert anyone to nonbelief reminding us that secularism and atheism are not synonymous Rather he shows how secularism works to everyone's benefit and makes the definitive case that the secular model should be feared by none and embraced by all

Our Right to Choose Beverly Wildung Harrison, 2011-11-07 Wipf and Stock is to be congratulated for making Beverly Wildung Harrison's Our Right to Choose newly available Recognized as a classic in its field from its publication in 1983 Our Right to Choose is as compelling and needed today as it was then Nyla Rasmussen RN Maternal Child Health Larry Rasmussen Reinhold Niebuhr Professor Emeritus of Social Ethics Union Theological Seminary New York City This historic book is as incisive pertinent timely and morally compelling as it was twenty eight years ago Harrison has both ethical purchase and feminist vision on The Issue of Our Age Read it learn be convicted and act Rev Dr Serene Jones President of

Union Theological Seminary Decades after its initial publication Beverly Wildung Harrison's sex positive justice and social welfare affirming study of abortion remains a unique and trailblazing contribution to the field of Christian ethics From the treatment of women's procreation in the history of Western Christianity to the rhetoric of 1970s abortion politics she offers meticulous critiques and constructive feminist Christian ideas sorely needed in today's debates about abortion rights Traci C West author of *Disruptive Christian Ethics When Racism and Women's Lives Matter* **The Making of an African Christian Ethics** Wilson Muoha Maina, 2016-07-13 An exploration of the development of a contextualized Roman Catholic moral theology in an African context is warranted in our day This book is a study of the work of Benezet Bujo an African moral theologian An analysis of Bujo's work shows the various aspects of an African Catholic moral theology Bujo's work is viewed here as critically bridging African moral theology and the development of moral theology in the Catholic Church especially in the West An African moral theology in this work builds on the elements of the renewal of moral theology after the Second Vatican Council The renewal elements reflected in Bujo's work and other African Catholic theologians include among others the use of Scripture the relevance of history the debate on moral norms the relevance of social sciences to moral discourse the theory of natural moral law and the relation between the theologian and the magisterium This work therefore locates the theology of Bujo in the development of moral theology after the Second Vatican Council The author establishes a relation between African traditional religions African history Christology natural moral law moral autonomy debate the encyclical *Veritatis Splendor* and political liberation theological ethics **Scripture, Reason, and the Contemporary Islam-West Encounter** S. Kepnes, B. Koshul, 2007-08-06 The unique essays in this collection use the underlying allegiance to scripture in Islam Judaism and Christianity to underscore the deep affinities between the three monotheistic traditions while at the same time encouraging respect for the differences between the traditions to be preserved **Choosing Life** Kevin William Wildes, Alan C. Mitchell, 1997 *Evangelium Vitae* or The Gospel of Life Pope John Paul II's 1995 encyclical addresses practical and moral questions that touch on the sacredness of human life abortion euthanasia and assisted suicide and capital punishment In this book scholars from a wide range of disciplines law medicine philosophy and theology and from various religious perspectives discuss and interpret the Pope's teachings on these complex moral issues [Old Testament Theology for Christians](#) John H. Walton, 2017-11-21 The Old Testament was written for us but not to us Inviting us to leave our modern Christian preconceptions behind John Walton contends that we will only grasp the Old Testament's theology when we are immersed in its Ancient Near Eastern context being guided by what the ancient authors intended as they wrote within their cognitive environment
