Modern Palestinian Literature and Culture Ami Elad-Bouskila, 2014-02-04 Studies of Palestinian society economy and politics are appearing with increasing frequency but works in English about Palestinian literature particularly that written in Israel are still scarce This book looks at this literature within the political and social context of Palestinian society with a special focus on literature written during the Intifada uprising period 1987-93 *Anthology of Modern Palestinian Literature* Salma Khadra Jayyusi, 1992 Jayyusi presents in English translation a Palestinian world view characterized by intensity paradox aspiration and eloquence *Anthology of Modern Palestinian Literature* will certainly become indispensable to anyone with a serious interest in contemporary Arab culture *Palestinian Literature and Film in Postcolonial Feminist Perspective* Anna Ball, 2012-11-27 *Palestinian Literature and Film in Postcolonial Feminist Perspective* is the first sustained study of gender consciousness in the Palestinian creative imagination Drawing on concepts from postcolonial feminist theory Ball analyses a range of literary and filmic works by major creative practitioners including Michel Khleifi Liana Badr Annemarie Jacir Elia Suleiman Mona Hatoum and Suheir Hammad and reveals a hitherto unrecognized trajectory in gender consciousness under development in the Palestinian imagination from the start of the twentieth century The book explores how these works resonate with questions of power identity nation resistance and self representation in the Palestinian imagination more broadly and asks how these gender conscious narratives transform our understanding of Palestine's struggle for postcoloniality Working at the cusp of postcolonial feminist and cultural enquiry Ball seeks to open up vital new directions in the interdisciplinary study of Palestine Politics and Palestinian Literature in Exile Joseph Farag, Joseph R. Farag, 2016-11-14 Despite or even because of their tumultuous history Palestinians are renowned for being prolific cultural producers creating many of the Arab world's most iconic works of literature In particular the Palestinian short story stands out for its unique interplay between literary texts and the political and historical contexts from which they emerge *Palestinian Literature in Exile* is the first English language study to explore this unique genre Joseph Farag employs an interdisciplinary approach to examine the political function of literary texts and the manner in which cultural production responds to crucial moments in Palestinian history Drawing from the works of Samira Azzam Ghassan Kanafani and Ibrahim Nasrallah Farag traces developments in the short story as they relate to the pivotal events of what the Palestinians call the Nakba catastrophe Naksa defeat and First Intifada uprising In analysing several as yet untranslated works Farag makes an original contribution to the subject of exilic identity and subjectivity in Palestinian literature This book offers the opportunity to engage with literary works as well to learn from a literary account of history It is a subject of interest for students and scholars of both Arabic literature and Middle East studies **Multiculturalism in Israel** Adia Mendelson-Maoz, 2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian

citizens of Israel of Mizrahim of migrants from the former Soviet Union and of Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways

**Victimhood Discourse in Contemporary Israel** Ilan Peleg, 2019-04-24 This book deals comprehensively with different aspects of collective victimhood in contemporary Israel but also with the wider implications of this important concept for many other societies including the Palestinian one The eight highly diverse scholarly chapters included in this volume offer analysis of the politics of victimhood viewing it as increasingly dominant within contemporary Israel assess victimhood as a focal point of the Jewish historical legacy trace the evolution and changes of Zionist thought as it relates to a sense of national victimhood study the possibility of the political transformation of victimhood through changing perceptions and policies by top Israeli leaders focus on important events that have contributed to the evolution of the victimhood discourse in Israel and beyond e g the 1967 Six Day and 1973 Yom Kippur wars in the Middle East examine the politics and ideology of victimhood within the Palestinian national movement and offer new ways of progressing beyond national victimhood and toward a better future for people in the Middle East and beyond The insights of the eight authors and their conceptualization of Israeli victimhood are of immediate relevance for numerous other national groups as well as for a variety of disciplines in the humanities and the social sciences This volume has been inspired by the universality of victimhood among humans reflected in King Lear's words I am a man more sinned against than sinning as well as by the words of the late Israeli prime minister Yitzhak Rabin telling the Knesset in Jerusalem No longer is it true that the whole world is against us While the book sums up the state of the field in regard to collective victimhood it invites the readers to engage in contemplating the far reaching implications of this important concept for our lives

**Reimagining Israel and Palestine in Contemporary British and German Culture** Isabelle Hesse, 2024-03-05 Isabelle Hesse identifies an important relational turn in British and German literature TV drama

and film published and produced since the First Palestinian Intifada 1987 1993 This turn manifests itself on two levels one in representing Israeli and Palestinian histories and narratives as connected rather than separate and two by emphasising the links between the current situation in Israel and the Occupied Palestinian Territories and the roles that the United Kingdom and Germany have played historically and continue to play in the region This relational turn constitutes a significant shift in representations of Israel and Palestine in British and German culture as these depictions move beyond an engagement with the Holocaust and Jewish suffering at the expense of Palestinian suffering and indicate a willingness to represent and acknowledge British and German involvement in Israeli and Palestinian politics This book offers new ways of thinking about how Israel and Palestine are imagined and reimagined as topics of cultural and political interest in two countries that have had complicated histories with both Israel and Palestine histories which are marked by each country's memories of the Holocaust and colonialism

*Portraits in the Mirror* Ami Elad, 1999 *Israel/Palestine* Drew Paul, 2020-01-07 Since the early 1990s Israel has greatly expanded a system checkpoints walls and other barriers in the West Bank and Gaza that restrict Palestinian movement *Israel Palestine* examines how authors and filmmakers have grappled with the spread of these borders Focusing on the works of Elia Suleiman Raba i al Madhoun Ghassan Kanafani Sami Michael and Sayed Kashua it traces how political engagement in literature and film has shifted away from previously common paradigms of resistance and coexistence and has become reorganised around these now ubiquitous physical barriers Depictions of these borders interrogate the notion that such spaces are impenetrable and unbreakable imagine distinct forms of protest and redefine the relationship between cultural

alike With this book Maha Nassar examines their well known poetry and uncovers prose works that have until now been largely overlooked The writings of Palestinians in Israel played a key role in fostering a shared national consciousness and would become a central means of alerting Arabs in the region to the conditions and to the defiance of these isolated Palestinians Brothers Apart is the first book to reveal how Palestinian intellectuals forged transnational connections through written texts and engaged with contemporaneous decolonization movements throughout the Arab world challenging both Israeli policies and their own cultural isolation Maha Nassar s readings not only deprovincialize the Palestinians of Israel but write them back into Palestinian Arab and global history
