Macridis, Robert Edward Ward, 1972 *The Political System of the European Union* Simon Hix, Bjørn Høyland, 2022-04-21 Starting from the observation that the European Union now possesses many of the attributes of modern political systems Hix and Høyland take an innovative approach to analysing researching and teaching the EU Using the general theories of political science to understand how the EU works this text covers each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies introducing the key political science tools reviewing the relevant theories and applying the knowledge in detailed descriptive analysis As well as incorporating new data and the latest research this new edition examines the consequences of the dramatic political and policy developments in the EU over the past decade The methodology used in the text makes the political system of the EU accessible to political science students as a whole as well as those specifically studying and researching the EU *Modern political systems* Roy C. Macridis, 1972 **Modern Political Systems** Mr. Rohit Manglik, 2023-10-23 In this book we will study about various political systems like democracy authoritarianism and federalism and their institutional frameworks *Modern Political Systems* Roy C. Macridis, 1972 *Modern political systems: europe. 3. ed* Roy C. Macridis, 1972 **Modern Political Systems** Vernon V. Aspaturian, 1978 **The Position of the Chief in the Modern Political System of Ashanti** K. A. Busia, 2018-08-16 Originally published in 1951 this book provides an account of the traditional status and functions of the Asanti chief The effects of British administration on the powers of the chief and his council are described as are the tensions which the traditional political organization was subjected to by the requirements of modern administration The author of this book was himself an Ashanti and was the first West African to be appointed to the Colonial Administrative Service **Democratic and Authoritarian Political Systems in 21st Century World Society** Anna L. Ahlers, Damien Krichewsky, Evelyn Moser, Rudolf Stichweh, 2021-03-05 This book is about the radical novelty of modern polities in a functionally differentiated world society Premodern states were at the apex of a stratified hierarchical society They dominated society and all its groups and strata Modern polities have to be understood through the ecology of relations among different function systems They have to find and incessantly redefine their place in society They produce decisions that are collectively binding but in preparing these decisions experience constraints and knowledge deficiencies that are related to the complexity of a functionally differentiated society The book concentrates on six analytical perspectives that reflect how modern polities are embedded into 21st century society These perspectives are the concept of inclusion and the inclusion revolution constitutive of modern polities the internal differentiation of polities that endows them with an unprecedented complexity the fact that polities do not know anything about society and the ways in which they compensate for this representation and responsiveness as strategies to reconnect with society the self restriction

of some polities that brings about ever new autonomous expert organizations the symmetrical rise of autocracies and democracies as the two modern variants of political regimes

European Political Parties Stanley Henig, John Pinder, 2025-09-12 European Political Parties 1969 looks at the parties of Western Europe on a country by country basis examining their roles in the increasing political integration in the European Economic Community The party system is described with a structural functional analysis of individual parties Particular emphasis is given to the relationship between the parties and their respective parliamentary groups and between leaders and members

Right Radicalism in Party and Political Systems in Present-day European States Natalia Eremina, Sergei Seredenko, 2015-06-18 This book explores a broad range of concepts of and approaches to far right parties and ultranationalist ideology and studies the legal and political discourses within which they are often embedded Offering detailed insights into the nature of the far right and its viewpoints the book provides a multidimensional study of the evolution of the far right and its impact on the contemporary European political and party system society and state In addition a clear definition of the substantial amount of criminal far right parties in the Annex of the book dispels the illusion that far right ultranationalist groups do not represent a danger for both society and state This book has several unique aspects particularly its use of catalogues that allow for the researching of far right parties and ideology according to concrete definitions
