New Latin Composition:

New Latin Composition Charles Edwin Bennett, 1996 Published in 1912 Charles B Bennett's *A New Latin Composition* draws its examples and vocabularies from the works of Caesar and Cicero. It thus remains a highly regarded widely used composition text for both high schools and colleges. The composition book in one section emphasizes Caesar and in the other Cicero. It includes additional work in continued prose and oral exercises as well as a comprehensive parallel vocabulary. The two books form a complete set for a course in Latin prose composition.

NEW LATIN COMPOSITION BASED MAINLY UPON CAESAR AND CICERO MOSES GRANT. DANIELL, 2019 *A New Latin Composition (Classic Reprint)* Charles E. Bennett, 2015-06-30 Excerpt from *A New Latin Composition Part I* of the present work is based exclusively on Caesar. The illustrative examples are drawn directly from Caesar's own writings either unchanged or with unessential alterations designed to adapt the passage for practical use. The sentences of the Exercises bring into use only Caesar's vocabulary chiefly the common words and Caesar's constructions. The passages of continued discourse in Part I are devoted partly to a summary of the familiar episodes of the early books of the Gallic War but deal mainly with the stirring events of the year 54 B.C. as narrated in Book V. Part II is based on Cicero and

follows in detail the plan of Part I The passages of continuous discourse interspersed among the Exercises deal with Cicero's life up to his consulship The remainder give a somewhat detailed account of the career of Verres Part III is intended for the last year of the high school or academy and consists of some thirty passages of continuous discourse dealing with the subject matter of the Fourteen Philippic Orations of Cicero About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
