PEARL HARBOR FINAL JUDGEMENT

THE EXPLOSIVE TRUTH

HENRY C. CLAUSEN
Special Investigator for the Secretary of War
and
BRUCE LEE

Pearl Harbor Final Judgement

Burton W. Folsom,Anita Folsom

Pearl Harbor Final Judgement:

Pearl Harbor Henry C. Clausen,Bruce Lee,1992 Clausen was appointed as independent investigator of the events at Pearl Harbor by Secretary of War Stimson in 1944 and the present volume co authored with the late military historian Bruce Lee is Clausen s riveting conclusion to his investigation which he could not write when he presented his 800 page report to Stimson in 1945 for reasons of national security Clausen definitively disproves the conspiracy theories about Pearl Harbor explains why the Japanese attack was successful and identifies those who were responsible for the American failure to protect itself Annotation copyright by Book News Inc Portland OR **Pearl Harbor - Final Judgement** Bruce Lee,M. Clausen,1994-09-01 Pearl Harbor Henry C. Clausen,Bruce Lee,1993 Henry C Clausen was selected by the Secretary of War in 1944 to find out the truth about Pearl Harbour knowing that high ranking members of the military had testified falsely before various bodies This book written by Clausen reveals the truth about Pearl Harbour *Pearl Harbor: Final Judgement* Henry C. Clausen,Bruce Lee,2015-07-07 This account of the top secret investigation is essential history the authoritative appraisal of why American armed forces met the Japanese attack asleep The Christian Science Monitor On December 6 1941 Admiral Husband E Kimmel commander in chief of the United States Pacific Fleet assured his staff that the Japanese would not attack Pearl Harbor The next morning Japanese carriers steamed toward Hawaii to launch one of the most devastating surprise attacks in the history of war proving the admiral disastrously wrong Immediately an investigation began into how the American military could have been caught so unaware The results of the initial investigation failed to implicate who was responsible for this intelligence debacle Secretary of War Henry L Stimson realizing that high ranking members of the military had provided false testimony decided to reopen the investigation by bringing in an unknown major by the name of Henry C Clausen Over the course of ten months from November 1944 to September 1945 Clausen led an exhaustive investigation He logged more than fifty five thousand miles and interviewed over one hundred military and civilian personnel ultimately producing an eight hundred page report that brought new evidence to light Clausen left no stone unturned in his dogged effort to determine who was truly responsible for the disaster at Pearl Harbor Pearl Harbor Final Judgement reveals all of the eye opening details of Clausen s investigation and is a damning account of massive intelligence failure To this day the story surrounding the Japanese attack on Pearl Harbor stokes controversy and conspiracy theories This book provides conclusive evidence that shows how the US military missed so many signals and how it could have avoided the events of that fateful day **Pearl Harbor's Final Warning** Valarie J. Anderson,2021-10-24 On 7 December 1941 Washington sent a message to its Pacific outposts about a potential Japanese attack All but Pearl Harbor received it in time to prepare New information from the archives of George Street District Manager of RCA Honolulu exposes the fatal flaws that resulted in the surprise attack Operational snafus collusion and spies weave a web of misdirection that entangles George Street and his children in one of history s biggest mistakes Pearl Harbor s Final Warning amends the historical record by presenting

previously unpublished material including the original copy of General Marshall s coded message **Historical Dictionary of U.S. Diplomacy from World War I through World War II** Martin Folly,Niall Palmer,2010-04-01 The period from the outset of World War I to the end of World War II was among the most significant in the history of the United States Twice it was drawn into foreign entanglements wars it initially thought were no concern of its own and of which it tried to steer clear only to realize that it could not stand aside With each one it geared up in record time entered the fray massively and was crucial to the outcome Each war tested the American people and their leaders and in each case the country came out of the conflagration stronger than before and even more important yet stronger relative to other countries than it had ever been This was the period when the United States became a world leader The Historical Dictionary of U S Diplomacy from World War I through World War II relates the events of this crucial period in U S history through a chronology an introductory essay and over 600 cross referenced dictionary entries on key persons places events institutions and organizations **The World in Arms** ,1990 *The A to Z of U.S. Diplomacy from World War I through World War II* Martin Folly,Niall Palmer,2010-04-20 The period from the outset of World War I to the end of World War II was among the most significant in the history of the United States Twice it was drawn into foreign entanglements wars it initially thought were no concern of its own and of which it tried to steer clear only to realize that it could not stand aside With each one it geared up in record time entered the fray massively and was crucial to the outcome Each war tested the American people and their leaders and in each case the country came out of the conflagration stronger than before and even more important yet stronger relative to other countries than it had ever been This was the period when the United States became a world leader The A to Z of U S Diplomacy from World War I through World War II relates the events of this crucial period in U S history through a chronology an introductory essay and over 600 cross referenced dictionary entries on key persons places events institutions and organizations The Anthony Summers Collection Anthony Summers,2018-04-10 Marilyn JFK Hoover Three provocative works of investigative journalism by a New York Times bestselling author and finalist for the Pulitzer Prize New York Times bestselling author Anthony Summers was a finalist for the Pulitzer Prize in 2012 for his acclaimed account of the 9 11 attacks The Eleventh Day In these three expos s Summers uncovers the truth behind the myth making cover ups and lies surrounding the death of Marilyn Monroe the assassination of John F Kennedy and the career of infamous FBI director J Edgar Hoover Goddess In this remarkable New York Times bestselling biography of the iconic star s brief life and tragic end Summers establishes after years of rumors that President Kennedy and his brother Robert were both intimately involved with Monroe in life and in covering up the circumstances of her death The New York Times Convincing evidence of a crude but effective cover up which was designed to protect Robert Kennedy The Times Literary Supplement Not in Your Lifetime Updated fifty years after the JFK assassination Summers s extensively researched account is comprehensive and candid shedding new light on Lee Harvey Oswald and Jack Ruby in particular providing the closest we have to that literary chimera a definitive work on

the events in Dallas The Boston Globe Fresh and important We rush on through Summers s narrative as if we were reading an artful thriller The New York Times An awesome work with the power of a plea as from Zola for justice Los Angeles Times Official and Confidential This enthralling New York Times bestselling portrait of J Edgar Hoover plumbs the depths of a man who possessed and abused enormous power as the director of the FBI for fifty years persecuting political enemies blackmailing politicians and living his own surprising secret life haunted by paranoia Paul Theroux An important book that should give us all pause especially policy makers The Philadelphia Inquirer Summers book is not just a history of a single hero sized hypocrite it is a history of a vast national delusion The Spectator A Life Disturbed Merrel D. Clubb, Jr.,2011-06-01 An exceptional storyteller with an analytical eye Merrel Clubb has gathered the letters he sent his parents from the Pacific Theater of World War II and his subsequent reflections on that war and on his life into a kind of then and now memoir The letters are a treasure trove of humor anxiety and hope revealing a young man thrust into a war that he does not understand Through this exceptional portal on the past we learn of the tragic absurdity of war of a soldier trained for naval warfare but sent into land battle with weapons he d never before fired of command post latrines at which even commanding officers were sitting ducks of the ghoulish trophies and mementos that soldiers collected from the battlefields The letters describe a vivid cast of characters from Clubb s childhood friend who instilled a love of poetry in his comrades to the hillbilly singer and the prostitute with whom the young Clubb had varied amorous adventures But the most compelling figure in this narrative is of course Clubb himself an intellectual who carried Jane Austen and Joseph Conrad along with his tommy gun who used books as a fortification for his foxhole discovering upon waking one morning that Ouspensky stopped a bullet and who in a darkly humorous moment wrote home that Plato is pretty consoling because I can always think that somewhere there is a perfect hell of a navy of which this is but an imitation or representation Returning to these letters years later prompts Clubb to look again at the Second World War and at the atomic bomb that ended it In an analysis as useful to understanding our own historical moment as it is to reconsidering the past Clubb counters the conventional wisdom shared by veterans and civilians alike particularly regarding the concept of a just war For Clubb as for so many veterans the war does not end with the victory over Japan Despite the intervening years Clubb finds that the haunting episodes experienced over half a century ago echo still Even in the solitude of the forest in the hunting parties he meets in the animals he himself kills he hears again the sound of battle sees again the faces of the victims of war Part letters part memoir and part scholarly analysis this volume ranges over a vast colorful and weighted territory From the battles and respites in the Pacific Islands to the night clubs and call girls of mainland San Francisco and San Diego from the relative quiet of his aptly named hometown Stillwater to the similarly quiet Montana backcountry Clubb s narrative explores the psychological terrain of a life disturbed and forever changed by war *Official and Confidential* Anthony Summers,2012-01-17 A New York Times bestselling author s revealing important biography of the longtime FBI director The Philadelphia Inquirer No one exemplified paranoia and

secrecy at the heart of American power better than J Edgar Hoover the original director of the Federal Bureau of Investigation For this consummate biography renowned investigative journalist Anthony Summers interviewed more than eight hundred witnesses and pored through thousands of documents to get at the truth about the man who headed the FBI for fifty years persecuted political enemies blackmailed politicians and lived his own surprising secret life Ultimately Summers paints a portrait of a fatally flawed individual who should never have held such power and for so long **Rising Sun Victorious** Peter G. Tsouras,2011-10-19 In war victory can be held hostage to seemingly insignificant incidents chance events opportunities seized or cast aside that can derail the most brilliant military strategies and change the course of history What if the Japanese had conquered India and driven out the British What if the strategic link between the United States and Australia had been severed What if Vice Admiral Nagumo had launched a third attack on Pearl Harbor What if the U S Navy s gamble at Midway had backfired Ten leading military historians ask these and other questions in this fascinating book The war with Japan was rife with difficult choices and battles that could have gone either way These fact based alternate scenarios offer intriguing insights into what might have happened in the Pacific during World War II and what the consequences would have been for America **Fighting to Lose** John Bryden,2014-04-19 Startling new revelations about collaboration between the Allies and the German Secret Service Based on extensive primary source research John Bryden s Fighting to Lose presents compelling evidence that the German intelligence service the Abwehr undertook to rescue Britain from certain defeat in 1941 Recently opened secret intelligence files indicate that the famed British double cross or double agent system was in fact a German triple cross system These files also reveal that British intelligence secretly appealed to the Abwehr for help during the war and that the Abwehr s chief Admiral Canaris responded by providing Churchill with the ammunition needed in order to persuade Roosevelt to lure the Japanese into attacking Pearl Harbor These findings and others like them make John Bryden s Fighting to Lose one of the most fascinating books about World War II to be published for many years **Roosevelt's War** Paul D. Lunde,2012-03-14 Franklin D Roosevelt pursued the U S presidency for more than 25 years He served in that office longer than any other person from 1933 until his death in 1945 To achieve the office of president of the United States FDR practiced deception on a grand scale He was a charming man when he wanted to be and he engaged the willing help of several specific individuals as well as many others in his quest for the presidency and in his successful execution of the duties of that office As president FDR steered the U S ship of state a deliberate metaphor through two of its greatest crises the Great Depression and World War II Roosevelts War In doing so FDR more than any other person created the Superpower that the United States is today This book will tell you how it all happened **One Hundred Years of Sea Power** George W. Baer,1996-07-01 A navy is a state s main instrument of maritime force What it should do what doctrine it holds what ships it deploys and how it fights are determined by practical political and military choices in relation to national needs Choices are made according to the state s goals perceived threat maritime opportunity technological

capabilities practical experience and not the least the way the sea service defines itself and its way of war This book is a history of the modern U S Navy It explains how the Navy in the century after 1890 was formed and reformed in the interaction of purpose experience and doctrine **World War II in Literature for Youth** Patricia Hachten Wee,Robert James Wee,2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource *FDR Goes to War* Burton W. Folsom,Anita Folsom,2011-10-11 From the acclaimed author of New Deal or Raw Deal called eye opening by the National Review comes a fascinating expos of Franklin Delano Roosevelt s destructive wartime legacy and its adverse impact on America s economic and foreign policies today Did World War II really end the Great Depression or did President Franklin Roosevelt s poor judgment and confused management leave Congress with a devastating fiscal mess after the final bomb was dropped In this provocative new book historians Burton W Folsom Jr and Anita Folsom make a compelling case that FDR s presidency led to evasive and self serving wartime policies At a time when most Americans held isolationist sentiments a backlash against the stunning carnage of World War I Roosevelt secretly favored an aggressive interventionist foreign policy Yet throughout the 1930s he spent lavishly on his disastrous New Deal programs and slashed defense spending leaving America vastly unprepared for Japan s attack on Pearl Harbor and the challenge of fighting World War II History books tell us the wartime economy was a boon thanks to massive government spending But the skyrocketing national debt food rations nonexistent luxuries crippling taxes labor strikes and dangerous work of the time tell a different story one that is hardly the stuff of recovery Instead the war ushered in a new era of imperialism for the executive branch Roosevelt seized private property conducted illegal wiretaps tried to silence domestic opposition and interned 110 000 Japanese Americans He set a dangerous precedent for entangling alliances in foreign affairs including his remarkable courtship of Russian dictator Joseph Stalin while millions of Americans showed the courage perseverance and fortitude to make the weapons and fight the war Was Roosevelt a great wartime leader as historians almost unanimously assert The Folsoms offer a thought provoking revision of his controversial legacy FDR Goes to War will make America take a second look at one of its most complicated presidents

Canada's Road to the Pacific War Timothy Wilford,2011-09-12 In December 1941 Japan attacked multiple targets in the Far East and the Pacific including Canadian battalions stationed in Hong Kong The disaster suggested that the Allies were totally unprepared for war This book dispels that assumption by offering the first in depth account of Canadian intelligence gathering and strategic planning on the eve of the Pacific War Canadians worked closely with their US and Allied counterparts to develop a picture of Japan s intentions and a strategic plan to meet challenges in the Pacific Although Canada

wanted to avoid conflict with Japan until US participation was assured policy makers anticipated action in the Pacific and made preparations for defence which included the internment of Japanese Canadians By highlighting Canada s role as a Pacific power Timothy Wilford sheds new light on events that led to the crisis in the Far East as well as to the creation of the Grand Alliance **Military Intelligence Blunders** John Hughes-Wilson,2023-03-30 A cracking good read I will recommend this book to anyone Professor Richard Holmes CBE The Falklands Yom Kippur Tet and Pearl Harbor Avoidable intelligence blunders or much worse Altogether a compelling read from someone who knows the business Nigel West This book is a professional military intelligence officer s and controversial insider s view of some of the greatest intelligence blunders of recent history It includes the serious developments in government misuse of intelligence in the US led coalition s 2003 war with Iraq as well as failures of intelligence in Ukraine following Russia s invasion in February 2022 Colonel John Hughes Wilson analyses not just the events that conspire to cause disaster but why crucial intelligence is so often ignored misunderstood or spun by politicians and seasoned generals alike This book analyses how Hitler s intelligence staff misled him in a bid to outfox their Nazi Party rivals the bureaucratic bungling behind Pearl Harbor how in fighting within American intelligence ensured they were taken off guard by the Viet Cong s 1968 Tet Offensive how overconfidence political interference and deception facilitated Egypt and Syria s 1973 surprise attack on Israel why a handful of marines and a London taxicab were all Britain had to defend the Falklands the mistaken intelligence that allowed Saddam Hussein to remain in power until the second Iraq War of 2003 the truth behind the US failure to run a terrorist warning system before the 9 11 WTC bombing and how governments are increasingly pressurising intelligence agencies to spin a party political line

War and Happiness Peter S. Jenkins,2019-06-07 Jenkins rare combination of psychological theorizing and archival research in several countries and time periods yields a fascinating new take on the central question of when states over estimate or under estimate others resolve The biases that leaders and elites fall prey to appear to vary with their emotional states and senses of well being factors that most scholars have ignored Robert Jervis author of How Statesmen Think This groundbreaking book explains how the happiness levels of leaders politicians and diplomats affect their assessments of the resolve of their state s adversaries and allies Its innovative methodology includes case studies of the origins of twelve wars with Anglo American involvement from 1853 to 2003 and the psycholinguistic text mining of the British Hansard and the U S Congressional Record div
