Gennady Estraikh

Polin A Journal Of Polish Jewish Studies 001:

Polin, 2000 **Polin**, 1988 **Rethinking Poles and Jews** Robert D. Cherry, Annamaria Orla-Bukowska, 2007 Since Polish Catholics embraced some anti Jewish notions and actions prior to WWII many intertwined the Nazi death camps in Poland with Polish anti Semitism As a result more so than local non Jewish population in other Nazi occupied countries Polish Catholics were considered active collaborators in the destruction of European Jewry Through the presentation of these negative images in Holocaust literature documentaries and teaching these stereotypes have been sustained and infect attitudes toward contemporary Poland impacting on Jewish youth trips there from Israel and the United States This book focuses on the role of Holocaust related material in perpetuating anti Polish images and describes organizational efforts to combat them Without minimizing contemporary Polish anti Semitism it also presents more positive material on contemporary Polish American organizations and Jewish life in Poland To our knowledge this will be the first book to document systematically the anti Polish images in Holocaust material to describe ongoing efforts to combat these negative stereotypes and to emphasize the positive role of the Polish Catholic community in the resurgence of Jewish life in Poland Thus this book will present new information that will be of value to Holocaust Studies and the 100 000 annual foreign visitors to the German death camps in Poland **The Journal of Jewish Studies**, 2005 **The Afterlife of the Shoah in Central and Eastern European Cultures** Anna Artwinska, Anja Tippner, 2021-11-08 The Afterlife of the Shoah in Central and Eastern European Cultures is a collection of essays by literary scholars from Germany the US and Central Eastern Europe offering insight into the specific ways of representing the Shoah and its aftereffects as well as its entanglement with other catastrophic events in the region Introducing the conceptual frame of postcatastrophe the collected essays explore the discursive and artistic space the Shoah occupies in the countries between Moscow and Berlin Postcatastrophe is informed by the knowledge of other concepts of post and shares their insight into forms of transmission and latency in contrast to them explores the after effects of extreme events on a collective aesthetic and political rather than a personal level The articles use the concept of postcatastrophe as a key to understanding the entangled and conflicted cultures of remembrance in postsocialist literatures and the arts dealing with events phenomena and developments that refuse to remain in the past and still continue to shape perceptions of today s societies in Eastern Europe As a contribution to memory studies as well as to literary criticism with a special focus on Shoah remembrance after socialism this book is of great interest to students and scholars of European history and those interested in historical memory more broadly [The Radical Enlightenment of Solomon Maimon](#), 2006-09-14 With extraordinary chutzpah and deep philosophical seriousness Solomon ben Joshua of Lithuania renamed himself after his medieval intellectual hero Moses Maimonides This is a study of Maimon perhaps the most controversial figure of the late 18th century Jewish Enlightenment **A Minor Apocalypse** Robert E. Blobaum, 2017-02-21 In A Minor Apocalypse Robert Blobaum explores the social and cultural history of Warsaw s forgotten war of 1914 1918 Beginning with

the bank panic that accompanied the outbreak of the Great War Blobaum guides his readers through spy scares bombardments mass migratory movements and the Russian evacuation of 1915 Industrial collapse marked only the opening phase of Warsaw s wartime economic crisis which grew steadily worse during the German occupation Requisitioning and strict control of supplies entering the city resulted in scarcity amid growing corruption rapidly declining living standards and major public health emergencies Blobaum shows how conflicts over distribution of and access to resources led to social divisions a sharp deterioration in Polish Jewish relations and general distrust in public institutions Women s public visibility demands for political representation and perceived threats to the patriarchal order during the war years sustained one arena of cultural debate New modes of popular entertainment including cinema cabaret and variety shows created another particularly as they challenged elite notions of propriety Blobaum presents these themes in comparative context not only with other major European cities during the Great War but also with Warsaw under Nazi German occupation a generation later

The Forgotten Appeasement of 1920 Andrzej Nowak, 2023-05-26 The Forgotten Appeasement of 1920 examines a turning point in East European history the summer of 1920 when Lenin s Soviet Russia decided to challenge the Versailles system and launch a military attack on the continent The outcome of this attack might have been the occupation of all of Poland and East Central Europe and a Red Army sweep further west This book probes the British Soviet negotiations and diplomatic operations behind the scenes Professor Nowak uses hitherto unexamined documents from Russian and British archives to show how and why top British politicians were ready to accept a new Russian imperial control over the whole of Eastern Europe Nowak unravels this previously untold story of that first and forgotten appeasement stopped only by the Polish military victory over the Red Army His excellent historical craftsmanship and new sources contribute to the book s quality filling up a lacuna in contemporary historiography This book will appeal to researchers of geopolitical affairs and the Great Powers the history of Poland and the political mentality of Western elites It will also be of interest to university students and tutors scholars of history and international relations and thanks to the book s brisk and fascinating narrative amateur historians and history aficionados *Lodz and Getto Litzmannstadt : promised land and croaking hole of Europe* Robert Jan van Pelt, 2015-06-05 From 1941 to 1944 the Polish Jewish photographer Henryk Ross 1910 1991 was a member of an official team documenting the implementation of Nazi policies in the Lodz Ghetto in Poland Covertly he captured on film scores of both quotidian and intimate moments of Jewish life In 1944 he buried thousands of negatives in an attempt to save this secret record After the war Ross returned to Poland to retrieve them Although some were destroyed by nature and time many negatives survived Memory Unearthed presents a selection of the nearly 3 000 surviving images along with original prints and other archival material including curfew notices and newspapers from the permanent collection at the Art Gallery of Ontario Ross s images offer a startling and moving new representation of one of humanity s greatest tragedies Striking for both their historical content and artistic quality his photographs have a raw intimacy and emotional power that remain

undiminished For the Honor of Our Fatherland Tracey Hayes Norrell, 2017-11-22 *For the Honor of Our Fatherland* German Jews on the Eastern Front during the Great War focuses on the German Jews role in reconstructing Poland's war ravaged countryside. The German Army assigned rabbis to serve as chaplains in the German Army and to support and minister to their own Jewish soldiers which numbered 100,000 during the First World War. However, upon the Army's arrival into the decimated region east of Warsaw, it became abundantly clear that the rabbis might also help with the poverty stricken Ostjuden by creating relief agencies and rebuilding schools. *For the Honor of Our Fatherland* demonstrates that the well being of the Polish Jewish community was a priority to the German High Command and vital to the future of German politics in the region. More importantly, by stressing the importance of the Jews in the East to Germany's success, *For the Honor of Our Fatherland* will show that Germany did not always want to remove the Jews; quite the contrary. The role and influence of the German Army rabbis and Jewish administrators and soldiers demonstrates that Germany intentionally supported the Polish Jewish communities in order to promote its agenda in the East, even as the modes for future influence changed. By implementing a philanthropic agenda in the East, the Germans recognized that its success might lie in part in enfranchising the Jewish population. Moreover, the directives of these relief agencies were not only beneficial to the impoverished Jewish communities but the German Army had much to gain from this transnational relationship. The tragic irony was that Germany returned to the East in the Second World War and killed millions of Jews. **Polin** Antony Polonsky, 1992-07-27 Now in its sixth year of publication, *Polin* is rapidly emerging as a leading forum for authoritative historical and cultural material on Polish and east European Jewry. Each volume contains articles representing original research, often including previously unpublished documents. Each issue also features an extensive review essay section and a forum for the exchange of ideas and views between authors. *Polin* is essential reading not only for all those working in Jewish studies but also for those involved in Slavonic and Eastern European studies. This year's volume traces the history of the Jews in Lodz, 1820-1939. **A History of the Grandparents I Never Had** Ivan Jablonka, 2023-05-25 A French historian chronicles his meticulous efforts to document the lives of his Polish Jewish grandparents who were killed in the Holocaust. Ivan Jablonka's grandparents' lives ended long before his began, although Mat's and Idesa Jablonka were his family; they were perfect strangers. When he set out to uncover their story, Jablonka had little to work with. Neither of them was the least bit famous, and they left little behind except their two orphaned children, a handful of letters, and a passport. Persecuted as communists in Poland, as refugees in France, and then as Jews under the Vichy regime, Mat's and Idesa lived their short lives underground. They were overcome by the tragedies of the twentieth century: Stalinism, the mounting dangers in Europe during the 1930s, World War II, and the destruction of European Jews. Jablonka's challenge was as a historian to rigorously distance himself and yet as family to invest himself completely in their story. Imagined oppositions collapsed between scholarly research and personal commitment, between established facts and the passion of the one recording them, between

history and the art of storytelling To write this book Jablonka traveled to three continents met the handful of survivors of his grandparents era their descendants and some of his far flung cousins and investigated twenty different archives And in the process he reflected on his own family and his responsibilities to his father the orphaned son and to his own children and the family wounds they all inherited A History of the Grandparents I Never Had cannot bring Mat s and Idesa to life but Jablonka succeeds in bringing them as he soberly puts it to light The result is a gripping story a profound reflection and an extraordinary history Praise for A History of the Grandparents I Never Had A deeply moving poignant and sad book but one also filled with hope light and inspiration Jewish Book Council Ivan Jablonka is a tremendous writer compassionate and searching intimate and ambitious and A History of the Grandparents I Never Had is a painstakingly researched and profoundly heartfelt book that teaches us new and necessary things about family history and the extraordinary power of storytelling It s one of the most beautiful books I ve read in years Molly Antopol author of The UnAmericans An extraordinary book at once a breathtaking work of historical investigation and a deeply personal meditation on the possibilities and limits of historical knowledge By uncovering the traces left behind by people who literally vanished into thin air Ivan Jablonka sheds new light on the Holocaust as well as on our own desire to grasp what cannot be grasped Maurice Samuels Yale University

Translating Sholem Aleichem Gennady Estraiikh, 2017-07-05 Sholem Aleichem whose 150th anniversary was commemorated in March 2009 remains one of the most popular Yiddish authors But few people today are able to read the original Since the 1910s however Sholem Aleichem s works have been known to a wider international audience through numerous translations and through film and theatre adaptations most famously Fiddler on the Roof This volume examines those translations published in Europe with the aim of investigating how the specific European contexts might have shaped translations of Yiddish literature With the contributions Olga Litvak Found in Translation Sholem Aleichem and the Myth of the Ideal Yiddish Reader Alexander Frenkel Sholem Aleichem as a Self Translator Eugenia Prokop Janiec Sholem Aleichem and the Polish Jewish Literary Audience Gennady Estraiikh Soviet Sholem Aleichem Roland Gruschka Du host zikh a denkmol af eybik geshtelt The Sovietization and Heroization of Sholem Aleichem in the 1939 Jubilee Poems Mikhail Krutikov A Man for All Seasons Translating Sholem Aleichem into Soviet Ideological Idiom Gabriella Safran Four English Pots and the Evolving Translatability of Sholem Aleichem Sabine Koller On Un Translatability Sholem Aleichem s Ayznban geshikhtes Railroad Stories in German Translation Alexandra Hoffman Laughing Matters Translation and Irony in Der gliklekhster in Kodne Kerstin Hoge Lost in Marienbad On the Literary Use of the Linguistic Openness of Yiddish Anna Verschik Sholem Aleichem in Estonian Creating a Tradition Jan Schwarz Speaking Tevye der milkhiker in Translation Performance Humour and World Literature **Churches and Religion in the Second World War** Jan Bank, Lieve Gevers, 2016-03-24 Despite the wealth of historical literature on the Second World War the subject of religion and churches in occupied Europe has been undervalued until now This critical European history is unique in delivering a rich and detailed analysis of churches and

religion during the Second World War looking at the Christian religions of occupied Europe Catholicism Lutheranism Calvinism and Orthodoxy The authors engage with key themes such as relations between religious institutions and the occupying forces religion as a key factor in national identity and resistance theological answers to the Fascist and National Socialist ideologies especially in terms of the persecution of the Jews Christians as bystanders or protectors in the Holocaust and religious life during the war Churches and Religion in the Second World War will be of great value to students and scholars of European history the Second World War and religion and theology

Bondage to the Dead Michael C. Steinlauf, 1997 Rather than having spent the last 50 years coming to terms with the magnitude of evil of the Holocaust this book is about a country that according to the author has largely ignored its participation and attempted to minimize its national memory of the event

Dialectics and Humanism, 1989

The Cambridge History of Judaism: Volume 6, The Middle Ages: The Christian World Robert Chazan, 2018-10-11 Volume 6 examines the history of Judaism during the second half of the Middle Ages Through the first half of the Middle Ages the Jewish communities of western Christendom lagged well behind those of eastern Christendom and the even more impressive Jewries of the Islamic world As Western Christendom began its remarkable surge forward in the eleventh century this progress had an impact on the Jewish minority as well The older Jewries of southern Europe grew and became more productive in every sense Even more strikingly a new set of Jewries were created across northern Europe when this undeveloped area was strengthened demographically economically militarily and culturally From the smallest and weakest of the world's Jewish centers in the year 1000 the Jewish communities of western Christendom emerged despite considerable obstacles as the world's dominant Jewish center by the end of the Middle Ages This demographic economic cultural and spiritual dominance was maintained down into modernity

Russian Jews on Three Continents Noah Lewin-Epstein, Paul Ritterband, Yaacov Ro'i, 2013-10-31 In the past twenty years almost three quarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration

Globalization in Southeast Asia Shinji Yamashita, Jeremy Seymour Eades, 2003 The rapid postwar economic growth in the Southeast Asia region has led to a transformation of many of the societies there together with the development of new types of anthropological research in the region Local societies with originally quite different cultures have been incorporated into multi ethnic states with their own projects of nation building based on the creation of national cultures using these indigenous elements At the same time the expansion of international capitalism has

led to increasing flows of money people languages and cultures across national boundaries resulting in new hybrid social structures and cultural forms This book examines the nature of these processes in contemporary Southeast Asia with detailed case studies drawn from countries across the region including Indonesia Malaysia the Philippines Singapore and Thailand At the macro level these include studies of nation building and the incorporation of minorities At the micro level they range from studies of popular cultural forms such as music and textiles to the impact of new sects and the world religions on local religious practice Moving between the global and the local are the various streams of migrants within the region including labor migrants responding to the changing distribution of economic opportunities and ethnic minorities moving in response to natural disaster

Hitler Strikes Poland Alexander B. Rossino, 2003 Usually given short shrift in most histories of World War II Hitler's invasion of Poland was more than a series of opening salvos it was a testing ground for German brutalities to come This is a comprehensive study of the campaign including insights into its ideological underpinnings

Thank you for downloading **Polin A Journal Of Polish Jewish Studies 001**. Maybe you have knowledge that, people have look numerous times for their favorite novels like this Polin A Journal Of Polish Jewish Studies 001, but end up in infectious downloads.

Polin A Journal Of Polish Jewish Studies 001 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Polin A Journal Of Polish Jewish Studies 001 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Polin A Journal Of Polish Jewish Studies 001 has opened up a world of possibilities. Downloading Polin A Journal Of Polish Jewish Studies 001 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Polin A Journal Of Polish Jewish Studies 001 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Polin A Journal Of Polish Jewish Studies 001. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Polin A Journal Of Polish Jewish Studies 001. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Polin A Journal Of Polish Jewish Studies 001, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Polin A Journal Of Polish Jewish Studies 001 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Polin A Journal Of Polish Jewish Studies 001 Books

1. Where can I buy Polin A Journal Of Polish Jewish Studies 001 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Polin A Journal Of Polish Jewish Studies 001 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
