Political Prairie Fire:

Political Prairie Fire Robert Loren Morlan,1955-01-01 Political Prairie Fire was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Political Prairie Fire was first published in 1955 The farmers of North Dakota were ripe for revolt when the magnetic figure of A C Townley strode into their midst and offered them a new political formula to redress their grievances Townley s plan was simple but revolutionary it called for the formation of a Nonpartisan Political League dedicated to the election of candidates through the established two party system and to a platform emphasizing public ownership of certain vital farm services and facilities such as terminal grain elevators and hail insurance on crops Like the great prairie fires of the plains states the political flames of the Nonpartisan League spread swiftly from one farm to the next across North Dakota and into the adjoining states The League is regarded by many as the last of the great agrarian protest movements It is historically significant because it achieved a measure of success well beyond that of most similar movements It controlled the government of one state for some years elected state officials and legislators in a number of midwestern and western states and sent several congressmen to Washington Its impact helped shape the destinies of a dozen states and the political philosophies of an important segment of the nation s voters The League s methods of operation often serve today as a guide for political action This is the first detailed unbiased history of the Nonpartisan League Thoroughly documented for the specialist it is nevertheless equally interesting for the general reader

Prairie Fire Weather Underground,2022-01-18 The original Weather Underground manifesto in its original layout Prairie Fire was a 188 page political manifesto published by the Weather Underground in 1974 articulating the radical splinter group s ideology and endorsing revolutionary violence Prairie Fire was distributed in radical bookstores food coops headshops on college campuses and many other places that movement activists met It was met with a combination of strong emotions throughout the Left Ultimately the ideological arguments articulated in Prairie Fire led to a new split in the Weather Underground with some gravitating toward the Prairie Fire Collective which favored mass based above ground revolutionary politics and the May 19th Communist Organization which remained underground and pulled off the infamous

Brinks robbery in 1981 In 1974 when Prairie Fire was written the Weather Underground had realized the shortcoming of there underground tactics in the previously stated sense So Prairie Fire called for the creation of both mass and clandestine or underground organizations The clandestine organizations would be in charge of the development and early creation of a people s militia as well as carrying out previous underground tactics and raising consciousness That mass organization would support and encourage armed action to the mass of the public in a more legitimized fashion Under this ideology The Weather Underground could facilitate a far larger mass following while still advocating for a violent militant revolution The name for the manifesto was derived from the writings of Chinese Communist revolutionary Mao Zedong In his Little Red Book he wrote a single spark can set a prairie fire as an analogy for revolution The manifesto encourages a mix of mass organizing and clandestine revolutionary violence Never disassociate mass struggle from revolutionary violence the author s argued To leave people unprepared to fight the state they said is to seriously mislead them about the inevitable nature of what lies ahead Abbie Hoffman publicly praised Prairie Fire and believed every American should be given a copy The manifesto s influence initiated the formation of the Prairie Fire Organizing Committee in several American cities Hundreds of above ground activists helped further the new political vision of the Weather Underground Essentially after the 1969 failure of the Days of Rage to involve thousands of youth in massive street fighting Weather renounced most of the Left and decided to operate as an isolated underground group The decision to build only an underground group eventually caused the Weather Underground to lose sight of its commitment to mass struggle and made future alliances with the mass movement difficult and tenuous By 1974 Weather had recognized this shortcoming and in Prairie Fire detailed a different strategy for the 1970s which demanded both mass and clandestine organizations The role of the clandestine organization would be to build the consciousness of action and prepare the way for the development of a people s militia Concurrently the role of the mass movement i e above ground Prairie Fire collective would include support for and encouragement of armed action Such an alliance would according to Weather help create the sea for the guerrillas to swim in The Prairie Fire Collective faction started to surrender to the authorities from the late 1970s to the early 1980s The remaining Weather Underground members continued to attack U S institutions This is the complete text of Prairie Fire in its original layout **Political Hell-Raiser**

Marc C. Johnson,2019-03-21 Burton K Wheeler 1882 1975 may have been the most powerful politician Montana ever produced and he was one of the most influential and controversial members of the United States Senate during three of the most eventful decades in American history A New Deal Democrat and lifelong opponent of concentrated power whether economic military or executive he consistently acted with a righteous personal and political independence that has all but disappeared from the public sphere Political Hell Raiser is the first book to tell the full story of Wheeler a genuine maverick whose successes and failures were woven into the political fabric of twentieth century America Wheeler came of political age amid antiwar and labor unrest in Butte Montana during World War I As a crusading United States attorney he battled

Montana's powerful economic interests championed farmers and miners and won election to the U S Senate in 1922 There he made his name as one of the Montana scandalmongers uncovering corruption in the Harding and Coolidge administrations Drawing on extensive research and new archival sources Marc C Johnson follows Wheeler from his early backing of Franklin D Roosevelt and ardent support of the New Deal to his forceful opposition to Roosevelt's plan to expand the Supreme Court and in a move widely viewed as political suicide his emergence as the most prominent spokesman against U S involvement in World War II right up to three days before Pearl Harbor Johnson provides the most thorough telling of Wheeler's entire career including all its accomplishments and contradictions as well as the political storms that the senator both encouraged and endured The book convincingly establishes the place and importance of this principled hell raiser in American political history
