Poor Women Powerful Men:

Poor Women, Powerful Men Martha C Ward, 2019-07-09 *Poor Women Powerful Men* chronicles the achievements and subsequent failure of the Louisiana Family Health Foundation the most extensive family planning program ever to operate in the United States Martha C Ward's even handed account reveals the mechanisms of politics poverty and public health policies at work in the perpetual controversies surrounding reproductive rights and the delivery of health care services to the poor Ward's book begins in the early 1960s when Louisiana was among the most underdeveloped states and ranked at the bottom of all scales measuring illiteracy illegitimacy and infant mortality Despite the free statewide Charity Hospital system many routine preventive medical and public health services were not available to poor women and their children particularly if they were black But in the mid 1960s a visionary group of doctors and health care practitioners began to clear the hurdles erected by law church and the medical political establishment By 1970 they had set up the first statewide family planning program for poor people in the United States The Louisiana experiment was a spectacular success The Ford Rockefeller and Kellogg Foundations poured millions of dollars into the program The Great Society and War on Poverty programs placed a high priority on the health of poor mothers and infants With the help of the population lobby including Planned Parenthood and the Agency for International Development the Family Health Foundation moved into Latin America and other developing areas But in 1974 the bubble burst Accusations of fiscal mismanagement fraudulent statistics patronage and political payoffs led to federal indictments and jail sentences for top officials Poor women and powerful men the black and white communities and the liberal and conservative medical factions were pitted against each other With the collapse of the program methods for handling the epidemic of adolescent pregnancies and the high infant mortality rate reverted to the state bureaucracies *Poor Women Powerful Men* is the first book length account of the Louisiana experiment In a clear and dispassionate voice Ward demonstrates that many of the questions raised by the experiment persist Is family planning an answer to the cycle of poverty teenage pregnancies and infant mortality How can the conflict between private and public delivery of medical care be resolved Where do the reproductive rights of women fit into governmentally supported birth control programs We seem no closer today to answering these questions than the Louisiana Family Health Foundation was more than a decade ago

Poor Women, Powerful Men Martha C. Ward, 2019-10-02 *Poor Women Powerful Men* chronicles the achievements and subsequent failure of the Louisiana Family Health Foundation the most extensive family planning program ever to operate in the United States Martha C Ward's even handed account reveals the mechanisms of politics poverty and public health policies at work in the perpetual controversies surrounding reproductive rights and the delivery of health care services to the poor Ward's book begins in the early 1960s when Louisiana was among the most underdeveloped states and ranked at the bottom of all scales measuring illiteracy illegitimacy and infant mortality Despite the free statewide Charity Hospital system many routine preventive medical and public health services were not available to poor women and their children particularly

if they were black But in the mid 1960s a visionary group of doctors and health care practitioners began to clear the hurdles erected by law church and the medical political establishment By 1970 they had set up the first statewide family planning program for poor people in the United States The Louisiana experiment was a spectacular success The Ford Rockefeller and Kellogg Foundations poured millions of dollars into the program The Great Society and War on Poverty programs placed a high priority on the health of poor mothers and infants With the help of the population lobby including Planned Parenthood and the Agency for International Development the Family Health Foundation moved into Latin America and other developing areas But in 1974 the bubble burst Accusations of fiscal mismanagement fraudulent statistics patronage and political payoffs led to federal indictments and jail sentences for top officials Poor women and powerful men the black and white communities and the liberal and conservative medical factions were pitted against each other With the collapse of the program methods for handling the epidemic of adolescent pregnancies and the high infant mortality rate reverted to the state bureaucracies Poor Women Powerful Men is the first book length account of the Louisiana experiment In a clear and dispassionate voice Ward demonstrates that many of the questions raised by the experiment persist Is family planning an answer to the cycle of poverty teenage pregnancies and infant mortality How can the conflict between private and public delivery of medical care be resolved Where do the reproductive rights of women fit into governmentally supported birth control programs We seem no closer today to answering these questions than the Louisiana Family Health Foundation was more than a decade ago

The Moral Property of Women Linda Gordon, 2002-11-06 Now in paperback The Moral Property of Women is a thoroughly updated and revised version of the award winning historian Linda Gordon's classic study Woman's Body Woman's Right 1976 It is the only book to cover the entire history of the intense controversies about reproductive rights that have raged in the United States for more than 150 years Arguing that reproduction control has always been central to women's status Gordon shows how opposition to it has long been part of the entrenched opposition to gender equality **Theorizing Black Feminisms** Abena P. A. Busia, Stanlie M. James, 2005-06-28 First published in 1993 Routledge is an imprint of Taylor Francis an informa company Reproductive Disruptions Marcia C. Inhorn, 2007-10-01 Nominated for the 2007 Book Prize by the Council on Anthropology and Reproduction AAA Reproductive disruptions such as infertility pregnancy loss adoption and childhood disability are among the most distressing experiences in people's lives Based on research by leading medical anthropologists from around the world this book examines such issues as local practices detrimental to safe pregnancy and birth conflicting reproductive goals between women and men miscommunications between pregnant women and their genetic counselors cultural anxieties over gamete donation and adoption the contested meanings of abortion cultural critiques of hormone replacement therapy and the globalization of new pharmaceutical and assisted reproductive technologies This breadth with its explicit move from the local to the global from the realm of everyday reproductive practice to international programs and policies illuminates most effectively the workings of power the tensions between women's and

men's reproductive agency and various cultural and structural inequalities in reproductive health What Causes Men's Violence Against Women? Michele Harway, James M. O'Neil, 1999-09-09 This book uses various theoretical perspectives to summarize what is known about the multiple causes of men's violence against women and stresses the importance of identifying men's risk factors The preliminary multivariate model identifies four content areas macrosocietal biological gender role socialization and relational factors to explain men's violence against women Within these four content areas the editors develop thirteen preliminary hypotheses about the causes of men's violence against women which are critiqued by the contributors in the subsequent chapters **Intended Consequences** Donald T. Critchlow, 2001-05-10 After World War II U S policy experts convinced that unchecked population growth threatened global disaster successfully lobbied bipartisan policy makers in Washington to initiate federally funded family planning In *Intended Consequences* Donald T Critchlow deftly chronicles how the government's involvement in contraception and abortion evolved into one of the most bitter partisan controversies in American political history The growth of the feminist movement in the late 1960s fundamentally altered the debate over the federal family planning movement shifting its focus from population control directed by established interests in the philanthropic community to highly polarized pro abortion and anti abortion groups mobilized at the grass roots level And when the Supreme Court granted women the Constitutional right to legal abortion in 1973 what began as a bipartisan quiet revolution during the administrations of Kennedy and Johnson exploded into a contentious argument over sexuality welfare the role of women and the breakdown of traditional family values *Intended Consequences* encompasses over four decades of political history examining everything from the aftermath of the Republican moral revolution during the Reagan and Bush years to the current culture wars concerning unwed motherhood homosexuality and the further protection of women's abortion rights Critchlow's carefully balanced appraisal of federal birth control and abortion policy reveals that despite the controversy the family planning movement has indeed accomplished much in the way of its intended goal the reduction of population growth in many parts of the world Written with authority fresh insight and impeccable research *Intended Consequences* skillfully unfolds the history of how the federal government found its way into the private bedrooms of the American family *Undivided Rights* Loretta Ross, Elena Guti rrez, Marlene Gerber, Jael Silliman, 2016-05-10 *Undivided Rights* captures the evolving and largely unknown activist history of women of color organizing for reproductive justice **New Orleans After the Promises** Kent B. Germany, 2011-08-15 In the 1960s and 1970s New Orleans experienced one of the greatest transformations in its history Its people replaced Jim Crow fought a War on Poverty and emerged with glittering skyscrapers professional football and a building so large it had to be called the Superdome New Orleans after the Promises looks back at that era to explore how a few thousand locals tried to bring the Great Society to Dixie With faith in God and American progress they believed that they could conquer poverty confront racism establish civic order and expand the economy At a time when liberalism seemed to be on the wane nationally black and white citizens in

New Orleans cautiously partnered with each other and with the federal government to expand liberalism in the South As Kent Germany examines how the civil rights antipoverty and therapeutic initiatives of the Great Society dovetailed with the struggles of black New Orleanians for full citizenship he defines an emerging public private governing apparatus that he calls the Soft State a delicate arrangement involving constituencies as varied as old money civic leaders and Black Power proponents who came together to sort out the meanings of such new federal programs as Community Action Head Start and Model Cities While those diverse groups struggled violently on occasion to influence the process of racial inclusion and the direction of economic growth they dramatically transformed public life in one of America s oldest cities While many wonder now what kind of city will emerge after Katrina New Orleans after the Promises offers a detailed portrait of the complex city that developed after its last epic reconstruction

From the House to the Streets Kathryn Lynn Stoner,1991-04-30 From the House to the Streets is the first study on feminists and the feminist movement in Cuba between 1902 and 1940 In the four decades following its independence from Spain in 1898 Cuba adopted the most progressive legislation for women in the western hemisphere K Lynn Stoner explains how a small group of women and men helped to shape broad legal reforms she describes their campaigns the version of feminism they adopted with all its contradictions and contrasts it to the model of feminism North Americans were transporting to Cuba Stoner draws on rich primary sources texts personal letters journal essays radio broadcasts memoirs from women s congresses which allow these women to speak in their own voices In reconstructing the mentalit of Cuban feminists who came primarily from a privileged social status Stoner shows how feminism drew from traditional notions of femininity and a rejection of gender equality to advance a cause that assumed women s expanded roles were necessary for social progress She also examines the values of the progressive male politicians who supported feminists and worked to change Cuban laws

Wake Up Little Susie Rickie Solinger,2013-10-15 Rickie Solinger s passionate and powerful history serves to remind us of the importance of the feminist efforts that led to Roe v Wade and the many other measures that have liberated women from the constraints of the past From the new foreword by Elaine Tyler May Twenty five years after the Supreme Court s landmark decision abortion rights are as fiercely contested as ever and current debates over welfare workfare and public assistance to women with children demonstrate the way in which race and class continue to effect women s reproductive freedom A pioneering work Wake Up Little Susie reveals how current attitudes toward these issues developed by examining their roots in the postwar era and discerning how differently they affected black and white women A powerful and shocking book Susie is a must read for anyone seeking to understand the complex and disturbing politics surrounding issues of race class and reproductive rights This new edition includes a foreword by the esteemed social historian Elaine Tyler May and an afterword by the author that places the issues examined in Susie in the context of the current controversies

Gender and Higher Education Barbara J. Bank,2011-03 Encyclopedic review about gender and its impact on American higher education across historical and cultural contexts The contributors describe

the ways in which gender is embedded in the educational practices curriculum institutional structures and governance of colleges and universities Topics included are institutional diversity academic majors and programs extracurricular organizations such as sororities fraternities and women s centers affirmative action and other higher educational policies and theories that have been used to analyze and explain the ways in which gender in academe is constructed

Gender and the Millennium Development Goals Caroline Sweetman,2005 This collection focuses on the Millennium Development Goals from a gender perspective It examines the strengths and weaknesses of this way of understanding and addressing poverty and suggests ways of strengthening the approach by using key insights and approaches associated with the struggle to establish and uphold the rights of women

Changing Family Values Gill Jagger,Caroline Wright,2003-12-16 Changing Family Values offers a comprehensive introduction to contemporary debates and new research surrounding the family It explores how we define traditional family values and how these values are perceived as being underthreat in contemporary society Ranging across politics social policy law and sociology the contributors focus on the diverse realities of contemporary family life Issues covered include the recent backlash against single mothers lesbian and gay families and the law men s changing roles within the family the future of the nuclear family This book is ideal for courses covering the family a central topic in sociology and women s studies

Choice & Coercion Johanna Schoen,2005 In August 2003 North Carolina became the first U S state to offer restitution to victims of state ordered sterilizations carried out by its eugenics program between 1929 and 1975 The decision was prompted by newspaper stories based on the research of J

Impotence Angus McLaren,2008-09-15 As anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in Impotence the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way Impotence enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI s failure to consummate his marriage to the boost given the fledgling American republic by George Washington s failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies Impotence is a serious but highly entertaining examination of a

problem that humanity has simultaneously regarded as life's greatest tragedy and its greatest joke *The Family in America* Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change *Matthew for Young People* Cate Davis, 2022-04-04 Do you long to dive deeper into the Bible but don't know where to start Or maybe you struggle to really get into God's Word because there are a hundred other things competing for your attention Reading the Bible isn't always easy It can feel boring and confusing It can seem irrelevant to real life But just because something is challenging doesn't mean it's not worth your time Sometimes the hardest things in life also turn out to be the best things The Bible is the story of God It's his Word to you about everything that really matters Whether you grew up reading the Bible every day or have never opened a Bible before the Growing Roots series is for you This book will meet you where you are and walk you step by step through the whole Gospel of Matthew where you'll meet Jesus face to face Each daily reading includes important background information key definitions and helpful insights while also challenging you to think carefully about what Matthew's words mean for your own life God is inviting you to get to know him today through his Word It's the best thing you'll ever do *The Voodoo Encyclopedia* Jeffrey E. Anderson, 2015-08-26 This compelling reference work introduces the religions of Voodoo a onetime faith of the Mississippi River Valley and Vodou a Haitian faith with millions of adherents today Unlike its fictional depiction in zombie films and popular culture Voodoo is a full fledged religion with a pantheon of deities a priesthood and communities of believers Drawing from the expertise of contemporary practitioners this encyclopedia presents the history culture and religion of Haitian Vodou and Mississippi Valley Voodoo Though based primarily in these two regions the reference looks at Voodoo across several cultures and delves into related religions including African Vodun African Diasporic Religions and magical practices like hoodoo Through roughly 150 alphabetical entries the work describes various aspects of Voodoo in Louisiana and Haiti covering topics such as important places traditions rituals and items used in ceremonies Contributions from scholars in the field provide a comprehensive overview of the subject from various perspectives and address the deities and ceremonial acts The book features an extensive collection of primary sources and a selected general bibliography of print and electronic resources **Fierce Desires** Rebecca L. Davis, 2024-09-03 One of the New Yorker's Best Books of 2024 A Washington Post Notable Book of 2024 A Kirkus Reviews

Best Book of 2024 A 2025 finalist for the Lambda Literary Lammy Award in LGBTQ nonfiction From an esteemed scholar a richly textured authoritative history of sex and sexuality in America the first major account in three decades Our era is one of sexual upheaval Roe v Wade was overturned in the summer of 2022 school systems across the country are banning books with LGBTQ themes and the notion of a tradwife is gaining adherents on the right while polyamory wins converts on the left It may seem as though debates over sex are more intense than ever but as acclaimed historian Rebecca L Davis demonstrates in *Fierce Desires* we should not be too surprised because Americans have been arguing over which kinds of sex are acceptable and which are not since before the founding itself From the public floggings of fornicators in early New England to passionate same sex love affairs in the 1800s and the crackdown on abortion providers in the 1870s and from the movements for sexual liberation to the recent restrictions on access to gender affirming care Davis presents a sweeping engrossing illuminating four hundred year account of this nation's sexual past Drawing on a wealth of sources including legal records erotica and eighteenth century romance novels she recasts important episodes Anthony Comstock's crusade against smut among them and at the same time unearths stories of little remembered pioneers and iconoclasts such as an indentured servant in colonial Virginia named Thomas Thomasine Hall Gay Liberation Front cofounder Kiyoshi Kuromiya and postwar female pleasure activist Betty Dodson At the heart of the book is Davis's argument that the concept of sexual identity is relatively novel first appearing in the nineteenth century Over the centuries Americans have shifted from understanding sexual behaviors as reflections of personal preferences or values such as those rooted in faith or culture to defining sexuality as an essential part of what makes a person who they are And at every step legislators police activists and bureaucrats attempted to regulate new sexual behaviors transforming government in the process The most comprehensive account of America's sexual past since John D Emilio and Estelle Freedman's 1988 classic *Intimate Matters* Davis's magisterial work seeks to help us understand the turmoil of the present It demonstrates how fiercely we have always valued our desires and how far we are willing to go to defend them

Poor Women Powerful Men Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has are more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. Poor Women Powerful Men Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Poor Women Powerful Men free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Poor Women Powerful Men free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Poor Women Powerful Men free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Poor Women Powerful Men. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Poor Women Powerful Men any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Poor Women Powerful Men Books

What is a Poor Women Powerful Men PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Poor Women Powerful Men PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Poor Women Powerful Men PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Poor Women Powerful Men PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Poor Women Powerful Men PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on

Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
