Pop Anthology:

The Pop-Up Anthology 2014 Janice Windle (editor), 2014 170 poems by 68 of the writers who have read their work at the POP UP POETRY events later renamed the 1000 MONKEYS events at the Bar Des Arts Wine Bar in Guildford You ll find rants and sonnets haiku and prose poems free verse found poems rhyming slam poems and love songs all co existing amicably in these pages just as they do on our platform The line between page poems and performance poems is ignored here and the mix includes poems by frequently published poets and writers as well as rappers stand up poets ranters and song writers all of them in love with words This book adds another dimension to the art of the spoken word just as performance adds a different dimension to the written page

Hop on Pop Henry Jenkins III, Jane Shattuc, Tara McPherson, 2003-01-23 Hop on Pop showcases the work of a new generation of scholars from fields such as media studies literature cinema and cultural studies whose writing has been informed by their ongoing involvement with popular culture and who draw insight from their lived experiences as critics fans and consumers Proceeding from their deep political commitment to a new kind of populist grassroots politics these writers challenge old modes of studying the everyday As they rework traditional scholarly language they search for new ways to write about our complex and compelling engagements with the politics and pleasures of popular culture and sketch a new and lively vocabulary for the field of cultural studies The essays cover a wide and colorful array of subjects including pro wrestling the computer games Myst and Doom soap operas baseball card collecting the Tour de France karaoke lesbian desire in the Wizard of Oz Internet fandom for the series Babylon 5 and the stress management industry Broader themes examined include the origins of popular culture the aesthetics and politics of performance and the social and cultural processes by which objects and practices are deemed tasteful or tasteless The commitment that binds the contributors is to an emergent perspective in cultural studies one that engages with popular culture as the culture that sticks to the skin that becomes so much a part of us that it becomes increasingly difficult to examine it from a distance By refusing to deny or rationalize their own often contradictory identifications with popular culture the contributors ensure that the volume as a whole reflects the immediacy and vibrancy of its objects of study Hop on Pop will appeal to those engaged in the study of popular culture American studies cultural studies cinema and visual studies as well as to the general educated reader Contributors John Bloom Gerry Bloustein Aniko Bodroghkozy Diane Brooks Peter Chvany Elana Crane Alexander Doty Rob Drew Stephen Duncombe Nick Evans Eric Freedman Joy Fuqua Tony Grajeda Katherine Green John Hartley Heather Hendershot Henry Jenkins Eithne Johnson Louis Kaplan Maria Koundoura Sharon Mazer Anna McCarthy Tara McPherson Angela Ndalians Edward O Neill Catherine Palmer Roberta Pearson Elayne Rapping Eric Schaefer Jane Shattuc Greg Smith Ellen Strain Matthew Tinkhom William Uricchio Amy Villarego Robyn Warhol Charles Weigl Alan Wexelblat Pamela Robertson Wojcik Nabeel Zuberi

Pop Cinema Glyn Davis, Tom Day, Pop Cinema is the first book devoted to moving image works which engage with the central thematics and aesthetics of Pop Art The essays in the collection focus in on the

core concerns of Pop as a widespread and ideologically complex art movement and examine the ways in which artists in various global locations have used forms of film practice outside of the mainstream to explore those preoccupations The book's contributors also identify the ways in which dominant Pop aesthetics flat planes of bold colour mechanical forms of repetition appropriation of materials from popular culture sources were adopted reworked or abandoned by such filmmakers At root the book asks three basic questions what shapes might a Pop form of cinema take what materials would it engage with and what might it have to say

SPIN, 1995-10 From the concert stage to the dressing room from the recording studio to the digital realm *SPIN* surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of *SPIN* pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next *SPIN* is your monthly VIP pass to all that rocks

Conceptualisms Steve Tomasula, 2022-02-15 Anyone who looks beyond the bestseller lists can see that the literary landscape outside its commercial walls is just as varied as that of visual art just as wild just as conceptual novels in the form of dioramas narratives read through virtual reality glasses or told as a series of tweets stories told as recipes poems in skywriting genetic code pixels skin as well as print and sound The 100 prose works and poems that make up *Conceptualisms* all have the strangeness authors have always given ordinary speech in order to transform it into literature In fact this strangeness or unfamiliarity may be the very core of what makes writing literature and pushed to its boundaries what makes literature conceptual Experimental conceptual avant garde hybrid surfiction fusion radical slip stream avant pop postmodern self-conscious innovative L A N G U A G E writing alternative anti or new literature Across the years a variety of names have been used to describe fiction poetry and hybrid writing that like conceptual visual art foregrounds its ideas explores new forms challenges mainstream writing traditions strives for ways to speak to the present Along with whatever else they do they ask Why isn't this also literature and keep the boundaries of literature flexible and unresolved Now for the first time here is an anthology that offers an overview of this other tradition as it lives in the early decades of the 21st century The first major anthology of this other tradition *Conceptualisms* presents writing by over 90 authors across three generations representing a plethora of aesthetics and approaches to their subjects Readers will recognize authors who have shaped the nature of contemporary writing such as Lydia Davis Charles Bernstein Nathaniel Mackey David Foster Wallace and Claudia Rankine They'll also find authors and responses to the canon that they haven't yet encountered *Conceptualisms* is a book of ideas for writers teachers and scholars as well as readers who wonder how many ways literature can live

Contemporary German Fiction Stuart Taberner, 2007-06-21 The profound political and social changes Germany has undergone since 1989 have been reflected in an extraordinarily rich range of contemporary writing Contemporary German Fiction focuses on the debates that have shaped the politics and culture of the new Germany that has emerged from the second half of the 1990s onwards and offers the first comprehensive account of key developments in German literary fiction within their social and historical context Each chapter begins with an overview of a central theme such as East German writing West German writing writing on the Nazi past writing by women and writing by ethnic minorities The authors discussed include G nter Grass Ingo Schulze Judith Hermann Christa Wolf Christian Kracht and Zafer Senocak These informative and accessible readings build up a clear picture of the central themes and stylistic concerns of the best writers working in Germany today

Merchants, Barons, Sellers and Suits Christa Mahalik, 2010-08-11 Merchants Barons Sellers and Suits The Changing Images of the Businessman through Literature originally began as a conversation about a hybrid course at Quinnipiac University Its purpose was to take an online English course for non traditional business majors and create a theme that would be relevant to the business world Being given the task to create this course from the ground up was exciting and intriguing There turned out to be a lot more material that could be used for this theme than previously thought To gauge the temperature of the topic a panel was set up with the theme of businessmen or women and their changing image through literature At the 2009 NeMLA Northeast Modern Language Association conference in Boston the panel was held and many ideas such as some of the ones presented in this book were discussed A secondary theme evolved out of the construction of the first Participants discussed the environment as a catalyst in the change of what a person actually thinks a businessman or woman looks like Many of these images were formed based upon pop culture such as the traveling salesman in the Looney Tunes cartoons who sells brushes door to door and hails from Walla Walla Washington Others were based on the images read about in books such as Willy Loman from Death of a Salesman The essays included in this volume presented by doctoral candidates and scholars from across a range of geographical regions and disciplines result in a collection that investigates the idea of the changing image of the businessman throughout literature both in America and in Europe The arrangement of the collection is a comparative timeline allowing the changing images of business to evolve with each essay

Some Other Frequency Larry McCaffery, 1996 McCaffery converses with the young recklessly daring and furiously productive William Vollmann and with Marianne Hauser who published her first novel nearly sixty years ago with Native American trickster novelist Gerald Vizenor and guerrilla writer Harold Jaffe whose literary technique is to plant a bomb sneak away with stark minimalist Lydia Davis and text and collage artist Derek Pell with muscular pop icon Mark Leyner and proto punk diva Kathy Acker They are a diverse lot shaped by very different literary and personal influences and

addressing divergent readerships **After Postmodernism** Christopher K. Coffman, Theophilus Savvas, 2020-12-17 Several of American literature's most prominent authors and many of their most perceptive critics and reviewers argue that fiction of the last quarter century has turned away from the tendencies of postmodernist writing. Yet the nature of that turn and the defining qualities of American fiction after postmodernism remain less than clear. This volume identifies four prominent trends of the contemporary scene: the recovery of the real, a rethinking of historical engagement, a preoccupation with materiality, and a turn to the planetary. Readings of works by various leading figures including Dave Eggers, Jonathan Franzen, A. M. Homes, Lance Olsen, Richard Powers, William T. Vollmann, and David Foster Wallace support a variety of arguments about this recent revitalization of American literature. The chapters in this book were originally published as a special issue of the journal *Textual Practice*.

Listen to Pop! James E. Perone, 2018-09-01 *Listen to Pop* discusses the evolution of pop music in America from the 1950s to the present, diving into its impact on American culture, particularly through its association with television and its enduring legacy. *Listen to Pop: Exploring a Musical Genre* provides readers with an overview and a history of the pop music genre. The bulk of the book is devoted to analysis of 50 must-hear musical examples, which include artists, songs, and albums. Additionally, the book contains chapters that analyze the impact of pop music on American popular culture and the legacy of pop music, including how the music is used today in film and television soundtracks and in television commercials. The book deals with all of the various subgenres of pop music from the 1950s to the present. The selection of material discussed reflects the artists, songs, and albums topping the pop music charts of the period, and while the volume examines these items individually, it also discusses how our definition of pop music has evolved over the decades. This combination of detailed examination of specific songs, albums, and artists, and discussion of background, legacy, and impact distinguishes it from other books on the subject and makes it a vital reference and interesting read for all readers and music aficionados.

Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments, public figures, and celebrities, art, and entertainment and technology that influenced life during the decade, this book documents the 1950s through the lens of popular culture. On the surface, the 1950s was a time of post-war prosperity and abundance. However, in spite of a relaxation of immigration policies, the good life in the 50s was mainly confined to white, non-ethnic Americans. A new Cold War with the Soviet Union intended to contain the threat of Communism, and the resulting red scare tinged the experience of all U.S. citizens during the decade. This book examines the key trends, people, and movements of the 1950s and inspects them within a larger cultural and social context. By highlighting controversies in the decade, readers will gain a better understanding of the social values and thinking of the time. The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change, either intentionally or by accident.

Pop-feminist Narratives Emily Spiers, 2018 This volume explores the recent phenomenon of pop feminism and pop feminist writing across

North America Britain and Germany and examines what feminist politics look like in the twenty first century **Hicks, Tribes, and Dirty Realists** Robert Rebein,2021-10-21 Robert Rebein argues that much literary fiction of the 1980s and 90s represents a triumphant if tortured return to questions about place and the individual that inspired the works of Hawthorne Melville Twain Faulkner and other giants of American literature Concentrating on the realist bent and regional orientation in contemporary fiction he discusses in detail the various names by which this fiction has been described including literary postmodernism minimalism Hick Chic Dirty Realism ecofeminism and more Rebein s clearly written nuanced interpretations of works by Raymond Carver Cormac McCarthy Don DeLillo Louise Erdrich Dorothy Allison Barbara Kingsolver E Annie Proulx Chris Offut and others will appeal to a wide range of readers Spanish Fiction in the Digital Age C. Henseler,2011-10-24 This book applies theoretical models that reflect the mediated hybrid and nomadic global scenes within which GenX artists and writers live think and work Henseler touches upon critical insights in comparative media studies cultural studies and social theory and uses sidebars to travel along multiple voices facts figures and faces **Cinema Anime** Steven T. Brown,2006-04-01 This collection charts the terrain of contemporary Japanese animation one of the most explosive forms of visual culture to emerge at the crossroads of transnational cultural production in the last twenty five years The essays offer bold and insightful engagement with anim s concerns with gender identity anxieties about body mutation and technological monstrosity and apocalyptic fantasies of the end of history The contributors dismantle the distinction between high and low culture and offer compelling arguments for the value and importance of the study of anim and popular culture as a key link in the translation from the local to the global **Sign Wars** David Cox,Research Associate David Cox,2010 PMA whole new generation of media activists and culture jammers have taken on the government and corporate advertising worlds New technologies have greatly assisted artists writers film makers and activists to challenge and reverse the one way flow of mind numbing mainstream media Camcorders amateur and ham radio mobile phones the Internet and various other inexpensive means of exchanging signals have empowered this new generatio **Representations of Poverty in Videogames** Adam Crowley,2022-05-31 This book argues that videogames address contemporary middle class anxieties about poverty in the United States The early chapters consider gaming as a modern form of slumming and explore the ways in which titles like The Elder Scrolls V Skyrim and World of Warcraft thematize poverty The argument turns to the field of literary studies to identify analytical frameworks for addressing and understanding these themes Throughout the book considers how the academic area of inquiry known as game studies has developed over time and makes use of such scholarship to present frame and value its major claims and findings In its conclusion the book models how poverty themes might be identified and associated for the purpose of gaining greater insights into how games can shape and also be shaped by the player s economic expectations The World of Quantum Culture Manuel J. Caro,2002-07-30 Caro and Murphy introduce the philosophy of Quantum Aesthetics a theoretical framework developed by Spanish language theorists that has

spread throughout the world in the last three years to an English speaking audience In order to achieve this writers from around the world were asked to either apply quantum aesthetics philosophy to their respective areas of study or write about their current work within this theoretical framework Chapters are devoted to the history of quantum aesthetics quantum art quantum literature quantum politics quantum anthropology and so forth In the end the general elements of a quantum culture are outlined and the differences that this culture shows with respect to old conceptualizations of this domain are explained With respect to the field of cultural studies this new approach to cultural analysis changes how societies can be investigated as well as provides cultural studies with a more comprehensive and integrated framework Specifically noteworthy is that quantum aesthetics is less reductionistic than research strategies of the past A provocative collection for scholars students and other researchers involved with the sociology of culture cultural studies social philosophy and sociological theory
